What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Michigan. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Michigan than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

NOTICE UNDER MICHIGAN'S FRANCHISE INVESTMENT LAW

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

1. A prohibition on the right of a franchisee to join an association of franchisees.
2. A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
3. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty (30) days, to cure such failure.
4. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (1) the term of the franchise is less than five (5) years and (2) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months advance notice of franchisor's intent not to renew the franchise.
5. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
6. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
7. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - a. the failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards;
 - b. the fact that the proposed transferee is a competitor of the franchisor or sub-franchisor;

c. the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations; and

d. the failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

8. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor the right of first refusal to purchase the assets of a franchisee on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subsection 3.

9. A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

IF FRANCHISOR'S MOST RECENT UNAUDITED FINANCIAL STATEMENT SHOWS A NET WORTH OF LESS THAN ONE HUNDRED THOUSAND (\$100,000) DOLLARS, YOU HAVE THE RIGHT TO REQUEST THE ESCROW OF THE INITIAL INVESTMENT AND OTHER FUNDS PAID UNTIL OBLIGATIONS TO PROVIDE REAL ESTATE, IMPROVEMENTS, EQUIPMENT, INVENTORY, TRAINING OR OTHER ITEMS INCLUDED IN THE FRANCHISE OFFERING ARE FULFILLED.

ITEM 1—THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor

The Franchisor is Global Orange Development, LLC. In this Franchise Disclosure Document, the Franchisor will be referred to as "we," "us," or "Global Orange," and the person who buys the franchise will be referred to as "you." If the prospective franchisee is a corporation, partnership, limited liability company or other entity, "you" will mean the entity and the owners of the entity.

We are a Michigan limited liability company formed on May 28, 1998. We do business under our corporate name and the following names: "BIGGBY®" and "BIGGBY® COFFEE". Our principal business address is 2501 Coolidge Road, #302, East Lansing, Michigan 48823. Our agents for service of process are listed on Exhibit A.

Parents, Predecessors and Affiliates

We do not have any parent companies. We have not had any predecessors in the last 10 years. Our affiliate, Global Orange, LLC, owns the BIGGBY® Trademarks and Systems and has granted us the exclusive right to license the BIGGBY™ Trademarks and Systems in connection with the BIGGBY® COFFEE franchises described in this Franchise Disclosure Document. See Item 13. Global Orange, LLC licenses a third party to sell BIGGBY® labeled products for resale at grocery and warehouse stores. Global Orange, LLC also licenses a third party to license retail establishments to purchase and sell BIGGBY® products and to use the BIGGBY® Trademarks in connection with the sale of those products to the public. The licensed establishments will generally be hotels, colleges, hospitals and similar locations that already sell coffee products and that want to add BIGGBY® COFFEE products for sale to their patrons. These establishments will not be part of the BIGGBY® COFFEE franchise system although Global Orange, LLC will have the right to ensure quality and uniformity standards are met. Our affiliate, Milkster, Inc. ("Milkster"), is the franchisor of Milkster® Nitrogen Creamery franchises. Except as may be described above, we do not have any affiliates that offer franchises in any line of business or that provide products or services to our franchisees. The principal business address for Milkster, Inc. is 856 Vanderpool, Troy, Michigan 48083. The principal business address for our other affiliates is the same as our principal business address.

We have formed separate entities for management of our advertising fund and our E-card fund. The advertising fund is managed by BIGGBY COFFEE Advertising Fund, Inc., a Michigan non-profit corporation operated on a directorship basis. The E-card fund is managed by our affiliate, BIGGBY COFFEE Gift Card Fund, LLC, a Michigan limited liability company. The principal business address of these entities is the same as our principal business address.

BComplete, LLC may enter into a Sub-License Agreement and/or an Equipment Lease Agreement with some of our franchisees. The purpose of Sub-License Agreement is to sub-license land to a franchisee for the location of its BIGGBY COFFEE franchise (for example, land in the parking lot area of a large retail store or complex). The purpose of the Equipment Lease is to lease a pre-fabricated modular structure and the equipment contained in the structure to a franchisee that will operate a BIGGBY COFFEE franchise from the structure. Although BComplete, LLC is not an affiliate of Global Orange, the owners of Global Orange are part owners of BComplete, LLC. The principal business address of BComplete, LLC is 2501 Coolidge Road, #302, East Lansing, Michigan 48823.

Franchisor's Business

We offer and sell BIGGBY® COFFEE franchises. We also sell products to our franchisees.

The BIGGBY® COFFEE Franchise

The BIGGBY® COFFEE franchise is a retail coffee-based business that operates a community coffee shop with offerings that include espresso-based beverages, coffee, tea, energy beverages, other beverages, sandwiches, baked goods, and other food, whole bean coffee including farm direct options, merchandise, and coffee accessories. The franchise will generally be operated from either a free-standing, store front or strip center location or a pre-fabricated modular structure. The BIGGBY® COFFEE franchise (sometimes referred to in this Franchise Disclosure Document as a "Store") will operate under our tradenames and trademarks, which are described in Item 13 of this Franchise Disclosure Document ("Trademarks" or "BIGGBY® Trademarks") and in accordance with our specifications for operating a business ("System" or "BIGGBY® System").

You acquire the right to operate a BIGGBY® COFFEE franchise by signing our standard Franchise Agreement (see Exhibit B). If you are renewing your BIGGBY® COFFEE franchise, you will sign our current standard Franchise Agreement as well as an Addendum to Franchise Agreement – Renewal ("Renewal Addendum") (see Exhibit C). The Renewal Addendum modifies some of the provisions of the standard Franchise Agreement to reflect your status as an existing franchisee. If you acquire an existing BIGGBY® COFFEE franchise by transfer from another franchisee, you may sign our standard Franchise Agreement as well as an Addendum to Franchise Agreement – Transfer ("Transfer Addendum") (see Exhibit D-1). The Transfer Addendum modifies some of the provisions of the standard Franchise Agreement to reflect the fact that you are acquiring an open and operating BIGGBY® COFFEE franchise. In a transfer situation, the selling franchisee will sign a Franchise Surrender and Release Agreement-Transfer (see Exhibit D-2).

Non-Traditional Locations

If you request, we may authorize you to operate your franchise at a non-traditional location. Non-traditional locations we consider include: co-brand locations, satellite locations, and complementary locations. A co-brand location is a location that you will share with a business operating under a different brand. An example of a co-brand Location is the operation of a Milkster Nitrogen Creamery franchise at your franchise location. A co-brand Location may also include the operation of a BIGGBY COFFEE franchise at the location of the other brand. In order to operate a co-brand Location, you will also have to enter into a separate agreement with the owner of the other brand in order to have the authority to operate both brands from the same location. If we authorize you to operate a co-brand location, you must sign our Addendum to Franchise Agreement for Co-Brand Location ("Co-Brand Addendum") (see Exhibit E-1). A satellite location is an additional, non-traditional location, such as a food truck or a temporary or semi-permanent kiosk or counter set-up at a location other than the franchise location. Examples of possible satellite locations include mobile food trucks and kiosks at farmer markets, other retail outlets, or events. We must approve each location at which you would operate the satellite. If we authorize you to operate a satellite location, you must sign our Addendum to Franchise Agreement for Satellite Location ("Satellite Location Addendum") (see Exhibit E-2). Complementary locations are two separate locations that are nearby or part of the same complex of businesses. An example of complementary locations is having a location at the out lot of a big box retail facility and having an additional location within the big box retail facility. If we authorize you to operate complementary locations, you must sign our Addendum

to Franchise Agreement for Complementary Locations (“Complementary Locations Addendum”) (see Exhibit E-3). The Addenda attached as Exhibits E-1, E-2, and E-3 are together referred to as the “Non-Traditional Location Addenda” and each as a “Non-Traditional Location Addendum.”

Market and Competition

The BIGGBY® COFFEE franchise will primarily serve the public within the vicinity of the franchise location. The market for coffee businesses is developing. There is substantial competition in the retail coffee business. Examples of competitors include national, regional and local, franchised and independently owned coffee businesses, mail order, restaurants, grocery stores, bulk food stores, department stores and convenience stores.

The market for coffee businesses could be affected by pandemics, such as the COVID 19 pandemic. These effects may be experienced while the pandemic and any social distancing policies, voluntary or mandatory shutdowns, and other governmental policies and requirements relating to the pandemic are in effect. The market could also be affected by natural disasters, such as hurricanes and floods. The effects from pandemics and natural disasters may include the unavailability of employees, reduced hours of operation or closing of the business for a period of time, reduced sales volumes and cash flows, and disruptions to supply chains.

Regulations

There are no regulations specific to the industry in which the BIGGBY® COFFEE franchise operates. You must, however, become familiar with federal, state and local laws regulating food businesses generally.

In addition, you must ensure compliance with Payment Card Industry (“PCI”) Data Security Standard (“DSS”) Requirements and Security Assessment Procedures and other applicable PCI requirements (“PCI Requirements”). The purpose of the PCI Requirements is to ensure the protection and privacy of customer information and credit card numbers. The PCI Requirements require secured data connections and other steps to protect information. The PCI Requirements are substantial and complex and change regularly, so you must devote material business and management time and effort to your compliance efforts. You could incur significant liability if there is credit card fraud and you have not complied with the PCI Requirements.

There may be other laws and regulations applicable to your business and we urge you to make inquiries about any laws or regulations that may impact your business.

Prior Business Experience

We do not operate a business of the type to be operated by our franchisees. Our affiliates operated businesses of the type to be operated by our franchisees from July 1994 to September 2005. We have offered franchises for the type of business to be operated by our franchisees since February 1999. Our affiliates have not offered franchises for the same type of business to be operated by our franchisees. Except for Milkster, we and our affiliates have not offered franchises in any other line of business. Milkster has offered Milkster® Nitrogen Creamery franchises since July 2017. The Milkster® Nitrogen Creamery franchise is an ice cream shop that sells ice cream in various flavors that are crafted to order and flash frozen with liquid nitrogen and may sell other complimentary products and services. As of December 31, 2020, there were 14 Milkster® Nitrogen Creamery franchises in operation.

Notes to Item 6 Table

- (1) All fees are imposed by and payable to us except minimum local advertising expenses and refurbishing expenses. Except as may be otherwise noted, it is our intent that all fees payable to us will be uniformly imposed and collected for franchises being offered at this time. All fees paid to us are non-refundable.

You must make all payments to us by electronic funds transfers (automatic bank transfers). You must install, at your expense, and use pre-authorized payment and computerized point-of-sales systems, credit verification systems, automatic payment systems, electronic funds transfer systems, or automatic banking systems as we may specify. We may specify these requirements to fulfill any business purpose reasonably related to the operation of your Store and the Franchise System and to allow us to access reports of Gross Sales and

other information and to initiate electronic or other transfers of all payments you are required to make to us.

- (2) If you operate an existing Store in Michigan that pays royalty of 5% of Gross Sales and you are in good standing with us, you will be allowed to pay a royalty of 5% of Gross Sales on new Stores you develop in Michigan. The Franchise Agreement defines Gross Sales as the entire amount of the franchisee's revenues from the ownership or operation of the franchise business or any business at or about the franchise location, including but not limited to, sales at co-brand locations, satellite locations, complementary locations, and other off-premises sales, the proceeds of any business interruption insurance, any revenues received from the lease or sublease of a portion of the franchise location, whether the revenues are evidenced by cash, credit, checks, gift certificates, electronic payment, digital currency, food stamps, coupons and premiums (unless exempted by us), services, property or other means of exchange, minus: (a) the amount of any sales taxes that are collected and paid to the taxing authority; (b) discounts given to customers if the non-discounted price is included in the revenues; and (c) cash refunded and credit given to customers and receivables uncollectible from customers if the cash, credit or receivables are or were included in revenues. Revenues are deemed received by the franchisee at the time the goods, products, merchandise, or services from which they derive are delivered or rendered or at the time the relevant sale takes place, whichever occurs first. Revenues of property or services (for example, "bartering" or "tradeouts") are valued at the prices applicable to the products or services exchanged for those revenues at the time the revenues are received. Gross Sales and any exclusions from Gross Sales may be further defined in our Operations Manual.
- (3) The amount specified by us may vary between franchisees depending on the type of Store operated by the franchisee and the demographics of the area in which the Store is located. You must provide documentation to our reasonable satisfaction that you have spent the required amount of local advertising. If you do not provide documentation or do not spend the required amount of local advertising, you must pay the amount not satisfactorily documented or not spent to us on demand. These funds will be placed in the advertising fund to be used at our discretion. If you participate in joint advertising, you will pay your proportionate share of each advertisement. If an advertising cooperative has been or is formed for your market, the cooperative may require advertising fees be paid to the cooperative (in addition to the advertising fund contributions you are required to make to us), but only if authorized by a majority vote of the members of the cooperative. As of the date of this Franchise Disclosure Document, advertising cooperatives have required advertising contributions to the cooperative of up to 2.0% of Gross Sales. Any amounts that you spend for joint advertising or cooperative advertising will count towards your minimum local advertising obligations.
- (4) We have the right to acquire a Cyber Liability Insurance Policy for the BIGGBY COFFEE franchise system and to require you to pay a portion of the cost of the Policy as determined under our policies and procedures. Our current policies require each franchisee to pay a portion of the cost of the Policy based on each franchisee's Gross Sales in August of the preceding year. We do not require new franchisees to pay a portion of the cost of the Policy until they have been open for a year. The current range of costs for franchisees is reflected in the table.
- (5) You must participate in any gifts cards, electronic gift or money cards (E-cards), frequency cards (BIGGBY Cards), awards programs (E-wards), or other programs specified by us

and honor all such cards, awards, and other programs issued by us or by other franchisees in accordance with our policies. We or a person designated by us will administer any of these programs specified by us. We may charge an administrative fee for administering those programs. You must provide us with all information collected and databases created in connection with these programs. We currently specify participation in our E-card program. You will sell E-cards and redeem E-cards. On a quarterly basis we reconcile your sales and redemptions. If your sales exceed redemptions, you must pay the difference to the E-card fund. If your redemptions exceed sales, the E-Card fund will pay you the difference. We have the right to incorporate the E-card fund or manage the E-card fund through a separate entity whenever we deem appropriate. We may assign some or all of our rights and duties related to the E-card fund to the separate E-card fund entity. We may change the separate-card fund entity or assign management of the E-card fund back to us at any time in our discretion. Currently, the E-card fund is managed by BIGGBY COFFEE Gift Card Fund, LLC. BIGGBY COFFEE Gift Card Fund, LLC. is managed by three managers. Two of the managers are our employees and one of the managers is a franchisee representative. On request, we will provide you with a copy of the operating agreement or other governing documents for BIGGBY COFFEE Gift Card Fund, LLC. We do not currently charge any fees for administering the E-card program. We also currently specify participation in our frequency card and E-wards programs.

- (6) Any additional training fees will be uniform as to all persons attending training at that time and will be based on our out-of-pocket expenses plus a per diem rate for the training personnel.

Notes to Item 7 Table

- (1) The initial franchise fee is \$20,000. We charge a reduced franchise fee to military veterans and to existing BIGGBY® COFFEE franchisees that open additional BIGGBY® COFFEE franchises. See Item 5.
- (2) You will probably lease space for a free-standing, store front or strip center location of approximately 1,300 to 1,700 square feet. If you will operate from a pre-fabricated modular location, you will probably lease or license half an acre of land. Rent rates per square foot may vary substantially per site. We estimate that your monthly rent (which includes only base rent) will range from \$1,200 to \$7,000 depending on size and location. You may also be responsible for common area maintenance and other charges under the lease. At the time of signing your lease or land license, you may be required to pay a deposit equal to one or two month's rent and the first month's rent. Your rent may be subject to escalation charges based on inflation or may be based on a percentage of gross sales. If you purchase and construct your franchise location, your expenses will be significantly greater. We do not have any estimates of the cost to purchase or build a franchise location.
- (3) Leasehold improvements must conform to our standard specifications and local ordinances. In some situations, your landlord may pay for some or all of the costs for leasehold improvements. We may authorize, but do not require our franchisees at this time

to include a drive through window at the franchise location. If you do include a drive-through at your franchise location, your total investment may increase by approximately \$20,000 to \$25,000, but that could vary depending on the specifics of your site. If you will operate from a pre-fabricated modular location, your leasehold improvements will include the cost of purchasing or leasing the pre-fabricated modular structure.

- (4) Equipment, furniture and fixtures must conform to our standard specifications. See note (3) regarding additional costs relating to drive-throughs. This category includes the POS system that you may purchase from us (see Item 5). The high end of this category includes the additional cost for optional equipment that you are not required to purchase; for example, 4G backup internet and/or digital menu boards.
- (5) You will need to have detailed plans drawn up for your specific location by an approved architect.
- (6) The price for signage will vary depending on the type of site and local ordinances for outdoor signage. See note (3) regarding additional costs relating to drive-throughs.
- (7) This category includes the supplies and materials that you will need to begin operation of your Store, including milk, coffee beans, paper cups, napkins and other supplies you will purchase from third party suppliers and mugs and other merchandise that you may purchase from us (see Item 5).
- (8) This estimate is for one year of coverage. Alternate quarterly payment arrangements can possibly be made.
- (9) Utility company rates vary for different areas. Also, deposits may be required.
- (10) This category covers business licenses, building permits, and other landlord requirements.
- (11) You must prepare a grand opening advertising plan in compliance with the criteria specified by us. You must timely implement the approved grand opening advertising plan at your cost. You must spend a minimum of \$8,500 to implement the grand opening advertising plan. Unless otherwise provided in your approved grand opening advertising plan, you must implement the grand opening advertising plan within the period beginning two months before the opening of your franchise and ending two months after the opening of your franchise. You must provide the documentation specified by us to show that you have spent the required amount on grand opening advertising within the specified time frame. If you do not provide the specified documentation or you do not spend the required amount on grand opening advertising, you must pay the amount not documented or spent to us on demand. We will place those funds in the advertising fund to be used at our discretion.
- (12) This category covers expenses you may incur during the 3 month initial phase of your franchise. These expenses may include royalty, advertising fees, insurance premiums, payroll costs, additional inventory and supplies, etc. These figures are estimates and we cannot guarantee that you will not have additional expenses starting the business. Your costs during this initial phase will depend on factors including: how you follow our procedures; your management skill, experience and business abilities; local economic conditions; the local market for the franchise's product; the prevailing wage rates; competition; and the sales level reached during this initial phase. You may need additional funds to cover expenses of your franchise beyond the three month period and in the

Franchise Agreement you acknowledge that it could take 36 months or more for your franchise business to produce a positive cash flow.

- (13) We relied on our and our franchisees' experience to compile these estimates (see Item 1). You should of course review these figures carefully with a business advisor before making any decision to purchase the franchise.
- (14) Except as noted, none of the payments to us are refundable. The refundability of payments to other parties is determined by your agreement with those parties.
- (15) We do not offer any financing for any part of your initial investment.

Since we are assuming that you will lease or license the premises for your franchise location, the estimated investment above does NOT include the cost of buying real estate. We urge you to retain the services of an experienced accountant or financial adviser in order to develop a business plan and financial projections before you purchase your franchise.

If you operate your Franchise Business at a satellite location or at complementary locations, you will have additional expenses relating to the additional location. For example, if you operate a food truck, you will have the additional expense of purchasing and outfitting the truck. If you operate a different satellite location or at complementary locations, you will have the additional expense of building a kiosk, counter, or other selling facilities to use at the satellite location or the complementary location.

ITEM 8—RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

General

In order to maintain uniqueness, consistency, uniformity, quality and identity of BIGGBY® COFFEE Stores and the products and services sold by BIGGBY® COFFEE Stores and the group purchasing power of BIGGBY® COFFEE Stores, you must purchase all products and services used in the design, development, construction, and operation of your Store in accordance with our specifications and only from manufacturers, suppliers or distributors designated or approved by us, as described in more detail below.

Obligations to Purchase or Lease from the Franchisor or its Designees

We may specify any products and services used in the design, development, construction, or operation of your Store as "Designated Products or Services." Designated Products or Services must be purchased in accordance with our specifications (which may include brand names) and only from us or a manufacturer, supplier, distributor, or professional or other service provider specifically designated by us (which may be our affiliate) (a "Designated Supplier"). We do not have to approve other suppliers for Designated Products or Services and we do not issue criteria to our franchisees for Designated Products or Services. We impose these requirements so that we can ensure uniformity and quality and sufficient volume purchases to obtain favorable pricing. We will specify Designated Products or Services and Designated Suppliers in memos, bulletins, emails or in our Operations Manual. We will issue notification of Designated Products or Services status and Designated Supplier status or revocation of the status to you in memos, bulletins, emails or in our Operations Manual.

We currently designate that you must purchase coffee, tea and syrup products from a Designated Supplier. If you will operate from a pre-fabricated modular location, you must purchase or lease the pre-fabricated modular structure from a Designated Supplier. Also, you must purchase accounting services from a Designated Supplier for the first year of operation of your Store. We are currently the Designated Supplier of the POS system and for maintenance and support services for your POS and computer systems. We and our affiliates are not currently a Designated Supplier for any other products or services.

Obligations to Purchase or Lease from Approved Suppliers

Unless otherwise specified by us, all items used in the design, development, construction, and operation of your Store, other than Designated Products or Services, must be obtained in accordance with our specifications (which may include brand names) and only from a manufacturer, supplier, distributor, professional or other service provider that has been approved by us (an "Approved Supplier"). An Approved Supplier will be a supplier that: (a) has met our standards for quality and uniformity of goods and services and other relevant standards established by us; (b) has been designated by us in writing as an Approved Supplier; and (c) has not later been disapproved by us. You may request to have a supplier for items other than Designated Products or Services approved by submitting to us the information, samples or agreements necessary for our determination under the procedures specified by us. This request must be in writing and must include information about the product or supplier relating to our specifications, a sample of the product or service to be approved or a person at the manufacturer or supplier that we can contact for information. We may submit the information to an independent laboratory or another independent expert to determine if the product or supplier meets our specifications. We may charge you a fee to cover the costs incurred in making this determination. On your request, and only on a confidential basis, we will furnish you with any issued standards and specifications for items other than Designated Products or Services, as well as any issued criteria for supplier approval. We will notify you in writing of our approval or disapproval of a supplier within 30 days after receiving all information that we reasonably believe is necessary to make the determination.

Before we approve a supplier, the supplier may be required to enter into an agreement with us in a form reasonably acceptable to us providing that the supplier will: (a) follow our procedures, specifications and standards, formulas, patterns, and recipes; (b) provide for periodic quality control inspections of the supplier's premises and production facilities; (c) require the supplier to provide a reasonable number of samples, without charge, for inspection; (d) require the supplier to keep any trade secrets or other confidential information disclosed to it by a franchisee or us in confidence and to have employees to which disclosure is made sign agreements that they will not use or disclose confidential information; and (e) require the supplier to pay a reasonable license fee for a limited license for the production and sale of items using the Franchise Marks. An approval of a supplier is not a blanket approval of the items the supplier may sell but only for specific items sold by that supplier as approved by us.

We will provide information on Approved Suppliers and we will issue approval or disapproval or notification of revocation of approval of products or suppliers to you through the web-based Franchise Resource Center or in memos, bulletins or our Operations Manual.

We are an Approved Supplier, but not the only Approved Supplier, of logotyped merchandise for the franchise. We may in the future, supply other products to our franchisees.

Additional Information Relating to Designated and Approved Suppliers

Other than Global Orange and BComplete, LLC, there are no Designated Suppliers or Approved Suppliers in which any of our officers owns an interest.

In order to take advantage of group purchasing power and to ensure uniformity and quality, we reserve the right to limit the total number of Approved Suppliers for any items. We may add or delete Designated or Approved Suppliers at any time and you must comply with those changes immediately on written notice from us. If we add a Designated or Approved Supplier, you must immediately, on written notice from us, take the steps necessary to comply with the credit, purchase, and other policies of the Designated or Approved Supplier. If we delete a Designated or Approved Supplier, you must cease purchasing products and services from that supplier immediately on written notice from us.

We may enter into agreements with Designated or Approved Suppliers for and on behalf of all Stores or all Stores in a particular region (a "Supplier Contract"), which may include price terms. If we enter into a Supplier Contract with a Designated or Approved Supplier, the terms and conditions of your relationship with that Designated or Approved Supplier will be controlled by that contract to the extent covered by the contract.

Our designation of a Designated or Approved Supplier or manufacturer, or other provider of products or services does not create any express or implied promise, guaranty or warranty by us as to the quality of products and services, availability of products and services, and timely delivery of products and services of the Designated or Approved Supplier or other provider of products or services and we disclaim any promises, guaranties or warranties. We will not have any liability to you for any claims, damages or losses suffered by you as a result of or arising from the products or services provided by or the acts or omissions of any Designated or Approved Supplier or manufacturer, or other provider of products or services designated or approved by us, including claims, damages or losses arising from the quality of products and services, failure to deliver, late delivery, delivery of the wrong products, unavailability of products, damages to products in delivery, adulteration of products, mislabeling, failure of warranty, etc..

Obligations to Purchase under Specifications

The Franchise Agreement provides that all products and services used in the design, development, construction, or operation of the franchise business must be obtained in accordance with our specifications (which may include brand names) and from Designated or Approved Suppliers. Although we have the right to require you to purchase all items used in the franchise business from Designated and Approved Suppliers, in our discretion we may issue specifications for certain products (which may include brand names) and allow you to purchase those products from any source as long as the products comply with our specifications. Also, we may not issue specifications for some products and supplies and we may allow you to purchase those products and supplies from any source until we do issue specifications and/or supplier requirements for those items.

Your lease must be approved by us. However, we will not evaluate or be responsible for the commercial reasonableness or suitability of your lease. That is your sole responsibility and we recommend that you engage independent counsel to assist you in the evaluation and negotiation of your lease. Also, you and your landlord must sign a lease addendum acknowledging certain rights we have under the Franchise Agreement that relate to your lease.

A copy of our standard Lease Addendum is attached to the Franchise Agreement as Appendix G.

In addition, your franchise location must be constructed or improved in accordance with our specifications for build-out, décor, signage, equipment layout, space, awnings, umbrellas, etc. Also, we must approve all drawings, plans and specifications relating to the design, construction and/or improvement of the franchise location. We will have the right to inspect and approve the construction before you open your Store to make sure our specifications have been followed. If, in our opinion, our specifications have not been followed, you must resolve any issues to our satisfaction before opening your Store. Although we have the right to review and comment on and must approve all drawings, plans and specifications relating to the design, construction, and/or improvement of your franchise location, we are only acting to ensure compliance with our specifications. We will not evaluate or be responsible for compliance with governmental requirements, legal requirements or adequacy of design and engineering relating to the design and construction and/or improvement of your franchise location and you are solely responsible for those matters.

You must acquire, maintain and update the equipment (including POS and computer systems), furniture, fixtures, signs, smallwares, and other property that we specify for establishing and operating your Store. Also, all of these items must meet our standards and specifications.

You must purchase insurance coverage for your business in accordance with our standards and specifications. The insurance coverage you are required to purchase includes:

- Commercial General Liability: Covering Premises/Operations, Products/Completed Operations, Personal Injury and Advertising Injury, Blanket Contractual Liability, XCU and Independent Contractors in the following limits:
 - General Aggregate Limit \$2,000,000
 - Products/Completed Operations Aggregate \$2,000,000
 - Personal and Advertising Injury Limit \$1,000,000
 - Each Occurrence Limit \$1,000,000
- Workers' Compensation: As required by laws in Michigan and any other state in which work is being performed. This policy must include the "waiver of subrogation" endorsement form #WC 00 03 13, scheduling Global Orange Development, LLC. The Employers Liability must have limits of at least:
 - Bodily Injury by Accident \$100,000 Each Accident
 - Bodily Injury by Disease \$500,000 Policy Aggregate
 - Bodily Injury by Disease \$100,000 Each Employee
- Auto Liability Insurance, owned and/or non-owned auto, with a minimum limit of \$1,000,000 (covering automobiles owned by franchisee and used by the owner and/or its employees).
- Property Insurance with a minimum limit to include the value of fixtures, equipment, signs, etc. (including, but not limited to, fire, extended coverage, theft, vandalism and malicious mischief).

- Umbrella/Excess Liability policy with a minimum limit of \$1,000,000 of additional coverage

If you are approved to offer off-site service, additional insurance coverage will be required.

As noted in Item 6, we have acquired a Cyber Liability Insurance Policy for the BIGGBY COFFEE franchise system. You will pay a portion of the cost of that Policy.

We formulate and modify our specifications based on our experience in the business. Factors that we consider include quality and uniformity of products and services. Except as described above with respect to the approval of products or suppliers, we are not required to issue our specifications to our franchisees. We may issue our specifications, changes to our specifications and lists of approved products and suppliers to you through our on-line web-based communication portal (the Franchise Resource Center) or in memos or bulletins or in our Operations Manual.

Right to Refuse to Sell Products

If you commit any of the defaults listed below, we have the right to refuse to sell products to you and to cause approved and designated suppliers to refuse to sell our proprietary products to you. The defaults giving rise to this remedy include: (1) a payment due to us from you is more than 30 days past due; (2) you owe us \$10,000 or more in past due payments; (3) any other default under the Franchise Agreement that has not been cured within 30 days of written notice; or (4) a payment due to an advertising cooperative or other advertising fund or to an E-card fund from you is more than 30 days past due. In addition, if you fail to satisfy all the conditions of renewal, but continue to operate your franchise business after the end of the term of the Franchise Agreement, we have the right to refuse to sell products to you and to cause approved and designated suppliers to refuse to sell proprietary products to you.

Revenues of Franchisor and Affiliates

We may derive revenue from products or services we sell to our franchisees. Also, we have the right to receive commissions or other fees from designated or approved suppliers based on sales of products or services to our franchisees. You must cooperate with us in the collection of those commissions or fees. We currently receive the following commissions from suppliers to our franchisees: \$0.675 per pound on sales of coffee to our franchisees (this fee may be increased to \$1.00 per pound in the near future); and 7.5% on sales of certain bottled beverages to our franchisees. We also receive payments from suppliers to support our annual meeting of franchisees. During 2020, those payments ranged from \$1,000 to \$63,000.

In the year ending December 31, 2020, we received the following revenue in connection with required purchases by our franchisees: (a) \$699,169 in gross revenue from the sale of merchandise to our franchisees, which was 6.79% of our total revenue of \$10,295,126; (b) \$1,051,055 in commissions and other fees from designated and approved suppliers based on sales of products to Stores, which was 10.21% of our total revenue of \$10,295,126; and (c) \$748,470 in gross revenue from the sale of POS systems and related fees (including fees for maintenance and support services), which was 7.27% of our total revenue of \$10,295,126. The gross revenue from the sales of merchandise to our franchisees and the sales of POS systems is less than our costs and, consequently, result in operating losses for us. We intend to continue to subsidize the cost of these operations for the benefit of our franchisees.

Percentage of Purchases

All of your purchases from us, designated suppliers, approved suppliers or in accordance with our specifications will represent 80% to 100% of your total purchases in the establishment of your franchise and 80% to 100% of your total purchases in operating your franchise.

Cooperatives; Purchasing Arrangements; Material Benefits to Franchisees

We do not have any formal purchasing or distribution cooperatives. We negotiate purchase arrangements with suppliers, including price terms, for the benefit of our franchisees. There is a material benefit our franchisees receive based on use of designated or approved sources. Some of our suppliers provide funds to be used in connection with our annual meeting for franchisees. If you use those suppliers, you will be able to attend the annual meeting at a discounted cost.

ITEM 9—FRANCHISEE'S OBLIGATIONS

This table lists your principal obligations under the Franchise and other Agreements. It will help you find more detailed information about your obligations in these Agreements and in other items of this Franchise Disclosure Document.

ITEM 10—FINANCING

If you will operate from a pre-fabricated modular location, our Designated Supplier, BComplete, LLC ("BComplete"), may offer to finance the modular structure, the site work for installing the modular structure on the land, and the equipment, fixtures, furniture, computers, and signs used in connection with the modular structure. The financing is in the form of an equipment lease. The amount of financing will vary depending on the costs associated with the modular structure but BComplete will loan up to 80% of those costs. The term of the equipment lease will be ten years and the payments will be made weekly. The interest factor in the equipment lease will be tied to prevailing conditions, your individual credit history, personal financial condition and other underwriting criteria. Currently, BComplete expects the interest factor will equate to an APR of 6% to 8%. BComplete retains title to the leased assets. You may terminate the equipment lease prior to the expiration of the equipment lease, subject to payment of a stipulated loss value (which will vary depending on the remaining term of the lease) and any other amounts then due under the lease. At the end of the equipment lease, you will have an option to purchase the assets for a purchase price specified in the equipment lease, which is expected to be approximately \$37,900. Late payments are subject to a late charge of 5% of the monthly payment and interest at the rate of 18% per annum. If you default under the equipment lease, you may be immediately liable for all amounts due under the equipment lease less the net proceeds from any dispositions of the leased assets, liquidated damages in the amount of \$37,900, all costs of collection, including reasonable attorney fees, and other damages incurred by BComplete. Also, BComplete may repossess the leased assets and may terminate the equipment lease. A termination of the equipment lease agreement may also constitute a default under your Franchise Agreement and subject the Franchise Agreement to termination. In the equipment lease agreement, you waive certain notices and any defenses to your obligations to BComplete. BComplete is not prohibited from assigning or discounting its leases to third parties, but has no present intention to do so. If your lease is assigned, you may lose any defenses you have as a result of the assignment. You are not required to personally guaranty the equipment lease. If you enter into a equipment lease with BComplete, you may also enter into a sub-license for the land on which the modular structure will be located. Specimen copies of the BComplete Equipment Lease Agreement and Sub-License Agreement, as of the date of this Franchise Disclosure Document, are attached as Exhibit F.

Except as provided above, we do not offer direct or indirect financing for your franchise. We do not guaranty any of your notes, leases or other obligations.

ITEM 11--FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Before Opening

Before you open your business, we will:

1. We will review your proposed location for approval (Sections 5(A) and 7(A) of Franchise Agreement).

We will not own the location of your franchise and lease it to you. You will generally lease your franchise location from an unrelated third party. You are responsible for selection of the site of your franchise. We must also approve the site you select and we will act timely to give you

notice if we disapprove of the site. The Franchise Agreement does not establish a time limit to approve or disapprove of a site. If you propose a site, we can usually give our approval or disapproval within 45 to 60 days. Among the factors we consider before approving a site are the surrounding population density, income and educational levels, vehicle traffic counts, pedestrian traffic counts, visibility, ingress and egress, space dimensions, parking availability, signage restrictions, use restrictions, and economic terms. If we cannot agree on a site and you do not obtain a site for the franchise business within 12 months of the date of the Franchise Agreement, we may terminate the Franchise Agreement and your initial franchise fee or deposit will not be refunded. However, if you anticipate that you will not obtain a site for the franchise location within twelve months after the date of the Franchise Agreement, you may obtain a six-month extension of the deadline. In order to obtain the extension, you must, no later than 30 days before the end of the twelve month period: (1) notify us in writing that you intend to extend the deadline; and (2) pay us a nonrefundable fee of \$5,000 for the extension. You may not obtain more than one six-month extension of this deadline.

2. Review the lease for your franchise location for approval. Although we have the right to review and comment on your lease for the franchise location, we will not evaluate or be responsible for the commercial reasonableness or suitability of the lease and you have those responsibilities. If you lease the franchise location, you and the landlord must sign our standard Lease Addendum before you open (Section 7(B) and Appendix G of the Franchise Agreement).

3. Assist you in the construction or improvement of your location by providing our specifications for construction or improvement of the franchise location. We will have the right to inspect and approve the construction before you open the franchise business to make sure our specifications have been followed. If, in our opinion, our specifications have not been followed, you must resolve any issues to our satisfaction before opening the franchise business. This may delay the opening of your franchise business (Sections 5(B) and 7(C) of Franchise Agreement).

4. Provide our specifications and sources of supply for the equipment, fixtures, signs and initial inventory necessary for you to begin operation of the franchise business (Section 5(C) of Franchise Agreement).

5. Provide you with access to our Operations Manual for use in the operation of your franchise business (Section 5(D) of Franchise Agreement). Additional information regarding the Operations Manual is set forth below in this Item under the subheading "Operations Manual."

6. Provide an initial training program to train you in all aspects of operation of the franchise business (Sections 5(E) and 10 of Franchise Agreement). The training program is described in more detail below in this Item under the subheading "Training."

7. Provide a representative for up to five days (the specific number of days will be determined by us) to assist in the set-up and initial operation of your franchise business (Section 5(F) of Franchise Agreement).

8. Designate the products and services to be offered by the franchise business and provide sources of supply for all products used in the franchise business (Section 5(G) of Franchise Agreement).

9. Provide guidance on the pricing of your products and services (Section 5(I) of Franchise Agreement).

10. Provide materials and guidance for grand opening advertising for the franchise business (Section 5(J) of Franchise Agreement).

Our obligations as outlined above generally will not apply if you are renewing your franchise or acquiring an existing franchise by transfer except that, on a transfer we will provide the initial training described in number 5 above (see the Renewal Addendum and Transfer Addendum).

Time of Opening

We expect franchisees to open their franchise business within six to 16 months after signing the Franchise Agreement or paying consideration to us. The main factors that we expect to affect this time period are the availability of suitable locations, the ability to obtain mutually acceptable lease terms, the need for rezoning of the location, the ability to obtain financing, the local time frame for obtaining building permits, construction delays, shortages, delayed installation of equipment, fixtures or signs, and your personal timetable. You must open for business no later than 12 months after you obtain the franchise location or we may terminate the Franchise Agreement.

During Operation

During the operation of your franchise, we will:

1. Continually provide you with access to any updates to our Operations Manual and other specifications for all aspects of the franchise business (Section 5(D) of Franchise Agreement).

2. Provide a representative for up to five days (the specific number of days will be determined by us) to assist in the set-up and initial operation of your franchise business (Section 5(F) of Franchise Agreement). This obligation does not apply on renewal or transfer (Section E of Renewal Addendum; Section F of Transfer Addendum)

3. Designate the products and services to be offered by the franchise business and continually provide you with updates in our specifications for products or services. We will also provide sources of supply for all authorized products and will review for approval any products or services or suppliers requested by you, except with respect to any Designated Products or Services (Section 5(G) and Section 8(D) of Franchise Agreement). The products and services that you are authorized or required to sell may differ from those that other Stores are authorized or required to sell based on regional differences in products and services authorized by us, sales of products or services on a limited-time-only basis that are not available to all Stores, the test marketing of products or services, or other business reasons in our discretion (Section 8(E) of Franchise Agreement).

4. Visit your franchise business during the first two months after opening and periodically visit your franchise business after that at such intervals we deem appropriate throughout the remaining term of the Franchise Agreement. During these visits, we will evaluate your operations and provide any operational advice and assistance deemed necessary by us. We will also provide reasonable operational advice and assistance to you by email, our on-line Franchise Resource Center or other internet resources or telephone, including advice on specific services or products, if requested by you (Section 5(H) of Franchise Agreement).

5. Provide guidance on the pricing of your products and services (Section 5(I) of Franchise Agreement). You must follow any maximum or minimum pricing guidelines specified by us, subject to applicable laws (Section 8(F) of Franchise Agreement).

6. Administer the advertising fund for the benefit of the BIGGBY® Trademarks and System. The advertising fund is currently administered by BIGGBY COFFEE Advertising Fund, Inc. We also will provide brand standards or other specifications for the preparation of advertising materials by you and, if we require pre-approval of advertising materials, we will review for approval any local advertising proposed by you (Sections 5(J), 9(B) and 9(G) of Franchise Agreement).

7. Indemnify you against liability to third parties resulting from claims by third parties that your use of our Trademarks infringes trademark rights of the third party, but only if (a) you have used our Trademarks in accordance with our specifications and (b) you have given notice to us of the claim within ten (10) days of receipt by you of the claim and you have tendered the defense of the claim to us (Sections 5(K) and 6(D) of Franchise Agreement).

8. Make all modifications to or substitutions of our Trademarks on a uniform basis for all similar situated franchisees in a particular market (Section 6(F) of Franchise Agreement).

9. If your initial location becomes unusable, review for approval any alternative location proposed by you (Section 7(A) of Franchise Agreement).

10. Provide our specifications for any required or voluntary maintenance or refurbishing of your location and the equipment and fixtures at your location (Sections 5(B) and 8(H) of Franchise Agreement).

11. Review proposed transferees of your franchise business for approval (Section 13(C) of Franchise Agreement).

Advertising

You must pay into an advertising fund an amount equal to the greater of \$100 per week or an amount specified by us not to exceed 3% of Gross Sales (currently 3% of Gross Sales). All BIGGBY® COFFEE franchises will contribute to the advertising fund at the same rate. Although not required, if we or our affiliates operate any BIGGBY® COFFEE outlets, we will contribute to the advertising fund on the same basis as our franchisees.

The goal of the advertising fund is to maximize general public recognition and patronage of the BIGGBY® Trademarks and Systems. We may use the advertising fund to formulate, develop, create, produce, execute, support and maintain advertising and promotional materials, programs, platforms, systems, electronic media, and technology relating to marketing and to conduct, support, and maintain marketing, community relations, electronic media support and campaigns, customer loyalty programs and systems, gift card programs and systems, coupon and other promotional integration and systems, support for grand opening advertising for franchisees, marketing for direct to consumer sales, and other advertising and promotional programs, activities, and technology on a national, regional or local level as we determine at our discretion to be most effective in achieving the goals of the advertising fund. We are not required to spend your advertising fund contributions to place advertising in your local area or in any specific media. All expenses of the advertising fund will be paid from the advertising fund. We may engage the services of any advertising source or sources to formulate, develop, produce and conduct advertising and these costs will be paid by the advertising fund. The advertising fund may be used to pay us for services provided by us to the

advertising fund and to reimburse us for the proportionate compensation of our employees who devote time and render services in the formation, development and production of advertising or the administration of the advertising fund. We will submit to you, on request, an annual report of the receipts and disbursements of the advertising fund, unaudited, prepared by our management, and provided in the manner we specify. Neither we nor an agency engaged by us will be liable for consequential or incidental damages resulting from administration of the advertising fund or resulting from any advertising produced or placed by or on behalf of us or you, including any claims for loss of business. There is an advertising council composed of franchisees that advises us on advertising policies. The council is called the BIGGBY Franchise Advisory Council. The members are nominated by all franchisees and selected by us with a voting process for admittance based on nominations that we receive. The advertising council's role is advisory and the council has no operational or decision-making power. We have the power to form, change, or dissolve the advertising council.

We have the right to incorporate the advertising fund or manage the advertising fund through a separate entity whenever we deem appropriate. We may assign some or all of our rights and duties related to the advertising fund to the separate advertising fund entity. We may change the separate advertising fund entity or assign management of the advertising fund back to us at any time in our discretion. Currently, the advertising fund is managed by BIGGBY COFFEE Advertising Fund, Inc. BIGGBY COFFEE Advertising Fund, Inc. is managed by three directors. Two of the directors are our employees and one of the directors is a franchisee representative. On request, we will provide you with a copy of the by-laws of BIGGBY COFFEE Advertising Fund, Inc.

In the year ending December 31, 2020, we used 26.027% of the advertising fund expenditures for production (including advertising and marketing technology), 49.15% for media placement (including shared advertising and development), 6.081% for merchandising, and 15.978% for administrative costs. Any materials we produce will be provided to you at no additional charge. You, however, must pay the media costs of placing any such advertising. We are not prohibited from using the advertising fund principally to solicit new franchise sales. In the year ending December 31, 2020, we used 2.764% of the advertising fund expenditures principally to solicit new franchise sales. If we do not use advertising fund contributions during the fiscal year in which they accrue, we will hold those funds for use in the following year.

You also must spend, on a monthly basis, for advertising in your local market, an amount specified by us not to exceed 3% of the Gross Sales of the franchise business ("minimum local advertising"). The amount specified by us for minimum local advertising may vary between franchisees depending on the type of Store operated by the franchisee and the demographics of the area in which the Store is located. You must provide documentation to our reasonable satisfaction that you have spent the required amount on local advertising. If you do not provide such documentation or do not spend the required amount on local advertising, you must pay the amount not satisfactorily documented or not spent to us on demand. These funds will be placed in the advertising fund to be used at our discretion.

In order to fulfill all or a part of your minimum local advertising obligation, you must participate in any joint advertising programs specified by us or in an advertising cooperative, if one is formed for the area in which your Store is located. If an advertising cooperative is formed, the structure of the cooperative and the governing instrument of the cooperative must be approved by us. The cooperative cannot modify the terms of your Franchise Agreement but may require you to make contributions to the cooperative in addition to any advertising fees you are required to pay to us. The cooperative will make decisions based on a majority of the votes entitled to be cast by the

members of the cooperative. Each cooperative will work with us or an agency designated by us in coordinating and placing regional and local advertising for the members of the cooperative. We have the right to audit and review the books and records of each cooperative. The costs and expenses of each cooperative must be paid by that cooperative. Currently, cooperatives have required additional advertising contributions of up to 1.5% of Gross Sales. Any amounts you pay into an advertising cooperative will count towards your minimum local advertising obligations. Copies of our standard Advertising Cooperative By-Laws and Membership Agreement are attached as Exhibit G. If an advertising cooperative exists in the area in which your Store is located, you will sign a Membership Agreement for that cooperative at the time you sign your Franchise Agreement.

You also must list and advertise your franchise business in the electronic media, classified telephone and other directories we specify, at your own expense. You must use listing templates specified or approved by us for these listings and advertising. Any amount spent by you for these listings and advertising will apply to your minimum local advertising obligations.

You must not use the internet, email addresses, internet domain names, homepages, electronic addresses, websites, social networks, mobile phone applications, tablet and other computer applications, wikis, podcasts, online forums, content sharing communities, blogging, or other social media (including but not limited to Facebook, Twitter, LinkedIn, YouTube) or toll-free telephone numbers or similar methods with potential local, regional, national or worldwide scope in connection with the operation and/or marketing of your franchise business, except as specified by us or with our written consent and then only in accordance with our policies and procedures. We may, at our discretion, maintain an internet site, social media, mobile phone applications, or other electronic media or toll-free telephone numbers for the franchise system and allow you to participate in those methods or the business generated by those methods under our guidelines. We will have the right to control all responses to postings by customers and the public on that site, social media and other electronic media.

All advertising by you in any medium, including signage, must be factual and dignified, must conform to the brand standards contained in our Brand Guidelines Manual and other specifications, and to the highest standards of ethical advertising practice. If specified by us, all advertising materials prepared by or for you must be approved by us in writing before being used. If we require pre-approval of advertising materials, you must submit to us for prior approval all marketing and promotion materials, including signage, prepared by you for the franchise business and not prepared by or previously approved by us. You must refrain from any business or advertising which may injure our business and the good will associated with the BIGGBY® Trademarks and the BIGGBY® Systems and other Stores. You are not allowed to advertise any products or services for your business or using the BIGGBY® Trademarks except those products or services authorized by us.

Point of Sale (POS) and Computer Systems

The items that we specify for establishing a BIGGBY® COFFEE franchise include a computerized Point of Sale ("POS") System and a Manager Workstation (Back-of-House PC or "BOH"). You will have one or two terminals depending on your store configuration. The POS system will be networked with the BOH in your office. The specified computer equipment and software will be used in your business to record sales transactions, including providing a breakdown of credit card, check, and cash sales, discounts, products sold, labor dollars spent, etc., be the time clock of the business (time/attendance), be the method of delivering the order to the production line, be used for receipts of transactions, and be used to provide sales data to our home

office. The cost of the POS and computer systems will range from \$5,750 to \$14,250. Your costs will be in the higher end of the range if your franchise location will have a two-terminal setup and/or you acquire optional equipment.

We will have independent access to the information and data from your POS and computer systems. There are no contractual limitations on our right to access the information and data. We may install software on your POS and computer systems and configure your POS and computer systems as necessary to allow us to retrieve information and data from the POS and computer systems.

We currently specify that our franchisees use proprietary POS and computer systems that are supplied by us. The POS software is owned by us and you must pay us a monthly service fee. The monthly service fee is currently \$40 per month. We also require that you enter into a POS and Computer Systems Maintenance and Support Contract with us for maintenance and support of the POS and computer systems. A copy of our POS and Computer Systems Maintenance and Support Contract is attached as Exhibit H. Under the POS and Computer Systems Maintenance and Support Contract, and subject to the terms of that contract, you will be entitled to hardware and software support, particular hardware upgrades, and preventative maintenance. The current monthly cost of the POS and Computer Systems Maintenance and Support Contract is \$99 per month for one-terminal stores and \$125 per month for two-terminal stores. We may change the costs under the contract, but we will make changes no more than once per year, and we will provide notice at least 60 days before an increase.

You must acquire the point of sale, business management, and other computer systems we specify for use in the operation of your franchise business, which may include computer hardware, software, web-based systems, licenses to use proprietary software or systems, etc. We may develop POS and computer systems and specifications for future components of the POS and computer systems in the future and may modify such specifications and components of the POS and computer systems. As part of the POS and computer systems, we may require you to obtain specified computer hardware and/or software including a license to use proprietary software developed by us or others. We may also require you to obtain maintenance and support services for the POS and computer systems from a Designated Supplier (which may be us or our affiliate) and to pay the charges for those maintenance and support services. Modification of the specifications for the components of the POS and computer systems may require you to incur costs to purchase, lease and/or license new or modified computer hardware and/or software and to obtain service and support for the POS and computer systems during the term of the Franchise Agreement. We cannot estimate the future cost of the POS and computer systems (or additions, modifications, maintenance or support) and the cost to you to obtain the POS and computer systems may not be fully amortizable over the remaining term of the Franchise Agreement. You must obtain any components of the POS and computer systems specified by us within 60 days after receiving notice from us. We have the right to charge reasonable fees for the license, modifications to the system used by you to reflect non-standard configurations requested by you, additional modification of proprietary software that is licensed to you and other services that we or our affiliates furnish to you relating to the POS or computer systems.

Under the System as specified by us, you may be required to use the website, POS system, internet-based systems and/or other technology developed and maintained by us or on our behalf. Uses of the website, internet based systems, POS system and/or other technology may include, but are not limited to, advertising for all Stores, lists of Stores, displaying daily menus, order taking from customers, inventory control for franchisees, entering sales and other information, making schedules, projecting sales, reviewing reports, entering weekly payroll, placing

orders with us or designated or approved suppliers/distributors, posting the Operations Manual and communication between us, franchisees and customers. The website, POS system, internet-based systems and/or other technology must be used by you in the franchise business and in the manner specified by us. If provided, our website, POS system and internet-based systems and their content are provided "AS-IS". We disclaim all warranties with respect to website, POS system and internet-based systems.

You must acquire and maintain a high-speed and fixed-based internet connection with speeds at least equal to the average internet speed in the United States, which as of August 2020 was 84 Mbps download and 44 Mbps upload, for communication with us, access to our online materials, and so that we may access your computer systems remotely 24 hours a day and seven days a week. You must also acquire and maintain an e-mail address so that we may communicate with you by e-mail. If we specify, you must participate in the centralized email system that we maintain.

You must pay us a monthly technology fee in an amount determined by us, not to exceed \$500 per month. The monthly technology fee is currently \$178.50 to \$204.50 per month based on store configuration. We may use this fee for: expenses relating to development and maintenance of business software; license, renewal and maintenance fees for proprietary and/or third-party software; to cover expenses relating to maintaining and servicing centralized email and data warehousing systems; and other expenses relating to technology. If you choose to use optional technology in your store, including 4G backup internet, you will also pay us an additional \$10 per month in technology fees to cover service and support costs on the optional equipment. Although you pay a technology fee to us, you are still responsible for license fees for using our POS system and the expense of upgrades and maintenance contracts with us (including the POS and Computer Systems Maintenance and Support Contract) or third parties relating to POS and computer systems software used in the franchise business.

You are responsible for securing the data of your customers. You must comply with the PCI Requirements in connection with your Franchise Business. We also recommend that you comply with the ISO/IEC 27000-series information security standards (or other comparable third-party information security standards) ("Information Security Standards") in connection with your Franchise Business. It is your responsibility to research and understand the PCI Requirements and Information Security Standards and to ensure that your business policies and practices comply with these requirements and standards. You must periodically participate in audits of your information technology systems and data security policies by third party auditors as specified by us. We have the right to acquire a Cyber Liability Insurance Policy for the BIGGBY COFFEE franchise system and to require you to pay a portion of the cost of the Cyber Liability Insurance Policy as determined under our policies and procedures.

Operations Manual

Our Operations Manual provides detail concerning the methods of operation of the franchise business. There are a total of 247 pages in the Operations Manual. The Table of Contents of the Operations Manual is attached as Exhibit I. You will be given a paper copy and an electronic copy or access on-line to an electronic copy of the Operations Manual after signing the Franchise Agreement. You will be provided updates as they become available. We may charge a reasonable fee for providing paper copies of updates to the Operations Manual (Section 8(B) of the Franchise Agreement).

Training

You (or if the franchisee is a corporation or other entity, a Principal and the Designated Manager—see Item 15) must complete our training program before you begin to operate your franchise business. The training program must be completed to our satisfaction. We recommend that you complete the training program within 30 to 45 days of opening your franchise business. If your franchise business will begin operating more than 45 days after completion of the initial training program, we may require you or the applicable trainee to attend the initial training program again or to attend a refresher training program before we will authorize you to begin operating your franchise business.

The instructional materials used in our training program include training manuals and the Operations Manual. There are also quizzes and homework sheets for some classes. Caitlin Tierney, our Training Manager, oversees our training program. Mrs. Tierney has been with us for 7 years and has an additional 6 years of experience in a BIGGBY Store.

The training program will be conducted without charge for up to two persons who are owners of the franchise or management employees of the franchise. We will train additional persons if you request, but we may charge a reasonable fee for each additional person trained (not to exceed \$5,000). At our option, we may allow you to take the training program in parts at different times as you are available. The training program will be conducted at our facilities in East Lansing, Michigan and in BIGGBY® COFFEE Stores of our choosing. You are responsible for any traveling and living expenses of you or your employees during the training program. The persons attending training may be required to sign an agreement relating to confidentiality in a form approved by us before beginning the training program (see Exhibit J and Item 14).

Your franchise business must always be under the supervision of a Designated Manager that has attended and satisfactorily completed our training program and that has been approved by one of our directors or executive officers and not later disapproved (see Item 15).

Our training program will be conducted as often as necessary to ensure that new franchisees complete training before opening their franchise business.

We will give you reasonable notice of any additional specified training, sales programs or meetings. We may require you to complete additional training before offering new products or services from the franchise business. You may also request additional training at our regular training programs or on an on-demand basis. We may impose a reasonable charge on you for any training provided beyond the initial training program. Any training fees will be uniform as to all persons attending training at that time and will be based on our out-of-pocket expenses plus a per day rate for the training personnel. Additional training programs may be conducted in East Lansing, Michigan or at other locations specified by us. On-demand training requested by you may be provided at your location.

After beginning operation of your franchise business, you must establish and maintain a continual program of training for shift leaders and other employees in accordance with our specifications.

Services May be Provided by Area Representative

If we have engaged an area representative or other contractor for the area in which your franchise is located, the area representative or other contractor may perform some of the

obligations described above that would otherwise be performed by us, including on-site assistance and operations support.

ITEM 12—TERRITORY

Franchise Location

You must operate your franchise business only from a specific location, which will be designated on Appendix A to the Franchise Agreement. We must approve your location and you cannot change your location without our approval. The factors we consider for approving a new location are the same factors we consider for your initial location (see Item 11). In addition, we must approve the reason for the change of location and be satisfied with the viability of a change of location for the franchisee.

Rights Not Exclusive

The rights granted in the Franchise Agreement relate to the sale of products over-the-counter at your franchise location. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You are not granted a minimum or maximum territory in which to operate your franchise business. As long as you provide your services from your franchise location, you are not limited in the area from which you may draw your customers. You will have no right to deliver products except that you may deliver immediately consumable products with our prior written consent. You will also have no right to solicit or conduct business through the use of toll free telephone numbers, catalogs, direct mail, internet, social media, other electronic media, or other advertising or solicitation methods not involving only sales over-the-counter at your franchise location.

Since you are not granted a territory, we are not restricted from soliciting or accepting orders from consumers inside your territory and we are not required to pay you for soliciting or accepting orders within your territory.

As noted in Item 1, our affiliate, Milkster, franchises others to operate businesses that sell ice cream and related products to the public. These businesses, which do not operate under the Franchise Marks, may be located near your franchise. These businesses do not offer the same products as offered by a BIGGBY COFFEE Store.

Reservation of Rights

All rights not expressly granted in the Franchise Agreement to you relating to the Franchise Marks and System are reserved to us, including (1) the right to operate and authorize others to operate businesses using the Franchise Marks and System, or any other trademarks or systems, at any location other than your franchise location; and (2) the right to use or authorize others to use the Franchise Marks and System, or any other trademarks or systems, in connection with any distribution method other than the operation of a Store at your franchise location, including the manufacture and sale of products at wholesale or retail, through the use of toll free telephone numbers, catalogs or direct mail, over the internet, social media, through distributors, at food stores or through any other distribution channels. Although we have the right to establish other franchise or company owned outlets with similar products or services using different marks, we have no present intention of doing so.

Franchisee Options; Additional Franchises

You will not have any options, rights of first refusal or similar rights to acquire additional franchises within any specified territory or any contiguous territories. We may allow you to acquire additional franchises if you meet our qualifications in place at that time for acquiring a franchise and ownership of multiple locations. These qualifications may include standards of character, business experience, financial strength, credit standing, health, reputation, business ability, experience, availability of management personnel, etc.

ITEM 13—TRADEMARKS

Principal Trademarks

You must operate your franchise under our Trademarks. As of the date of this Franchise Disclosure Document, our principal Trademarks include “BIGGBY®” and “BIGGBY® COFFEE” and the logo “Black B in a Square.” Our affiliate, Global Orange, LLC, owns our principal trademarks. We have an exclusive license to use these trademarks in connection with the franchising of BIGGBY® COFFEE Stores. The current license is dated June 29, 2011. The term of the license is 25 years with automatic five-year renewals unless either party gives 180 days written notice. If the license is terminated, our sublicensees/franchisees have the right to continue to use the Trademarks during the term of their franchise agreements including renewals of those agreements. Except for normal quality control and trademark marking requirements, the license does not place limitations on our use and sublicensing of the Trademarks.

All required affidavits relating to our principal Trademarks have been filed. The status of the filings and federal registrations with the U.S. Patent and Trademark Office (“USPTO”) for certain Franchise Trademarks is as follows:

The following statement applies to the trademarks in the table above that are not currently registered with the USPTO:

We do not have a federal registration for our principal trademark. Therefore, our trademark does not have many legal benefits and rights as a federally registered trademark. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expense.

Determinations, Agreements or Uses Affecting Trademarks

Except as may be described above, there are no currently effective material determinations of the USPTO, Trademark Trial and Appeal Board, the Trademark Administrator of any state, or any court, any pending interference, opposition or cancellation proceeding nor any pending material federal or state court litigation involving our principal Trademarks. There are no agreements currently in effect that limit our rights to use or license the principal Trademarks in any manner material to your franchise. We do not know of any superior prior rights or infringing uses of the principal Trademarks that could materially affect your use of our principal Trademarks.

Franchisee's Obligations

You must use our Trademarks only in connection with the operation of your franchise business pursuant to the System and only in the manner specified in the Franchise Agreement and the Operations Manual. You must operate your franchise business under our Trademarks and under no other name or mark. You must not use our Trademarks in connection with any products or services not specifically authorized by us in writing. You must not reproduce or cause to be reproduced our Trademarks in any manner, including production on forms or invoices, in

connection with advertising, marketing or promotion, or in connection with electronic media, which includes the Internet, email addresses, Internet domain names, homepages, electronic addresses, websites, social networks, mobile phone applications, tablet and other computer applications, wikis, podcasts, online forums, content sharing communities, blogging, or other social media (including but not limited to Facebook, Twitter, LinkedIn, YouTube), without our prior written approval. You must not use our Trademarks in your business, corporate or partnership name. However, you must register to do business under the assumed business name of "BIGGBY® COFFEE Store #____" (for example: "BIGGBY® COFFEE Store #001").

You must promptly notify us of any unauthorized use of our Trademarks or any name or trademark confusingly similar to our Trademarks or any claim or litigation against you involving the Trademarks. We may, at our discretion, take any affirmative action necessary to protect our Trademarks. We have the right to control any actions involving our Trademarks, although you must cooperate fully in those actions. We will indemnify you against liability to third parties resulting from claims that your use of the Trademarks infringes trademark rights of the third party, but only if you have used our Trademarks in accordance with our specifications and you provide notice to us of the claim within 10 days of the claim and tender the defense of the claim to us. Otherwise, the Franchise Agreement does not require us to participate in your defense and/or to indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving the Trademarks or if the proceeding is resolved unfavorably to you.

Modification of Trademarks

We may, at our discretion, change our Trademarks, including adding, discontinuing or modifying the Trademarks, or substituting different Trademarks. We may make these changes because of the rejection of any pending registrations or the revocation of any registrations of the Trademarks, or due to the rights of senior users, or for other business reasons, except that we must make all such changes in the authorized Trademarks on a uniform basis for all similarly situated franchise businesses in a particular market. If we change our Trademarks, you will have the right to use the modified Trademarks and you will have the obligation to make those changes at your expense.

ITEM 14—PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents and Copyrights

We do not own any patents that are material to your franchise. We do not have any pending patent applications that are material to your franchise. We claim copyright protection for our Operations Manual and similar materials, although these materials are not registered with the U.S. Registrar of Copyrights.

Proprietary Information

The Operations Manual and other aspects of the System are considered proprietary and confidential. You must use the Operations Manual and the other aspects of our System only as provided in the Franchise Agreement. You must not use our Operations Manual or any other aspect of our System in any unauthorized manner and you must take reasonable steps to prevent disclosure of this information to others. We may require that you have your employees sign an agreement relating to confidentiality before disclosing confidential information to them. This agreement must be in a form approved by us and we have the right to be a third-party beneficiary

of that agreement with independent enforcement rights. Attached as Exhibit J is a form of Confidentiality Agreement approved by us for use by our franchisees. We provide this form as an example of the form of agreement acceptable to us; however, we do not represent or suggest that this is the appropriate form for use by you or that the form complies with the applicable laws in your jurisdiction. You should have any employee confidentiality and/or noncompetition agreement forms you intend to use reviewed by your attorney to ensure the form provides you with the protections that you desire and that the form complies with the applicable laws in your jurisdiction.

Determinations, Agreements or Uses Affecting Proprietary Information

There are no currently effective material determinations of the copyright office or any court regarding any of our copyrighted or confidential materials. There are no agreements currently in effect that limit our rights to use or license the copyrighted materials or any of our confidential information. We do not know of any superior prior right or infringing uses of our copyrighted materials or our confidential information that could materially affect your use of those materials or information.

Defense of Copyrights and Confidential Information

We are not required by any agreement to protect or defend our copyrights or confidential information or to take affirmative action when notified of infringement of our copyrights or confidential information or to defend you against claims arising from our use of copyrighted or confidential information, although we intend to protect our System. If there is litigation involving our copyrights or confidential information, we would have the right to control that litigation. We do not have an obligation under the Franchise Agreement to participate in your defense or to indemnify you for expenses or damages in a proceeding involving a copyright or confidential information licensed to you.

Modification of Copyrights and Confidential Information

We may, at our discretion, modify our copyrights and confidential information. If we modify our copyrights or confidential information, you will have the right under the Franchise Agreement to use the modified materials and you will have the obligation to make changes specified by us at your expense.

ITEM 15—OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your franchise business must, at all times, be under the direct supervision of a manager (the "Designated Manager"). The Designated Manager must: (i) be personally responsible for the franchise business at all times; (ii) personally exercise his or her best efforts to market the franchise business, maximize customer satisfaction, and be on the floor of the franchise business working a position behind the espresso bar for a minimum of six hours a day, five days a week. An individual cannot be a Designated Manager for more than one Store. If this is your first Store, and depending on your prior business experience, at least one of the persons designated in Item 5 on Appendix A of the Franchise Agreement ("Principal"), may be required to be the Designated Manager of the franchise business for up to one year after beginning operation. If, after the required period (or if this is not your first Store), you decide not to be the Designated Manager of the franchise business at all times, then you must designate a full-time, on-premises manager that has been approved by us to be the Designated Manager for the franchise business.

The Designated Manager must meet the following requirements before beginning to serve as Designated Manager for your franchise business: (1) the Designated Manager must have successfully completed the initial training program and any retraining or refresher training programs specified by us; and (2) the Designated Manager must be approved by one of our directors or executive officers and not later disapproved. If you or a Principal is not the Designated Manager, the Designated Manager must be under your or one of your Principals direct supervision. If you desire to change the approved Designated Manager, you must notify us in writing as least 30 days before employing a new Designated Manager. It is your responsibility to ensure that you franchise business is always under the supervision of an approved Designated Manager. A failure by you to have your franchise business under the supervision of an approved Designated Manager is a material default under the Franchise Agreement. A Designated Manager other than you or a Principal need not have any equity interest in the franchise. As described in Item 14, we require your Designated Manager to sign an agreement relating to confidentiality in a form approved by us (see Exhibit J). If the franchisee is a corporation, partnership or other entity, the owners of the franchisee must personally guaranty all of the franchisee's obligations to us (see the Obligations and Representations of Individual Interested Parties attached to the Franchise Agreement as Appendix B and the Guaranty attached to the Franchise Agreement as Appendix D).

ITEM 16—RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must sell all products and services specified by us. You may not offer any products or services that we have not authorized (see Items 8 and 9). We have the right to change the authorized products and services and there are no limits on our right to make changes. The products and services that you are authorized or required to sell may differ from those that other Stores are authorized or required to sell based on regional differences in products and services authorized by us, sales of products or services on a limited-time-only basis that are not available to all Stores, the test marketing of products or services, or other business reasons in our discretion. You are required to only sell your products and services over-the-counter at your franchise location except that you may deliver immediately consumable products with our prior written consent. You will have no right to solicit or conduct business through the use of toll-free telephone numbers, catalogs, direct mail, internet, social media or other advertising or solicitation methods not involving only sales over-the-counter at the franchise location. All rights not expressly granted in the Franchise Agreement to you relating to the Trademarks and System are reserved to us, including (1) the right to operate and authorize others to operate businesses using the Trademarks and System, or any other trademarks or system, at any location other than your franchise location, and (2) the right to use or authorize others to use the Trademarks and System, or any other trademarks or system, in connection with the manufacturer and sale of products at wholesale or retail, through the use of toll free telephone numbers, catalogs, direct mail, over the internet, through social media or other electronic media, or through other distribution channels.

ITEM 18—PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19—FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

In Charts 1 and 2 below, we have provided average and median annual Unit Sales information for 2020 for Stores. Chart 1 provides that information for Stores with a drive-thru and Chart 2 provides that information for Stores without a drive-thru. In Chart 3 below, we have provided some average and median expense information as a percentage of Unit Sales and same-store Unit Sales growth for 2020 for Stores. We have provided in Chart 4 below, what we believe is a reasonable analysis of the number of cups per day that a franchisee must sell in order to "break-even" in the operation of its BIGGBY COFFEE franchise. Chart 5 below provides supporting information for Chart 4. The information in the Charts is a historical financial performance representation based on subsets of our franchise system's existing outlets and on the assumptions and notes described below.

Please carefully read all information in this Item 19, including the Assumptions and Notes before the Charts and the Caution and other statements following the Charts. Those assumptions, notes and statements explain the information and limitations on the information contained in the Charts.

Written substantiation for the financial performance representation will be made available to a prospective franchisee on reasonable request.

Assumptions and Notes

1. As of December 31, 2020, there were 245 franchised Stores in operation. For the information in Charts 1 and 2 and for the same-store Unit Sales growth information in Chart 3, we used revenue information from a subset of 202 of our 245 franchised Stores in operation at the end of 2020 (143 of these Stores, which are the Stores with a drive-thru, are included in Chart 1 and 59 of these Stores, which are the Stores without a drive-thru, are included in Chart 2). These 202 Stores constitute all of the franchised Stores in operation at the end of 2020 that were in operation for at least 13 months at the end of 2020, other than kiosk Stores (kiosk Stores are Stores that are housed inside another retail business operation) and Stores that were not open seven days a week; provided that, we excluded 20 Stores that were closed for at least 40 days in 2020 due to the COVID 19 pandemic. Some of the 202 Stores were closed for 39 days or less during 2020. For the information in Chart 3 (other than same-store Unit Sales growth), Chart 4, and Chart 5 we used revenue and expense information from a subset of 71 of our 245 franchised Stores in operation at the end of 2020. These 71 Stores are Stores that we believe provide us with consistent and accurate expense data, are a reasonable representation of our franchise system, and were closed for no more than 39 days in 2020. The Stores represented in the Charts may differ materially from a Store that may be operated by you because these Stores have been operated for a longer period of time and by a more experienced operator.
2. The information contained in Chart 1, Chart 2, and Chart 3 is based on information reported to us by the Stores in each subset for the year ending December 31, 2020. Except as described below, the percentages used for the break-even analysis in Chart 4 are from the averages of the Chart 4 subset of Stores for the year ending December 31, 2020. We determined these averages based on information reported to us by these Stores. Any alterations in the data from the Chart 4 subset are noted below. The financial information from our Stores has not been audited and we do not know if the information was prepared in accordance with generally accepted accounting principles (GAAP).
3. "Unit Sales," as used in the Charts, means the entire revenues of the Store, less sales taxes and refunds, but not including any reduction for discounts. "Gross Sales," as used in the Franchise Agreement, means all revenues of the Store minus sales taxes paid, discounts, and refunds.
4. The "Gross Profit" as a percentage of the Unit Sales average of our Chart 4 subset of Stores, which is the percentage used in the break-even analysis in Chart 4, is 62.31%. The Gross Profit is calculated by taking Unit Sales and subtracting discounts as an average percentage and then Cost of Sales as an average percentage. 61 of the 71 Stores (85.91%) in the subset group met or exceeded this average Gross Profit percentage.
5. The "Operating Expenses" as a percentage of the Unit Sales used in the break-even analysis in Chart 4 is 60.27%. The detailed calculation for this percentage is in Chart 5 below. Some of the Stores in the Chart 4 subset reported automotive and meals and entertainment expenses. We did not include those expenses in our analysis. There are 5

subcategories under Operating Expenses. Those subcategories and certain assumptions relating to those subcategories are as follows:

- (A) Labor—29.62%. This subcategory includes the personnel costs in Chart 3. The labor expenses subcategory is not an average of the subset Stores, but is instead an assumption based on two baristas at \$9.65 per hour (minimum wage in Michigan as of January 1, 2020) for 16.5 hours per day. This does not include a manager's salary. This percentage includes worker's compensation insurance, payroll taxes and training expenses relating to the two barista employees, which is based on information from the subset Stores.
 - (B) Services—9.93%. This subcategory includes the laundry, uniforms, bank service charges, credit card processing, insurance, license and permits, penalties and fines, professional services, telephone and utilities expenses in Chart 5.
 - (C) Administration—9.97%. This subcategory includes the office supplies, postage, occupancy cost, including rent, and travel expenses in Chart 5.
 - (D) Marketing and Royalty—8.73%. This subcategory includes the advertising, marketing and franchise royalty expenses in Chart 5. Some Stores included in this analysis pay a royalty of 5% of Gross Sales and others pay a royalty of 6% of Gross Sales. New franchises will pay a royalty of 6% of Gross Sales, which will increase this percentage.
 - (E) Operations—2.06%. This subcategory includes the smallwares, chemicals, freight, maintenance and repair expenses in Chart 5.
- 6. There is no depreciation or amortization expensed in the Chart 4 break-even analysis.
 - 7. The interest expense under the "Other Income (Expense)" category in Chart 4 is not an average of the subset Stores but is instead an assumption based on borrowing \$150,000 at 6% interest. There are no principal payments expenses in these calculations.
 - 8. The "Net Income" shown in the break-even analysis in Chart 4 is \$0 as this Chart is intended to show a break-even scenario. The average Net Income for our Chart 4 subset of Stores, which includes officer/guaranteed payments and automotive and meals and entertainment expenses but does not include depreciation or amortization, is \$85,325.03 (the median is \$97,921). Net Income as a percentage of the Unit Sales average of our Chart 4 subset of Stores, which is the percentage used in the break-even analysis in Chart 4, is 11.56% (the median is 13.27%). The Net Income is calculated by taking Gross Income and subtracting Operating Expenses as an average percentage and then Other Income (Expenses) as an average percentage. 57 of the 71 Stores in the subset group (80.28%) met or exceeded this average Gross Profit percentage
 - 9. In arriving at the number of cups sold per day to break-even, we have assumed Unit Sales per cup of \$5.96. This figure is not an average of the Chart 4 subset of Stores but is an average of the Chart 1 and Chart 2 subset of Stores.
 - 10. The Gross Margin percentage is calculated by taking Unit Sales and subtracting Cost of Goods Sold as an average percentage.

11. The Labor percentage includes both fixed and variable labor costs and is calculated by dividing labor costs by Unit Sales. Some Stores' labor costs include a manager's salary while other Stores do not because the franchisee acts as the manager and may not take a salary.

Caution

Some franchises have sold this amount. Your individual results may differ. There is no assurance that you will sell as much.

We recommend that you make your own independent investigation to determine whether or not the franchise may be profitable to you. We suggest strongly that you consult your financial advisor or personal accountant concerning financial projections and federal, state and

local income taxes and any other applicable taxes that you may incur in operating a franchised Store.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income from an employee of Global Orange, you should report it to the franchisor's management by contacting Michael McFall, 2501 Coolidge Road, #302, East Lansing, Michigan 48823, 517-482-8145, the Federal Trade Commission, and the appropriate state regulatory agencies.

The information in the tables is as of December 31st of each year.

In response to the COVID 19 pandemic, we temporarily relaxed our required days and hours of operation so that our franchisees could reduce hours or close if they believed it was

necessary or advisable for the health and welfare of their owners and employees. As of the date of this Franchise Disclosure Document, there were still 3 BIGGBY COFFEE franchises that were temporarily closed as a result of the COVID 19 pandemic. These temporary closings are not reflected in the tables.

The names, addresses and telephone numbers of all BIGGBY® COFFEE franchises as of December 31, 2020, are listed on Exhibit K. A list of the name, city and state, and current business telephone number, or if unknown, the last known home telephone number of every franchisee who has had a franchise terminated, cancelled, not renewed or otherwise voluntarily or involuntarily ceased to do business under the Franchise Agreement during the calendar year 2020 or who has not communicated with us within ten weeks of our application date (or the date of this Franchise Disclosure Document, if this Franchise Disclosure Document is not for use in a state requiring registration of franchises) is attached as Exhibit L. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

We have not had franchisees sign confidentiality clauses within the last three fiscal years restricting their ability to speak openly about their experience with our franchise system.

There is a council composed of franchisees that advises us on advertising policies. The council is called the BIGGBY Franchise Advisory Council. The members are nominated by all franchisees and selected by us with a voting process for admittance based on nominations that we receive. The Franchise Advisory Council's role is advisory and the council has no operational or decision-making power. There is no separate address, telephone number, email address, or web address for the Franchise Advisory Council. Other than the Franchise Advisory Council, there are no trademark-specific franchisee organizations associated with our franchise system that have been created, sponsored or endorsed by us or that have asked to be included in our Franchise Disclosure Document.

GLOBAL ORANGE DEVELOPMENT, LLC

FRANCHISE AGREEMENT

THIS AGREEMENT is made this _____ day of _____, 20____, between GLOBAL ORANGE DEVELOPMENT, LLC, a Michigan limited liability company, (the "Company") and _____

("Franchise Owner").

SECTION 1 - Introduction

(A) Franchise System.

The Company franchises a system for operation of a neighborhood cafe with offerings that may include but are not limited to espresso based beverages, coffee, tea, other beverages, sandwiches, baked goods, other food, whole bean coffee, merchandise, and coffee accessories. The distinguishing characteristics of the system include tradenames, trademarks, training, operational procedures, promotional techniques and materials, signs, paper products, store design, equipment layouts, formulas and specifications for coffee and other products, methods of inventory and operation, and manuals covering business practices and policies. The system may be updated and revised by the Company. The system that the Company specifies and authorizes Franchise Owner to use from time to time will be referred to in this Agreement as the "System" or the "Franchise System." A business operated under the Franchise System will be referred to in this agreement as a "Store". The Store operated by Franchise Owner under this Agreement will be referred to in this Agreement as the "Business" or "Franchise Business."

(B) Trademarks.

The Company uses and has rights to certain names, trademarks and service marks, including the names, "BIGGBY® ", "BIGGBY® COFFEE" and the logo "Black B in an orange square" which are used to identify the Franchise System and Business. The Company or an affiliate of the Company may, in the future, license, develop and register additional or different logos, trademarks and service marks that it may make available for use by Franchise Owner. The trademarks and logos that the Company may authorize Franchise Owner to use from time to time will be referred to in this Agreement as the "Marks" or "Franchise Marks."

(C) Franchise Owner's Desire to Obtain a Franchise.

Franchise Owner recognizes the advantages of operating under the System and Marks and desires to obtain the right to operate a Franchise Business by entering into this Agreement with the Company.

SECTION 2 - Grant of Franchise

(A) Grant of Franchise.

The Company grants to Franchise Owner the nonexclusive right to use the Marks and the System in connection with the operation of a single Store in accordance with this Agreement and

the Company's Operations Manual (as defined in Section 8(B)). The Franchise Business must be operated at the location referred to in Section 7(A) ("Franchise Location").

(B) Limitations and Reservation of Rights.

Franchise Owner acknowledges and agrees that the rights granted in this Agreement relate only to the sale of products over-the-counter at the Franchise Location, and that no exclusive area or other territorial rights are granted to Franchise Owner. Franchise Owner will have no right to deliver products except that Franchise Owner may deliver immediately consumable products with the Company's prior written consent. Franchise Owner will also have no right to solicit or conduct business through the use of toll free telephone numbers, catalogs, direct mail, Electronic Media (defined in Section 6(A)), or other advertising or solicitation methods not involving only sales over-the-counter at the Franchise Location. All rights not expressly granted in this Agreement to Franchise Owner relating to the Franchise Marks and System are reserved to the Company, including (1) the right to operate and authorize others to operate businesses using the Franchise Marks and System, or any other trademarks or systems, at any location other than the Franchise Location; and (2) the right to use or authorize others to use the Franchise Marks and System, or any other trademarks or systems, in connection with any distribution method other than the operation of a Store at the Franchise Location, including the manufacture and sale of products at wholesale or retail, through the use of toll free telephone numbers, catalogs or direct mail, through Electronic Media, through distributors, at stores or through any other distribution channels.

SECTION 3 - Term and Option

(A) Term.

The term of this Agreement will begin on the date of this Agreement and continue for the period specified in Item 1 of Appendix A unless sooner terminated as provided in this Agreement. Unless otherwise stated in Item 1 of Appendix A, the initial term will continue for ten (10) years from the date of this Agreement. A different term may be stated in Item 1 of Appendix A to coordinate the term of this Agreement with the term of the lease or license for the Franchise Location or as otherwise agreed by the parties.

(B) Option of Franchise Owner.

Franchise Owner will have the option to continue to operate the Franchise Business after the term of this Agreement for an additional five (5) year period, if, at the beginning of the option period (or as otherwise specified), all of the following conditions are fulfilled:

(1) Franchise Owner is not in default of this Agreement or any other agreement between the parties and no affiliate of Franchise Owner is in default under any agreement between the affiliate and the Company. Franchise Owner must receive a written acknowledgment from each department head of the Company that Franchise Owner is in compliance with this Agreement and with all operating standards and specifications of the Company.

(2) Franchise Owner, during the twelve (12) month period before the beginning of the option period, has not received from the Company three or more notices of default of the material terms of this Agreement or any material specification, standard or operating procedure of the Company (whether such notices related to the same or different violations and whether these violations have been remedied by the Franchise Owner).

(3) Franchise Owner provides written notice of its intent to continue as a franchise owner not more than twelve (12) months and not less than six (6) months before the expiration of the current term.

(4) Franchise Owner must provide proof that Franchise Owner has the right to maintain possession of the Franchise Location for the entire option period or the Franchise Owner must obtain and develop, in compliance with the then applicable standards used in the granting of a franchise, a suitable alternative site for the Franchise Business before the beginning of the option period. Any alternative site must be acceptable to and approved in advance by the Company.

(5) Franchise Owner must refurbish, update, upgrade, construct and improve the Franchise Location and the equipment, fixtures and signs at the Franchise Location in compliance with the Company's then applicable specifications and standards, including but not limited to specifications for build-out, decor, signage, equipment, layout, space, awnings, umbrellas, etc. These actions must be completed at least 30 days before the beginning of the option period. Franchise Owner acknowledges that the Company may not uniformly impose these obligations on renewal of its franchises based on numerous factors and that Franchise Owner may be required to take steps that have not been required of other franchises.

(6) Franchise Owner signs and delivers to the Company, a copy of any new or extended lease for the Franchise Location not more than twelve (12) and not less than six (6) months before the beginning of the option period. The Company agrees to extend this time-frame on written notice by the Franchise Owner advising it of a delay on the part of the developer or landlord.

(7) The Franchise Owner, throughout the term of this Agreement, has satisfied all material reporting requirements and all monetary obligations to the Company and any affiliates of the Company, suppliers and creditors (excepting reasonable disputes which Franchise Owner is attempting in good faith to resolve) within the amount of time specified for satisfaction or cure of default with respect to such obligation.

(8) Franchise Owner has satisfied any additional training requirements for new or existing Franchise Owners.

(9) Franchise Owner has signed a general release, in a form specified by the Company, of any and all claims against the Company, its subsidiaries and affiliates, and their respective officers, directors, agents, members and employees.

(10) Franchise Owner must have signed and delivered to the Company, within thirty (30) days of receipt from the Company, the Company's standard franchise agreement in use by the Company at that time together with such other documents as are then customarily used by the Company to grant new franchises, all of which will replace this Agreement. The new standard franchise agreement signed by Franchise Owner may have material differences from this Agreement, including, without limitation, different or increased royalties, advertising or other fees.

(11) Franchise Owner must pay a renewal fee to exercise its option. The renewal fee will be equal to 10% of the standard initial franchise fee being charged by the Company to new franchisees at the time of renewal. This fee must be paid at the time the

new standard franchise agreement signed by Franchise Owner is delivered to the Company. If Franchise Owner does not sign the necessary documents and pay the renewal fee before expiration of the initial term of this Agreement, the Company may in its discretion, still allow Franchise Owner to comply with its obligations to renew for an additional period of 90 days; however, in that event the renewal fee will be equal to 10% of the initial franchise fee being charged by the Company at the time of renewal plus an additional \$5,000. After the 90 day grace period, Franchise Owner's option will expire.

(12) The Company has approved the renewal. If all of the other conditions in this Section are met, the Company will not withhold approval of renewal without good cause.

Failure or refusal by the Franchise Owner to execute the franchise agreement and other documents or pay the renewal fee within thirty (30) days after delivery of the franchise agreement and other documents to Franchise Owner, when the Company approves renewal of the franchise, will be deemed an election by the Franchise Owner not to renew the franchise. If Franchise Owner does not elect to renew its franchise relationship, does not qualify for renewal or does not comply with the requirements for renewal specified above, the franchise relationship between the Company and Franchise Owner will automatically terminate on completion of the term set forth in this Agreement.

SECTION 4 - Fees, Reports, Access, Audit, Security Interest

(A) Initial Franchise Fee.

Franchise Owner must pay an initial franchise fee in the amount of \$20,000. Franchise Owner will pay a reduced initial franchise fee of \$10,000 if Franchise Owner is an active or honorably discharged military service member. Franchise Owner will pay a reduced initial franchise fee of \$10,000 if Franchise Owner already owns one or more other Stores (but less than ten Stores) at the time of signing of this Agreement. Franchise Owner will pay a reduced initial franchise fee of \$5,000 if Franchise Owner already owns ten or more other Stores at the time of signing of this Agreement. These reduced fees for veterans and existing owners are the current policy of the Company, are subject to change, and do not apply to future franchises purchased by Franchise Owner. The initial franchise fee is payable in full at the time of signing of this Agreement. The initial franchise fee is earned at the time of payment and is not refundable under any circumstances. The appropriate initial franchise fee payable under this Agreement is set forth in Item 2 on Appendix A.

(B) Royalty.

Franchise Owner must pay the Company a royalty of 6% of Gross Sales (defined below). For each day of operation of the Franchise Business, Gross Sales must be reported and royalties must be paid on those Gross Sales by the next business day in the manner specified in Section 4(H).

For purposes of this Agreement, "Gross Sales" means the entire amount of all of the Franchise Owner's revenues from the ownership or operation of the Franchise Business or any business at or about the Franchise Location, including but not limited to, sales at co-brand locations, satellite locations, complementary locations, and other off-premises sales, the proceeds of any business interruption insurance, and any revenues received from the lease or sublease of a portion of the Franchise Location, whether the revenues are evidenced by cash, credit, checks, gift certificates, electronic payment, digital currency, food stamps, coupons and premiums (unless exempted by the Company), services, property or other means of exchange, reduced by: (a) the

amount of any sales taxes that are collected and paid to the taxing authority; (b) discounts given to customers if the non-discounted price is included in the revenues; and (c) cash refunded and credit given to customers and receivables uncollectible from customers if the cash, credit or receivables are or were included in revenues. Revenues are deemed received by the Franchise Owner at the time the goods, products, merchandise, or services from which they derive are delivered or rendered or at the time the relevant sale takes place, whichever occurs first. Revenues consisting of property or services (for example, "bartering" or "trade outs") are valued at the prices applicable to the products or services exchanged for those revenues at the time those revenues are received. Gross Sales and any exclusions from Gross Sales may be further defined in the Operations Manual.

(C) Advertising Fund Contributions.

Franchise Owner must pay the Company, as a contribution to a general advertising fund, an amount equal to the greater of: (1) \$100.00 per week; or (2) an amount specified by the Company, not to exceed 3% of Gross Sales. The Company may change the specification of the amount of the advertising fund contribution (not to exceed 3% of Gross Sales) on 30 days written notice to Franchise Owner. Advertising fund contributions must be paid in manner specified in Section 4(H). The advertising fund contributions will be used by the Company as described in Section 9(B). See Section 9 below for other obligations of Franchise Owner relating to advertising.

(D) Technology Services Fees.

Franchise Owner must pay the Company a technology services fee in an amount that may be established by the Company and revised from time to time by the Company, which will not exceed \$500 per month for each Store. The technology services fees must be paid in the manner specified in Section 4(H) by the 10th day of each month (or at such other times as may be specified by the Company). The technology services fees may be used by the Company for: expenses relating to development and maintenance of business software; license, renewal and maintenance fees for proprietary and/or third-party software; to cover expenses relating to maintaining and servicing centralized email and data warehousing systems; and other expenses relating to technology used in the Franchise System. The technology services fees are not refundable. Although Franchise Owner may pay a technology services fee to the Company, Franchise Owner will still be responsible for license fees and the expense of maintenance and updates, including service contracts, relating to point of sale ("POS") computer system software and other technology used in the Franchise Business. Franchise Owner acknowledges that the Company or its affiliates may be a Designated or Approved Supplier of POS and computer systems and other technology and maintenance and update services for the POS and computer systems and other technology used in the Franchise Business.

(E) Annual Conference Fees.

Franchise Owner must pay a registration fee for each annual franchise owner conference scheduled by the Company. The fee will be in an amount specified by the Company each year but will not exceed \$1,000 per person per year. Franchise Owner must pay the annual registration fee for each person who will attend the conference within 30 days of notice from the Company of the annual conference. Franchise Owner must pay a minimum of one fee for each conference, whether or not a representative of Franchise Owner actually attends the conference. The annual conference fees are not refundable.

(F) Payment of Other Amounts Owed to the Company.

Franchise Owner must pay the Company and/or its affiliates all additional amounts owed to the Company and/or its affiliates on a timely basis, including, but not limited to amounts owed for

goods and services provided by the Company or its affiliates, amounts owed as a result of E-card reconciliations, or other miscellaneous amounts owed to the Company. Those amounts must be paid by the due date specified by the Company. Payments not paid when due will be subject to late charges and interest in the amounts specified in Section 4(G) below or as otherwise specified in the invoice.

(G) Due Date of Payments; Late Charge and NSF Fees; Interest.

Although the Company may, as a courtesy to Franchise Owner, invoice Franchise Owner for royalty, advertising, technology services fees and other amounts due on a periodic basis, Franchise Owner must make those payments by the due dates stated in this Agreement or elsewhere, whether or not Franchise Owner receives an invoice from the Company before those payments are due. Franchise Owner must pay to the Company, on demand, a late charge of \$25 for payments not paid to the Company by the due date. In addition, Franchise Owner must pay on demand a fee equal to any charges the Company may incur as a result of checks or debits returned to the Company for non-sufficient funds or other similar reasons, but not less than \$30.00 for each item returned. Also, Franchise Owner must pay to the Company, on demand, interest on all overdue payments from the date the payment was due until paid equal to the lesser of (i) 1 1/2 percent per month or (ii) the maximum rate of interest permitted by law. The assessment of late charges or interest will not be the sole remedies of the Company in such circumstances.

(H) Manner and Timing of Payment.

Franchise Owner's payments to the Company for royalty, advertising fund contributions, technology services fees, special campaigns, annual conference fees, training, renewal and transfer fees, late charges, NSF fees, and interest, amounts owed for products or services provided by the Company, Franchise Owner's share of the cost of a Cyber Liability Insurance Policy, operational standards fees, and all other amounts owed by Franchise Owner to the Company or its affiliates must be made by electronic or similar funds transfer or other method designated by the Company. Franchise Owner acknowledges that the Company may specify payment by electronic fund transfers initiated by the Company. Franchise Owner must install, at its expense, and use pre-authorized payment and computerized point of sales systems, credit verification systems, automatic payment systems, electronic funds transfer systems, or automatic banking systems as the Company may specify. These requirements may be specified by the Company to fulfill any business purposes reasonably related to the operation of the Franchise Business and the Franchise System and to allow the Company to access reports of Gross Sales and other information and to initiate electronic or other transfers of all payments Franchise Owner is required to make to the Company. Franchise Owner also agrees that, if specified by the Company, all required payments to the Company must be made daily, weekly, monthly, or another interval, instead of as otherwise provided in this Agreement.

(I) No Setoff.

Franchise Owner's obligations for the full and timely payment of the fees described in this Agreement are absolute and unconditional. Franchise Owner must not delay or withhold the payment of all or part of those fees based on the alleged non-performance by the Company or for any other reason or put the fees in escrow or setoff against any claims Franchise Owner may allege against the Company.

(J) POS Systems; Access to and Use of Information.

Franchise Owner must acquire the point of sale, business management, and other computer systems the Company specifies for use in the operation of the Franchise Business, which may include computer hardware, software, web-based systems, licenses to use

proprietary software or systems, etc. (the "POS Systems"). The Company may develop POS Systems and specifications for certain components of the POS Systems in the future and may modify such specifications and the components of the POS Systems from time to time. As part of the POS Systems, the Company may require Franchise Owner to obtain specified computer hardware and software including, without limitation, a license to use proprietary software developed by the Company or others. The Company may also require Franchise Owner to obtain maintenance and support services for the POS Systems from a Designated Supplier (which may be the Company or an affiliate of the Company) and to pay the charges for those maintenance and support services. Modification of the specifications for the components of the POS Systems may require Franchise Owner to incur costs to purchase, lease or license new or modified computer hardware and software and to obtain service and support for the POS Systems during the term of this Agreement.

Franchise Owner acknowledges that the Company cannot estimate the future costs of the POS Systems (or additions, modifications, maintenance or support) and that the cost to Franchise Owner to obtain the POS Systems (including software, licenses or additions, modifications, maintenance or support) may not be fully amortizable over the remaining term of this Agreement. Within sixty (60) days after Franchise Owner receives notice from the Company, Franchise Owner agrees to obtain the components of the POS Systems that the Company specifies.

Franchise Owner further acknowledges and agrees that the Company has the right to charge reasonable fees for the license, additional modification of proprietary software that is licensed to Franchise Owner, modifications to the system used by Franchise Owner to reflect configurations requested by Franchise Owner and other services that the Company or its affiliates may furnish to Franchise Owner related to the POS Systems.

The Company will have independent access to the sales and expense information produced by the POS Systems specified by the Company and there are no contractual limitations on the Company's right to access that information. The Company may retrieve, analyze, download and use the software and all data on the Franchise Owner's POS Systems at any time. The Company may install software on Franchise Owner's POS Systems and configure Franchise Owner's POS Systems as necessary to allow the Company to retrieve information and data from the POS Systems.

(K) Reports and Financial Information.

If requested by the Company, Franchise Owner must submit to the Company on the forms, in the format, and in the manner specified by the Company:

(1) On a daily basis, Franchise Owner must input into the POS Systems all sales, revenue, product orders and purchases, waste, and other expense information specified by the Company.

(2) Within seven (7) days of the end of each calendar month, a report by product category of the sales of the Franchise Business and such other information and supporting records as the Company specifies, based on POS Systems settings required by the Company. The Company reserves the right to request the information required by this subsection on a weekly or daily basis on reasonable notice to the Franchise Owner.

(3) Within ten (10) days of the end of each calendar month, an inventory of the Franchise Business by product category specified by the Company.

(4) Within thirty (30) days of the end of each calendar month, unaudited statements of profit and loss and a balance sheet of the Franchise Business for the preceding calendar month prepared by a certified accountant or using bookkeeping software approved by the Company.

(5) Within ninety (90) days of the end of each fiscal year of the Franchise Business, annual statements of profit and loss and financial condition of the store, including a balance sheet prepared or compiled by a certified public accountant. These statements need not be audited.

(6) Within one hundred and twenty (120) days of the end of each fiscal year of the Franchise Business, exact copies of the federal and state income tax returns and state sales tax or equivalent tax returns of the Franchise Business for the preceding fiscal year.

(7) Such other reports or financial statements as otherwise provided in this Agreement or as the Company may reasonably specify from time to time.

The manner of reporting may include electronic transmission or uploading information to the POS Systems that can be accessed by the Company or that automatically transmits information to the Company.

For a period of at least one year after Franchise Owner begins operation of the Franchise Business, Franchise Owner must use an accountant that is a Designated Supplier (see Section 8(D)) to prepare the financial statements and tax returns for Franchise Owner.

The Company may require Franchise Owner to obtain, at the Franchise Owner's expense, and submit to the Company, within ninety (90) days after Company's request, an audited statement of profit and loss and financial condition of the Franchise Business and personal tax returns for any fiscal year if the Company reasonably believes that the Franchise Owner has submitted sales reports, unaudited profit and loss statements or tax returns containing material inaccuracies or if Franchise Owner is delinquent in its obligations to the Company.

The financial records of the Franchise Owner may be disclosed by the Company in future Offering Circulars without specifically identifying the individual Store for which a particular Franchise Owner's financial records relate, and to the Company's actual and potential lenders.

(L) Records of Operation.

Franchise Owner must maintain, retain and preserve all invoices, order forms, time cards, payroll records, POS Systems tapes or records, check stubs, bank deposit receipts, sales tax records and returns, cash disbursements, journals and general ledgers, electronic records, and any other records relating to the operation of the Franchise Business. Franchise Owner must keep these records for the greater of: seven (7) years; or (b) the time period specified by applicable law. Franchise Owner's obligation under this Section to maintain its records will continue for a period of three (3) years after the term of this Agreement. After the term of this Agreement, Franchise Owner must keep its records at a reasonably accessible location of which the Company must be kept advised unless the Company gives written permission to dispose of the records. Franchise Owner must use the charts of accounts, bookkeeping and record keeping forms, stationary, business cards, sales slips, purchase order forms, reprints and other miscellaneous forms that the Company specifies in the Operations Manual or otherwise in writing. Franchise Owner's POS

Systems must be set according to the Company's specifications in the Operations Manual or as otherwise approved in writing. The Company may require that such records be maintained and submitted daily over the internet in an electronic format designated by the Company or otherwise in a format and by a transmission method designated by the Company.

(M) Customer Information.

On request from the Company, Franchise Owner must provide the Company with complete customer information, including names, addresses, email addresses, phone numbers, LinkedIn, Facebook, Twitter and other social media addresses, other contact information and other information specified by the Company ("Customer Information"). The Customer Information must be provided in the manner and format specified by the Company, which may include written or electronic copies delivered by email, courier or regular mail or the Company remotely accessing the information on Franchise Owner's POS Systems. Franchise Owner agrees that the Company may also access and obtain the Customer Information from Franchise Owner's records (including computer records) and from software and other service providers that can provide access to that information. The Customer Information will be the property of the Company and the Company will have the right to use the Customer Information for the Company's business purposes. The Company will have the right to contact and survey customers of the Franchise Business in order to acquire additional Customer Information, to promote the BIGGBY brand, and to determine whether Franchise Owner is complying with this Agreement and all applicable specifications and quality standards. The Company and Franchise Owner acknowledge and agree that the supply or exchange of Customer Information to the Company is not a sale of that information, but is in the nature of one party acting as a service provider to the other party.

(N) Inspection by the Company; Shopping Service.

To determine whether Franchise Owner is complying with this Agreement, and/or to determine whether Franchise Owner is complying with all applicable specifications and quality standards in connection with Franchise Owner's use of the Franchise Marks and Franchise System, the Company or its designated agents have the right, at any reasonable time and without prior notice, to: (a) inspect the Franchise Business; (b) confer with Franchise Owner and its employees; (c) inspect equipment, signage, fixtures, furniture and operating methods of Franchise Owner; and (d) survey customers at the Franchise Business. The Company may require that Franchise Owner furnish its customers with an evaluation form specified by the Company pre-addressed to the Company. Franchise Owner must fully cooperate with representatives of the Company making any inspection or observing the work of Franchise Owner or its employees and must permit photographs and videotapes of the Franchise Business and access to employees and records as the Company deems appropriate.

The Company reserves the right, from time to time, to itself or through a designee or through a third party shopping service to evaluate the operation and quality of the Franchise Business, including such things as customer service, cleanliness, merchandising, franchise compliance and proper use of the POS Systems. The Company may use such service evaluations to inspect the Franchise Business at any time at the Company's expense, without prior notification to Franchise Owner. The Company may make the results of any such service evaluation available to the Franchise Owner, at the Company's sole discretion.

Without in any way limiting the Company's rights under this Agreement, Franchise Owner must take such steps as may be necessary to immediately correct any deficiencies detected during any inspection by the Company. If Franchise Owner fails to make these corrections within a

reasonable period of time, the Company will have the right, but not the obligation, to correct any deficiencies that may be susceptible of correction, including removal from the premises of any non-conforming products, fixtures, furnishings, equipment, supplies, advertising or promotional materials and signs, and to charge Franchise Owner a reasonable fee for any expenses incurred by the Company.

Franchise Owner understands that violations of this Agreement or the Company's specifications observed in any inspection or other evaluation may result in operational standards fees being charged to Franchise Owner under Section 4(Q).

(O) Access to Records and Audit by the Company.

The Company or its designated representatives have the right at all reasonable times to examine and copy the books, records and tax returns of Franchise Owner. The Company will also have the right, on five days written notice, to have an independent audit made of the books of Franchise Owner. If any audit discloses an understatement of the Gross Sales of the Franchise Business for any period or periods, the Franchise Owner must pay to the Company immediately, on receipt of the audit report, the royalty plus any required advertising fund contributions applicable to the amount of the understatement plus late charges and interest.

Any audit and inspection will be conducted at the expense of the Company. However, if an audit is made necessary by the Franchise Owner's failure to furnish reports, financial statements, or tax returns, or discloses an understatement of 3% or more of the Gross Sales of the Franchise Business for a period or periods, or if the Company is required to make more than one (1) inspection within a twelve (12) month period because of the Franchise Owner's failure to comply with this Agreement, then the Company has the right to charge the Franchise Owner the costs of the audit or inspection, including, without limitation, any travel expenses, meals, lodging and compensation of the Company's employees or agents and reasonable accounting and attorney's fees.

Franchise Owner acknowledges that nothing contained in this Section constitutes the Company's agreement to accept any payments after they are due or a commitment by the Company to extend credit to or otherwise finance Franchise Owner's operation of the Franchise Business. The payment of the Company's expenses and/or the assessment of late charges or interest are not the sole remedies of the Company in those circumstances and this Agreement may be subject to termination under Section 14.

(P) Credit Reports and Background Checks.

Franchise Owner hereby authorizes the Company to obtain the credit reports and/or to perform background checks of Franchise Owner and the Principals of Franchise Owner at any time during the term of this Agreement and within one year after expiration or termination of this Agreement. Franchise Owner and its Principals agree to cooperate and to sign any additional authorizations that may be necessary to enable the Company to obtain the credit reports and/or to perform the background checks.

(Q) Operational Standards Fee.

The Company may assess an operational standards fee in an amount up to \$500 per occurrence if Franchise Owner violates any of its obligations under this Agreement, including any failure to operate in accordance with policies and standards in the Operations Manual or otherwise issued by the Company. Franchisee must pay the Operational standards fee in the manner specified in Section 4(H) within seven days of receipt of notice from the Company. The

operational standards fee will apply for each notice sent to Franchise Owner, even if the failure involves the same provision of this Agreement for which Franchise Owner previously received a notice or is a continuing failure for which Franchise Owner previously received a notice. The operational standards fee is intended to cover the Company's expenses and damages suffered as a result of Franchise Owner's violations. Those expenses and damages include the Company's additional administrative expenses and damages arising from loss of uniformity, quality, reputation, or good will in the Franchise System. Franchise Owner agrees that the assessment of operational standards fees is reasonable. Franchise Owner also acknowledges and agrees that the actual expenses and damages that would be sustained by the Company for the designated violations are incapable of calculation at the time of execution of this Agreement and that the operational standards fees are a reasonable estimation of those expenses and damages. Assessment of an operational standards fee will not be the sole remedy of the Company for any failure by Franchise Owner and the Company reserves all other rights and remedies, including rights and remedies specified in Sections 14 and 15 of this Agreement.

(R) Security Interest.

Franchise Owner grants to the Company a continuing security interest in all the assets of Franchise Owner and the Franchise Business, including: all personal and fixture property of every kind and nature including without limitation all goods (including modular units, inventory, equipment and any accessions thereto), instruments (including promissory notes), documents, accounts (including health-care-insurance receivables), chattel paper (whether tangible or electronic), deposit accounts, letter-of-credit rights (whether or not the letter of credit is evidenced by a writing), commercial tort claims, securities and all other investment property, supporting obligations, any other contract rights or rights to payment of money, insurance claims and proceeds, tort claims, and all general intangibles (including all payment intangibles) now or hereafter owned by Franchise Owner, and all proceeds and products arising from the sale, exchange or other disposition of any or all of the aforesaid types of properties, whether cash or non cash in nature (all such property referred to as the "Collateral").

This security interest is granted to secure payment of all indebtedness of Franchise Owner and any affiliate of Franchise Owner owed to the Company or any affiliate of the Company, whether now existing or arising in the future, absolute or contingent, due or to become due, including, but not limited to all costs and expenses incurred in the collection of any of Franchise Owner's indebtedness to the Company ("Indebtedness"). This security interest must be a first priority security interest in the Collateral unless Franchise Owner requests and the Company agrees in writing to subordinate the security interest to a purchase money security interest Franchise Owner desires to grant to a lender in connection with the initial development of the Franchise Business.

Franchise Owner irrevocably authorizes the Company at any time and from time to time to file in any Uniform Commercial Code jurisdiction any initial financing statements and amendments thereto that (a) indicate the Collateral (i) as all assets of Franchise Owner or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the Uniform Commercial Code of an applicable state or such jurisdiction, or (ii) as being of an equal or lesser scope or with greater detail, and (b) contain any other information required by part 5 of Article 9 of the Uniform Commercial Code of the applicable state for the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether Franchise Owner is an organization, the type of organization and any organization identification number issued to Franchise Owner, and (ii) in the case of a financing statement filed as a fixture filing, a sufficient description of real property to which the

Collateral relates. Franchise Owner agrees to furnish any such information to the Company on request.

(H) Operational Assistance.

A representative of the Company will visit the Franchise Business during the first two months after opening and will periodically visit the Franchise Business after that at such intervals deemed appropriate by the Company throughout the remaining term of this Agreement. During these visits, the representative will evaluate Franchise Owner's operations and provide any operational advice and assistance deemed necessary by the representative. The Company will also provide reasonable operational advice and assistance to Franchise Owner by email, the

Company's on-line Franchise Resource Center or other internet resources or telephone, including advice on specific services or products, if requested by Franchise Owner.

See Section 9.

(K) Indemnification for Trademark Actions.

The Company will indemnify Franchise Owner for certain liabilities arising from use of the Franchise Marks as provided in Section 6(D).

(L) Services May be Provided by Area Representative.

If the Company has engaged an area representative or other contractor for the area in which the Franchise Business is located, the area representative or other contractor may perform some of the obligations described above that would otherwise be performed by the Company, including on-site assistance and operations support.

SECTION 6 - Use and Protection of Marks

(A) Non-ownership of Franchise Marks.

Nothing in this Agreement gives Franchise Owner any right, title or interest in or to any of the Franchise Marks, except a mere privilege and license during the term of this Agreement, to display and use the Franchise Marks according to the terms and conditions of this Agreement and the Operations Manual.

(B) Use of Franchise Marks.

Franchise Owner must use the Marks only in connection with the operation of the Franchise Business pursuant to the System and only in the manner specified in this Agreement and the Operations Manual. The Franchise Business must be operated under the Marks and under no other name or mark. Franchise Owner must not use the Marks in connection with any products or services not specifically authorized by the Company in writing. Franchise Owner must not reproduce or cause to be reproduced any Marks in any manner, including production on forms or invoices, in connection with advertising, marketing or promotion, or in connection with any Electronic Media, without the prior written approval of the Company. For purposes of this Agreement "Electronic Media" includes the Internet, email addresses, Internet domain names, homepages, electronic addresses, websites, social networks, mobile phone applications, tablet and other computer applications, wikis, podcasts, online forums, content sharing communities, blogging, or other social media (including but not limited to LinkedIn, Facebook, Twitter, YouTube). Franchise Owner must not use the Marks in its business, corporate or partnership name. However, Franchise Owner must register to do business under the assumed business name of "BIGGBY® COFFEE Store #___" (for example: "BIGGBY® COFFEE Store #001").

On expiration or termination of this Agreement, the Company may, if Franchise Owner does not do so, sign in Franchise Owner's name and on Franchise Owner's behalf, any documents necessary in the Company's judgment to end and cause discontinuance of Franchise Owner's use of the Franchise Marks and the Company is irrevocably appointed and designated as Franchise Owner's attorney-in-fact for that purpose.

(C) Use of Other Trademarks.

Franchise Owner must not display the trademark, service mark, trade name, insignia or logotype of any other person, firm or corporation in connection with the operation of the Franchise Business without the prior written consent of the Company, which may be withheld at the Company's sole subjective discretion.

(D) Defense of Franchise Marks.

If Franchise Owner receives notice, or is informed, of any claim, suit or demand against Franchise Owner on account of any alleged infringement, unfair competition, or similar matter relating to Franchise Owner's use of the Franchise Marks, Franchise Owner must promptly notify the Company of any such claim, suit or demand. The Company will then take such action as the Company deems necessary and appropriate to protect and defend Franchise Owner against such claim by any third party. Franchise Owner must not settle or compromise any such claim by a third party without the prior written consent of the Company. The Company will have the sole right to defend, compromise or settle any such claim, at its discretion, using attorneys of its choosing, and Franchise Owner agrees to cooperate fully with the Company in connection with the defense of any such claim. Franchise Owner may participate at its own expense in such defense or settlement, but the Company's decisions with regard to the Franchise Marks will be final.

The Company will indemnify Franchise Owner against liability to third parties resulting from claims by third parties that Franchise Owner's use of the Franchise Marks infringes trademark rights of the third party, but only if (1) Franchise Owner has used the Franchise Marks in accordance with the requirements of this Agreement and the Company's specifications and (2) Franchise Owner has given notice to the Company of the claim within 10 days of receipt by Franchise Owner of the claim and Franchise Owner has tendered the defense of the claim to the Company.

(E) Prosecution of Infringers.

If Franchise Owner receives notice or is informed or learns that any third party, who Franchise Owner believes is unauthorized to use the Franchise Marks, is using the Franchise Marks or any name or mark confusingly similar to the Franchise Marks, Franchise Owner must promptly notify the Company of the facts relating to such alleged infringing use. The Company will then, at its sole discretion, determine whether or not it wishes to take any action against such third person on account of such alleged infringement of the Franchise Marks. Franchise Owner will have no right to make any demand against any such alleged infringer or to prosecute any claim of any kind or nature whatsoever against such alleged infringer for or on account of such infringement. If the Company chooses to prosecute any violation of the Franchise Marks, Franchise Owner must sign all documents and do all acts necessary or incidental to that action as counsel for the Company may reasonably request. Any damages awarded or recovered in any prosecution of an infringement claim related to the Franchise Marks will be the exclusive property of the Company.

(F) Modification or Substitution of Marks.

The Company may change the authorization to use the Marks contained in this Agreement, including adding, discontinuing or modifying Marks, or substituting different Marks, by issuing, in a written notice, a description of the changes and the goods or services to which they relate. Franchise Owner is required to use and abide by these changes or substitutions. The Company may make the changes because of the rejection of any pending registrations or the revocation of any existing registrations of the Marks, or due to the rights of senior users, or for other business reasons, except the Company must make all such changes in the authorized Marks on a uniform basis for all similarly situated Stores in a particular market.

(G) Prohibition Against Disputing the Company's Rights.

Franchise Owner acknowledges the validity of the Franchise Marks and that the Franchise Marks and any and all goodwill in and to the Franchise Marks are the exclusive property of the Company. Franchise Owner also agrees that any further rights or goodwill that may develop in any of the Franchise Marks in the future will inure solely to the benefit of the Company, including, without limitation, any goodwill caused by or attributable to Franchise Owner's use of the Franchise Marks. Franchise Owner now asserts no claim and will hereafter assert no claim to any goodwill, reputation or ownership of the Franchise Marks by virtue of Franchise Owner's licensed use of the Franchise Marks or for any other reason. Franchise Owner agrees that it will not, during or after the term of this Agreement, in any way dispute or impugn the validity of the Franchise Marks, or the rights of the Company in the Franchise Marks, or the rights of the Company or other Franchise Owners of the Company to use the Franchise Marks.

SECTION 7 - Business Location, Lease and other Pre-Opening Obligations

(A) Location Selection and Approval.

The location for the Franchise Business must be approved in advance in writing by the Company. Franchise Owner must always operate its Franchise Business only at a location approved in writing by the Company (the location approved in writing by the Company is referred to in this Agreement as the "Franchise Location"). Franchise Owner must use its best efforts to find a suitable location for the Franchise Business within the area designated in Item 3 of Appendix A. Franchise Owner must submit to the Company, in a form acceptable to the Company, a description of the proposed location, evidence confirming the Franchise Owner's prospects for obtaining the location, demographic information, economic terms, use clause and any other materials the Company specifies before the Company will consider approving the Franchise Location. Once the physical address of the Franchise Location is determined and approved, the Company will insert the address in Item 4 of Appendix A.

It is Franchise Owner's sole responsibility to find a suitable location for the Franchise Business and to evaluate the commercial value of the Franchise Location for operation of the Franchise Business. The Company's location assistance, recommendations and/or its approval of the Franchise Location do not constitute a representation or guaranty of the commercial value, profitability or success of the Franchise Location or the Franchise Business. The Company will not be responsible or liable to Franchise Owner for any claims relating to selection of the Franchise Location and Franchise Owner waives and releases the Company from any such claims.

Franchise Owner must select a location for the Franchise Location that is approved by the Company and acquire that location in compliance with Section 7(B) within twelve months of the date of this Agreement. If Franchise Owner does not comply with these obligations to acquire an approved location for the Franchise Location within 12 months of the date of this Agreement, this

Agreement may be terminated by the Company. However, if Franchise Owner will not have complied with these obligations to acquire an approved location for the Franchise Location within twelve months after signing this Agreement, Franchise Owner may obtain a six-month extension of the deadline. In order to obtain the extension, Franchise Owner must, no later than 30 days before the end of the twelve month period after signing this Agreement: (1) notify the Company in writing that it intends to extend the deadline; and (2) pay a nonrefundable fee of \$5,000 for the extension. Franchise Owner may not obtain more than one six-month extension of this deadline.

Franchise Owner is prohibited from changing the Franchise Location without the prior written consent of the Company. If a lease or sublease for the Franchise Location expires or terminates without Franchise Owner's fault before the end of the term of this Agreement or if the location is condemned, destroyed or rendered unusable or Franchise Owner has other reasonable business reasons to relocate, Franchise Owner may request that the Company consent to the relocation of the Franchise Location. The Company will not consent to a change of location unless the Company determines that there are reasonable business reasons for the change and that Franchise Owner will be able to viably operate the Franchise Business at the new location. If these conditions for the Company's consent are met and Franchise Owner has selected a location for the Franchise Location that is approved by the Company and acquired that location in compliance with Section 7(B), the Company will not unreasonably withhold consent to the relocation of the Franchise Location. Any relocation will be at Franchise Owner's sole expense. The Company will not be required to consent to a new location if the Company believes the new location will encroach on the location of another Store. Franchise Owner must open for business at the new location within 90 days from the date of closing of the former location. If the Franchise Location becomes unusable for the Franchise Business through no fault of Franchise Owner and Franchise Owner is not able to open at a new location within the 90 day period, this Agreement will terminate on conclusion of operation of the Franchise Business at the Franchise Location.

(B) Lease, Land License or Purchase of Franchise Location.

Franchise Owner must not acquire the Franchise Location until the location has been approved by the Company under Section 7(A). Franchise Owner must acquire the Franchise Location by executing a lease or land license for the Franchise Location or a binding agreement to purchase the Franchise Location, the terms of which have been approved by the Company in writing, within the time period specified in Section 7(A). For purposes of this Agreement, references to a "lease" will include a land license, if applicable. If Franchise Owner leases the Franchise Location from a third-party or a person affiliated with Franchise Owner, the Company's approval of the lease may be conditioned on inclusion of provisions in the lease acceptable to the Company, including the provisions included in the form of Addendum to Lease attached to this Agreement as Appendix G (except to the extent the Company agrees to waive any of the provisions) and other provisions reasonably specified by the Company. If Franchise Owner purchases the Franchise Location, Franchise Owner must enter into an agreement with the Company that will give the Company the same rights that the Company has under the Addendum to Lease to enforce its rights and Franchise Owner's duties under this Agreement against the property, including but not limited to the right to lease the property under Section 15(B). Except in accordance with this Agreement, Franchise Owner must not assign its lease or let or sublet or sell the Franchise Location or any portion of the Franchise Location without the prior written consent of the Company. Although the Company has the right to review, comment on, and approve Franchise Owner's lease or purchase agreement for the Franchise Location, Franchise Owner acknowledges that the Company will not evaluate or be responsible for the commercial reasonableness or suitability of the lease or purchase agreement and that Franchise Owner has those responsibilities.

(C) Development of Store.

Franchise Owner must fully develop the Franchise Business in accordance with the Company's specifications. Franchise Owner must construct and/or improve the Franchise Location in compliance with the Company's specifications, including but not limited to specifications for build-out, decor, signage, equipment layout, space, awnings, umbrellas, etc. Also, the Company must approve all drawings, plans and specifications relating to the design, construction and/or improvement of the Franchise Location. Franchise Owner must complete development of the Franchise Location and purchase and install all equipment, fixtures, signs and supplies specified by the Company at the Franchise Location before opening the Franchise Business. The Company will have the right to inspect and approve the construction before Franchise Owner opens the Franchise Business to make sure the Company's specifications have been followed. If, in the opinion of the Company, the Company's specifications have not been followed, Franchise Owner must resolve any issues to the satisfaction of the Company before opening the Franchise Business.

Franchise Owner must report to the Company, no later than 30 days after Franchise Owner begins operation of the Franchise Business, a complete listing of costs and expenses incurred by Franchise Owner in the development of its Store, including a breakdown by categories specified by the Company. Also, Franchise must share this information with the Company, as requested by the Company, throughout the process of developing the Store.

Although the Company has the right to review and comment on and must approve all drawings, plans and specifications relating to the design, construction, and/or improvement of the Franchise Location, the Company is only acting to ensure compliance with the Company's specifications. Franchise Owner acknowledges that the Company will not evaluate or be responsible for compliance with governmental requirements, legal requirements or adequacy of design and engineering relating to the design and construction and/or improvement of the Franchise Location and that Franchise Owner is solely responsible for those matters.

(D) Completion of Training.

Franchise Owner must successfully complete the training programs specified by the Company, to the satisfaction of the Company, before beginning operation of the Franchise Business. The Company must acknowledge in writing that Franchise Owner has successfully completed the training programs before Franchise Owner opens the Franchise Business.

(E) Employees.

Franchise Owner must hire and train sufficient employees for the Franchise Business to comply with the Franchise System.

(F) Telephone Numbers; Internet Access; E-Mail Address.

Franchise Owner must acquire and maintain up to three telephone lines dedicated solely to the Franchise Business. The Company may, at its option, obtain and register in its name, the telephone lines and numbers to be used at the Franchise Business. Franchise Owner must pay all costs and charges for the installation, maintenance and use of the telephone lines and numbers, even if those numbers are obtained and registered in the name of the Company. Franchise Owner must acquire and maintain a high-speed and fixed-based internet connection with speeds at least equal to the average internet speed in the United States, for communication with the Company and access to on-line materials and so the Company may access Franchise Owner's POS Systems remotely 24 hours a day and seven days a week. Franchise Owner must also acquire and maintain an e-mail address so that the Company and Franchise Owner may communicate by e-

mail. If specified by the Company, Franchise Owner must participate in the centralized email system maintained by the Company. Franchise Owner acknowledges and agrees that the Company will have access to and may monitor all of Franchise Owner's correspondence by e-mail.

(G) Approval of Grand Opening Advertising Program.

The Company's Marketing Department must approve Franchise Owner's grand opening advertising plan before Franchise Owner opens the Franchise Business. See Section 9(A).

(H) Opening of Franchise Business.

The Franchise Business must be fully developed in accordance with the Company's specifications and all other conditions to opening specified in this Agreement or otherwise by the Company must be met before Franchise Owner opens the Franchise Business to the public. Franchise Owner must comply with these conditions and must open the Franchise Business to the public no later than 12 months after Franchise Owner obtains the Franchise Location or this Agreement may be terminated by the Company.

SECTION 8 - Operations

(A) Continuing Operations and Best Efforts; Business Hours.

Franchise Owner must continually operate the Franchise Business after opening in accordance with the provisions of this Agreement throughout the term of this Agreement. Franchise Owner must use its best efforts to promote and maximize the sales of the Franchise Business throughout the term of this Agreement. Franchise Owner must maintain at all times, sufficient inventory, equipment, supplies and personnel to operate the Franchise Business at optimal capacity and efficiency as specified by the Company. Franchise Owner must be open for business every day (excepting only Thanksgiving and Christmas) in accordance with the following business hours unless the Company approves a modification of these days and business hours in advance in writing: Monday through Saturday—6:00 a.m. to 9:00 p.m. and Sunday—7:00 a.m. to 9:00 p.m. The Company may modify these days and business hours of operation from time to time by notifying Franchise Owner in writing of any such changes.

(B) Standards of Operation; Customer Disputes; Operations Manual.

Franchise Owner acknowledges that every component of the Franchise System is important to the Company and to the operation of the Franchise Business. Franchise Owner must, at all times, operate and maintain the Franchise Business in a competent manner as an attractive, clean, convenient and efficiently operated specialty store offering high quality products and efficient, courteous service and in full compliance with all aspects of the System specified by the Company. In all business dealings with the public, Franchise Owner must be governed by the highest standards of honesty, integrity, fair dealing and ethical conduct.

If a dispute develops between Franchise Owner and a customer and is not resolved promptly by Franchise Owner, the Company will have the right to evaluate the dispute and to make a determination of the manner in which the dispute will be resolved. Franchise Owner agrees to be bound by the Company's determination of the resolution of the dispute. Franchise Owner must reimburse the Company for any expense incurred by the Company in connection with the resolution of the dispute.

Franchise Owner must comply with all lawful and reasonable policies and procedures specified by the Company in connection with the operation of the Franchise Business. These specifications may include, but are not limited to, standards, techniques and procedures for:

- (1) The safety, maintenance, cleanliness, sanitation, function, hours of operation and appearance of the Franchise Location and its equipment, fixtures, furniture, decor and signs.
- (2) Qualifications, dress, uniforms, grooming, general appearance, demeanor and training of store employees.
- (3) Type, shelf life, quality, taste, portion control, and uniformity and manner of preparation and sale of all of the products sold by the Franchise Business.
- (4) Methods and procedures relating to receiving and preparing customer orders.
- (5) Sales, advertising and promotional techniques and programs.
- (6) Construction, maintenance and appearance of the Franchise Business and the Franchise Location.
- (7) Payment, credit, accounting and financial reporting policies and procedures.
- (8) Use of any on-line web-based communications portal maintained by the Company.
- (9) Purchase and maintenance of equipment, fixtures and inventory.
- (10) Insurance coverage.
- (11) Use of standard forms and the Marks.
- (12) Use and illumination of exterior and interior signs, displays and similar items.
- (13) Atmosphere of the Franchise Location, including, without limitation, such things as music and lighting.
- (14) Handling of customer complaints and customer communications.
- (15) Identification of the Franchise Business as an independently owned and operated business.
- (16) Attendance by the Franchise Owner and managers at required training programs and meetings.
- (17) Maintenance of a minimum required number of trained staff at all times, based on the business needs of the Store.
- (18) Having a minimum number of employees present at the Store during all hours of operation.

(19) Using and honoring gift certificates, coupons and other such local and national promotional programs authorized or specified by the Company.

(20) Use of Electronic Media in connection with the Franchise Business.

(21) Other details of the operation of the Franchise Business and the relationship between the Company and Franchise Owner.

These policies and procedures may be contained in the operations, brand guidelines, and training manuals of the Company or in memos, bulletins, newsletters, emails, on-line postings or other electronic or written materials prepared by the Company (for the purposes of this Agreement, "Operations Manual" will mean all operations manuals, brand guidelines manuals, training manuals, or other written materials relating to the System or containing the Company's specifications). Franchise Owner will be given a copy of the currently existing Operations Manual after execution of this Agreement. The Operations Manual will be provided in one or more formats as determined by the Company (e.g. paper copy, electronic copy, access on-line to an electronic copy). Applicable modifications or additions to the Operations Manual will be provided as they become available. The Operations Manual remains the property of the Company, must not be duplicated except for use in the Franchise Business, and all copies made by Franchise Owner must be returned to the Company or destroyed on expiration or termination of this Agreement. The Company may periodically provide updated paper copies of the Operations Manual to Franchise Owner and charge Franchise Owner a reasonable fee for providing those copies.

Due to the nature of operation of the Franchise Business and the fact that the specifications for the Franchise Business must and do change, the Company reserves the right to change the System after execution of this Agreement and to change the terms of the Operations Manual after execution of this Agreement to reflect those changes. The Operations Manual cannot change the terms of this Agreement, but will be in addition to this Agreement and will have the same effect as if set forth in this Agreement. If the Operations Manual is inconsistent with this Agreement, this Agreement will control. The Company agrees that it will specify its policies and procedures in a reasonable and uniform manner.

(C) Use of the Company's Website and other Technology in Operations.

Under the Franchise System as specified by the Company from time to time, Franchise Owner may be required to use the website, POS Systems, internet-based systems and/or other technology developed and maintained by or on behalf of the Company. Uses of the website, internet-based systems, POS Systems and/or other technology may include, but are not limited to, advertising for all Stores, lists of Stores, displaying daily menus, order taking from customers, inventory control for franchise owners, entering sales and other information, making schedules, projecting sales, reviewing reports, entering weekly payroll, placing orders with the Company or Designated or Approved Suppliers, posting the Operations Manual and communication between the Company, franchise owners and customers. The website, POS Systems, internet-based systems and/or other technology must be used by Franchise Owner in the Franchise Business and in the manner specified by the Company. IF PROVIDED, THE COMPANY'S WEBSITE, POS SYSTEMS AND INTERNET-BASED SYSTEMS AND THEIR CONTENT ARE PROVIDED "AS-IS". THE COMPANY AND ITS AGENTS AND LICENSORS DISCLAIM ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, REGARDING ANY SUCH CONTENT AND FRANCHISE OWNER'S ABILITY OR INABILITY TO USE THE WEBSITE, POS SYSTEMS AND INTERNET-BASED

SYSTEMS AND THEIR CONTENT. USE OF THE COMPANY'S WEBSITE, POS SYSTEMS AND INTERNET-BASED SYSTEMS AND THEIR CONTENT IS AT YOUR SOLE RISK. THE COMPANY WILL IN NO EVENT BE LIABLE TO FRANCHISE OWNER OR ANY PERSON OR ENTITY CLAIMING THROUGH FRANCHISE OWNER FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR OTHER DAMAGES UNDER ANY THEORY OR LAW FOR ANY ERRORS IN OR THE USE OF OR INABILITY TO USE THE COMPANY'S WEBSITE, POS SYSTEMS AND INTERNET-BASED SYSTEMS AND THEIR CONTENT INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOST PROFITS, BUSINESS, DATA, OR DAMAGE TO ANY COMPUTER SYSTEMS.

(D) Specifications of Products, Equipment and Suppliers.

Franchise Owner must obtain all equipment and POS terminals, fixtures, signs, inventory, food products, packaging materials, paper and plastic products, menus, and all other supplies specified by the Company for the Franchise Business.

In order to maintain uniqueness, consistency, uniformity, quality and identity of Stores and the products and services offered and sold by Stores and the group purchasing power of Stores, Franchise Owner must comply with the product, service and supply requirements set forth in this Section.

The Company may designate any products and services used in the design, development, construction, or operation of the Franchise Business as "Designated Products or Services." Designated Products or Services must be purchased in accordance with the Company's specifications (which may include brand names) and only from the Company or a manufacturer, supplier, distributor, or professional or other service provider specifically designated by the Company (a "Designated Supplier"). Franchise Owner will have no right to request approval of alternative suppliers for Designated Products or Services.

Unless otherwise specified by the Company, all products and services used in the design, development, construction, or operation of the Franchise Business, other than Designated Products or Services, must be obtained in accordance with the Company's specifications (which may include brand names) and only from a manufacturer, supplier, distributor, or professional or other service provider that has been approved by the Company (an "Approved Supplier"). An Approved Supplier will be a supplier that: (a) has met the Company's standards for quality and uniformity of goods and services and other relevant standards established by the Company; (b) has been designated by the Company in writing as an Approved Supplier; and (c) has not later been disapproved by the Company. Franchise Owner may request to have a supplier for items (other than Designated Products or Services) approved by submitting to the Company the information, samples or agreements necessary for the Company's determination under the procedures specified by the Company. This request must be in writing and must include information about the product or supplier relating to the Company's specifications, a sample of the product or service to be approved or a person at the manufacturer or supplier that the Company can contact for information. The Company may submit the information to an independent laboratory or another independent expert to determine if the product or supplier meets the Company's specifications. The Company may charge Franchise Owner a fee to cover the costs incurred in making this determination. On Franchise Owner's request, and only on a confidential basis, the Company will furnish Franchise Owner with any issued standards and specifications for items other than Designated Products or Services, as well as any issued criteria for supplier approval. The Company will notify Franchise Owner in writing of its approval or disapproval of a

supplier within 30 days after receiving all information that the Company reasonably believes is necessary to make the determination.

Before the Company approves a supplier, the supplier may be required to enter into an agreement with the Company in a form reasonably acceptable to the Company providing that the supplier will: (a) follow the Company's procedures, specifications and standards, formulas, patterns, and recipes; (b) provide for periodic quality control inspections of the supplier's premises and production facilities; (c) require the supplier to provide a reasonable number of samples, without charge, for inspection; (d) require the supplier to keep any trade secrets or other confidential information disclosed to it by Franchise Owner or the Company in confidence and to have employees to which such disclosure is made to sign agreements that they will not use or disclose confidential information; and (e) require the supplier to pay a reasonable license fee for a limited license for the production and sale of items using the Franchise Marks. An approval of a supplier is not a blanket approval of the items the supplier may sell but only for specific items sold by that supplier as approved by the Company.

In order to take advantage of group purchasing power and to ensure uniformity and quality, the Company reserves the right to limit the total number of Approved Suppliers for any items. The Company may add or delete Designated or Approved Suppliers from time to time and Franchise Owner must comply with those changes immediately on written notice from the Company. If the Company adds a Designated or Approved Supplier, Franchise Owner must immediately, on written notice from the Company, take the steps necessary to comply with the credit, purchase and other policies of the Designated or Approved Supplier. If the Company deletes a Designated or Approved Supplier, Franchise Owner must cease purchasing products and services from that supplier immediately on written notice from the Company.

The Company may, from time to time, enter into agreements with Designated or Approved Suppliers of products for and on behalf of all Stores or all Stores in a particular region (a "Supplier Contract"). If the Company enters into a Supplier Contract with a Designated or Approved Supplier, the terms and conditions of Franchise Owner's relationship with that Designated or Approved Supplier may be controlled by that contract to the extent covered by the contract.

The designation by the Company of a Designated or Approved Supplier or other provider of products or services does not create any express or implied promise, guaranty or warranty by the Company as to the quality of products and services, availability of products and services, and timely delivery of products and services of the Designated or Approved Supplier or other provider of products or services and the Company disclaims any such promises, guaranties or warranties. Franchise Owner agrees that the Company will not have any liability to Franchise Owner for any claims, damages or losses suffered by Franchise Owner as a result of or arising from the products or services provided by or the acts or omissions of any Designated or Approved Supplier or other provider of products or services designated or approved by the Company, including claims, damages or losses arising from the quality of products and services, failure to deliver, late delivery, delivery of the wrong products, unavailability of products, damages to products in delivery, adulteration of products, mislabeling, failure of warranty, etc. Franchise Owner waives and releases the Company from any such claims, damages, or losses against the Company.

Franchise Owner acknowledges and agrees that the Company and/or its affiliates have the right to receive rebates, commissions, dividends, distributions or other fees, discounts or payments from Designated and Approved Suppliers or other providers of products or services based on sales of products or services to the Franchise Business and other Stores ("Supplier Payments"). Franchise Owner agrees that the Company and its affiliates will have the right to collect all Supplier

Payments and to use the Supplier Payments for any purpose at the Company's sole discretion. Franchise Owner must cooperate with the Company and its affiliates in the collection of Supplier Payments.

(E) Products and Services.

Franchise Owner must sell all products and provide all services that the Company specifies for sale for the Franchise Business. Franchise Owner must not sell any products, provide any services or engage in any business at the Franchise Business or Location other than those specified by the Company without written authorization from the Company. The Company may add or delete required or authorized products or services to be provided by the Franchise Business. If any products or services are added, Franchise Owner must be qualified to provide the products and services before the Company will authorize Franchise Owner to offer those products and services. If a product or service is deleted, Franchise Owner must cease offering that product or service immediately on written notice from the Company. Franchise Owner acknowledges that the products and services that Franchise Owner is authorized or required to sell may differ from those that other Stores are authorized or required to sell based on regional differences in products and services authorized by the Company, sales of products or services on a limited-time-only basis that are not available to all Stores, the test marketing of products or services, or other business reasons in the Company's discretion. The Company will not have any liability or responsibility to Franchise Owner if Franchise Owner is not able or is not authorized to sell all the same products or services as other Stores.

(F) Pricing, Promotional Programs, Gift Cards and Customer Loyalty Programs.

In order to enhance the competitive position and consumer acceptance for the products and services of Stores, the Company may exercise rights with respect to the pricing of products and services to the fullest extent permitted by then-applicable law. These rights may include, without limitation: (a) prescribing the maximum and/or minimum retail prices that Franchise Owner may charge customers for the products and/or services offered and sold at the Franchise Business; (b) recommending retail prices; (c) advertising specific retail prices for some or all products or services sold by the Franchise Business, which prices Franchise Owner will be required to observe; (d) engaging in marketing programs, promotional programs, drives, giveaways, contests and other campaigns that Franchise Owner must participate in and that may directly or indirectly impact Franchise Owner's retail prices; and (e) otherwise mandating, directly or indirectly, the maximum and/or minimum retail prices that the Franchise Business may charge the public for the products and services it offers. The Company may engage in any such activity either periodically or throughout the term of this Agreement. Further, the Company may engage in such activity only in certain geographic areas (e.g. cities, states, regions) and not others, or with regard to certain subsets of franchise owners and not others. Franchise Owner acknowledges and agrees that any maximum, minimum or other prices the Company prescribes or suggests may not optimize the revenues or profitability of the Franchise Business and Franchise Owner irrevocably waives any and all claims arising from or related to the Company's prescription or suggestion of retail prices for the Franchise Business.

Franchise Owner agrees to participate in any gifts cards, electronic gift or money cards (E-cards), frequency cards (BIGGBY Cards), awards programs (E-wards), or other programs specified by the Company and to honor all such cards, awards, and other programs issued by the Company or by other franchise owners in accordance with the Company's policies. Franchise Owner acknowledges and agrees that Franchise Owner's participation in those programs is integral to the Franchise System and to the success of those programs. The Company or a person designated by the Company will administer any such programs specified by the Company.

Franchise Owner agrees that the Company may charge an administrative fee for administering those programs. Franchise Owner must provide to the Company, at the times and in the manner specified by the Company, all information collected and databases created in connection with these programs.

Under the Company's current E-card program: (1) Franchise Owner will sell E-cards and redeem E-cards; (2) on a quarterly basis the Company will reconcile Franchise Owner's sales and redemptions of E-cards; (3) at the time of the reconciliation, if Franchise Owner's sales exceed redemptions, Franchise Owner must pay the difference to an E-card fund maintained by the Company; and, (4) if Franchise Owner's redemptions exceed sales, the E-card fund will pay Franchise Owner the difference. This program is subject to change by the Company. The Company may incorporate the E-card fund or manage the E-card fund through a separate entity whenever the Company deems appropriate. The Company may assign some or all of the rights and duties specified in this Section to the separate E-card fund entity. The Company may change the separate E-card fund entity or assign management of the E-card fund back to the Company at any time in the Company's discretion. If the E-card fund is operated or managed by a separate entity, on request, the Company will provide Franchise Owner with a copy of the governing documents for the entity.

(G) Data Security Requirements.

Franchise Owner is responsible for securing the data of its customers. Franchise Owner must comply with industry standards and all applicable laws relating to the protection of Customer Information and other personal information. Franchise Owner will be solely responsible for any liability, damages or claims caused by any data breaches or Franchise Owner's failure to comply with these industry standards and laws. Franchise Owner must comply with the Payment Card Industry Data Security Standard Requirements and Security Assessment Procedures and other applicable payment card industry requirements ("PCI Requirements") in connection with the Franchise Business. It is recommended that Franchise Owner also comply with the ISO/IEC 27000-series information security standards (or other comparable third party information security standards) ("Information Security Standards") in connection with the Franchise Business. It is Franchise Owner's responsibility to research and understand the PCI Requirements and Information Security Standards, other industry standards, and applicable laws and to ensure that its business policies and practices comply with these requirements. Although the Company may provide advice and/or specify or provide POS Systems or business software, the Company does not represent or warrant that those systems or software comply with the PCI Requirements or Information Security Standards, other industry standards, and applicable laws and it will be the sole responsibility of Franchise Owner to ensure that its business practices comply with these requirements. Franchise Owner must periodically participate in audits of its information technology systems and data security policies by third party auditors as specified by the Company.

If Franchise Owner detects or is notified of data breach involving the data of its customers ("Data Breach"), Franchise Owner must immediately notify the Company of the Data Breach. Franchise Owner must cooperate with the Company in investigating and halting the Data Breach, including giving the Company access to Franchise Owner's information technology systems. The Company will have the right to name legal counsel to deal with the Data Breach and to control media communications relating to the Data Breach. Franchise Owner must not make any public statements about the Data Breach without the Company's approval. Franchise Owner must indemnify and hold harmless the Company for all claims and costs, including attorneys' fees,

incurred by the Company as a result of any Data Breach that is the responsibility of Franchise Owner.

The Company will have the right to acquire a Cyber Liability Insurance Policy for the BIGGBY COFFEE franchise system and to require Franchise Owner to pay a portion of the cost of the Cyber Liability Insurance Policy as determined under the policies and procedures specified by the Company. The Company will have the right to collect Franchise Owner's share of the cost of the Cyber Liability Insurance Policy on a periodic basis in the manner provided in Section 4(H).

(H) Maintenance; Refurbishing.

Franchise Owner must maintain the appearance and cleanliness of the Franchise Location and the equipment, fixtures and signs for the Franchise Business in an attractive and safe condition and in good maintenance and repair and in compliance with the standards specified by the Company. If at any time, in the Company's reasonable judgment, the general state of repair, appearance or cleanliness of the Franchise Location or its equipment, fixtures or signs does not meet the Company's standards, the Company may notify the Franchise Owner in writing, specifying the action to be taken by the Franchise Owner to correct the deficiency. The Franchise Owner must initiate the specified action within 30 days after receipt of the notice and diligently proceed to complete the specified action. If Franchise Owner fails to do so, then the Company will have the right, in addition to its other rights under this Agreement, but will not be obligated to, enter the Franchise Location and cause the specified action to be taken on behalf of the Franchise Owner and the Franchise Owner must pay the entire cost to the Company on demand.

In addition to regular maintenance obligations, within six months of the Company's request, Franchise Owner must refurbish, update, upgrade, construct and/or improve the Franchise Location and the equipment and fixtures at the Franchise Location, in the manner specified by the Company, to maintain or improve the appearance and efficient operation of the Franchise Business, to increase its sales potential and to comply with the Company's then current standards and identity. The requirement to refurbish the Franchise Location will be imposed uniformly on all Franchise Owners, but the expenses incurred in fulfilling the requirement will vary depending on such factors as the condition of the Franchise Location and local costs of construction.

Franchise Owner must make no material alterations to the leasehold improvements or appearance of the Franchise Location and must not make any material alterations to the equipment, fixtures or signs of the Franchise Location without prior written approval of the Company. The Company agrees not to unreasonably withhold such approval provided that the alterations are not inconsistent with the Company's image and are not prohibited by the Franchise Owner's lease or by law.

(I) Management of the Franchise Business.

The Franchise Business must, at all times, be under the direct supervision of a manager as described in this Section (the "Designated Manager"). The Designated Manager must: (i) be personally responsible for the Franchise Business at all times; (ii) personally exercise his or her best efforts to market the Franchise Business, maximize customer satisfaction, and be on the floor of the Franchise Business working a position behind the espresso bar for a minimum of six hours a day, five days a week. The management of the Franchise Business must be the full-time occupation of the Designated Manager. Consequently, an individual cannot be a Designated Manager for more than one Store.

If this is Franchise Owner's first Store, and depending on Franchise Owner's prior business experience, Franchise Owner, or if Franchise Owner is a corporation, partnership or other entity, at least one of the persons designated in Item 5 on Appendix A ("Principal" or "Principals"), may be required to be the Designated Manager of the Franchise Business for a period of up to one year after beginning operation. If, after the required period (or if this is not Franchise Owner's first Store), Franchise Owner (or a Principal) decides not to be the Designated Manager of the Franchise Business at all times, then Franchise Owner must designate a full-time on-premises manager that has been approved by the Company to be the Designated Manager for the Franchise Business.

The Designated Manager must meet the following requirements before beginning to serve as Designated Manager for the Franchise Business: (1) the Designated Manager must have successfully completed the initial training program and any retraining or refresher training programs specified by the Company; and (2) the Designated Manager must be approved by a director or executive officer of the Company and not later disapproved. If Franchise Owner or a Principal is not the Designated Manager, the Designated Manager must be under the direct supervision of Franchise Owner or a Principal. If Franchise Owner desires to change the approved Designated Manager, Franchise Owner must notify the Company in writing as least 30 days before employing a new Designated Manager. It is Franchise Owner's responsibility to ensure that the Franchise Business is always under the supervision of an approved Designated Manager. A failure by Franchise Owner to have the Franchise Business under the supervision of an approved Designated Manager is a material default under this Agreement.

The Company's approval or disapproval of a Designated Manager will be based on the standards and requirements specified by the Company from time to time, in writing or otherwise. If the Company rejects or disapproves a Designated Manager, it will notify Franchise Owner of the reasons for the decision. Notwithstanding the right of the Company to protect the goodwill of the BIGGBY COFFEE franchise system by disapproving a Designated Manager employed by Franchise Owner, the Designated Manager will not be deemed an employee of the Company for any purpose whatsoever.

(J) Employees.

Franchise Owner must hire all employees for the Franchise Business, be exclusively responsible for the terms of their employment and compensation, and must implement a training program for them in compliance with the Company's standards. Franchise Owner must maintain at all times a staff of trained employees sufficient to operate the Franchise Business in compliance with the Company's standards. Franchise Owner must have the minimum number of employees specified by the Company present at the Franchise Business during all required hours of operation. Franchise Owner acknowledges that any minimum staffing requirements specified by the Company are solely for the purpose of ensuring that the Franchise Business is at all times staffed at those levels necessary to operate the Franchise Business in conformity with the Franchise System and the products, services, standards of quality, and other BIGGBY COFFEE brand attributes. Franchise Owner understands that it may staff the Franchise Business with as many employees as it desires at any time as long as the Company's minimum staffing levels are met. If specified by the Company, Franchise Owner must require its employees and agents to sign an agreement relating to confidentiality and/or non-competition in a form approved by the Company as a condition of employment of the employee.

All management employees of the Franchise Business must have successfully completed the Company's management training program before providing management services to the

Franchise Business. Also, all staff of the Franchise Business specified by the Company must attend and complete to the satisfaction of the Company any staff training and development programs specified by the Company and Franchise Owner must not employ anyone who refuses or fails to complete such training and development programs to the Company's satisfaction.

The Company may impose a reasonable charge on the Franchise Owner for any training provided to the Franchise Owner, its managers or employees, beyond the initial training program described in Section 10. Any such fees will be uniform as to all persons attending training at that time and will be based on the Company's out-of-pocket expenses plus the per diem rate of the training personnel involved. These fees are not refundable.

The Company's standards do not include any employee policies and procedures. The Company will not control and will not be involved in any way with Franchise Owner's payroll or other employment related matters regardless of any information that the Company may provide in operations or training manuals or otherwise. Franchise Owner is solely responsible for all employment decisions and obligations. Franchise Owner must prominently post signs at the Franchise Location (including in the area in which all official employment relating notices are posted) and at Franchise Owner's offices informing employees and independent contractors that their relationship is solely with Franchise Owner and that they are not an employee of the Company or any of its affiliates. Similar language must be included in all employment contracts, offer letters, and employee handbooks. The Company may specify the language for the required postings and notices. Franchise Owner must indemnify and hold harmless the Company from and against any liability relating to or arising from employment related decisions and obligations, including but not limited to labor and employment law violations by Franchise Owner and Franchise Owner's employees.

(K) Insurance.

Franchise Owner must obtain and provide the Company with evidence of insurance in the amounts and with the coverages specified by the Company. Evidence of this insurance must be initially provided at least ten (10) days before beginning operation of the Franchise Business. Certificates of renewal must be provided no later than ten (10) days before the expiration date of each policy. If Franchise Owner does not provide the Company with evidence of any required insurance policies at any due date, the Company may (but is not obligated to) purchase that insurance at the Franchise Owner's expense. Franchise Owner must immediately pay for any insurance obtained by the Company.

Each required insurance policy must meet the following requirements: (1) the policy must name the Company (and any affiliates or representatives of the Company that the Company may reasonably specify) as an additional insured with a Grantor of Franchise Form CG2029 or an insurer's comparable form or another form specified by the Company; (2) the policy must not be subject to cancellation, modification or amendment except after 30 days written notice to the Company; (3) the insurance must be placed with a Designated or Approved Supplier, as applicable, and an insurance carrier with an AM Best's Rating of not less than A-IX; (4) the policy must provide that failure by Franchise Owner to comply with any term, condition or provision of the insurance contract, or other conduct by Franchise Owner, will not void or otherwise affect the coverage afforded the Company or its affiliates or representatives (e.g. the Company, although named as an insured, will nevertheless be entitled to recover under such policies on any loss occasioned to the Company or its agents or employees by reason of the negligence of Franchise Owner or Franchise Owner's agents or employees); (5) the applicable policies must cover Franchise Owner's indemnification obligations under this Agreement; (6) the policies will be

primary to and without right of contribution from any insurance purchased by the Company; and (7) the policy must contain a waiver of subrogation in favor of the Company for casualty losses. Franchise Owner's obligation to obtain and maintain the policy or policies of insurance in the minimum amounts specified by the Company will not be limited in any way by reason of any insurance that may be maintained by the Company nor will Franchise Owner's obligation to obtain insurance relieve Franchise Owner of its liability for indemnification as provided in Section 8(O).

Franchise Owner must instruct its insurance agent or provider to automatically send the Company evidence of Franchise Owner's insurance coverages and the Company's status as an additional insured at the time of renewal of each insurance policy.

Franchise Owner acknowledges that the insurance coverages and amounts specified by the Company reflect minimum required amounts and are not meant to reflect Franchise Owner's actual insurance coverage needs. It is Franchise Owner's responsibility to carefully evaluate its insurance needs and to obtain the insurance coverages and amounts as necessary to satisfy those insurance needs.

(L) Compliance with Laws and other Obligations; Taxes.

Franchise Owner must obtain and keep in force every registration, charter, license or permit required for the Franchise Business. Franchise Owner must comply with all federal, state, county, municipal or other statutes, laws, ordinances, regulations, rules or orders applicable to the Franchise Business, including but not limited to those relating to the maintenance and operation of the Franchise Business, health, safety, sanitation, employment (including the Fair Labor Standards Act (FLSA), Family and Medical Leave Act (FMLA), Occupational Safety and Health Act (OSHA), Employee Retirement Income Security Act (ERISA), Title VII, the Age Discrimination in Employment Act, the Affordable Care Act, and comparable laws regulating minimum wage, overtime pay, recordkeeping, youth employment standards and other aspects of employment), environmental regulation, and taxation. Franchise Owner must immediately notify the Company if any governmental department or agency begins an investigation of the Franchise Business, schedules a review, inspection or audit of the Franchise Business or takes any action against the Franchise Business.

Franchise Owner must pay, when due, all taxes of every kind applicable to the Franchise Business or the income of the Franchise Business, including all local, state or federal taxes. The Company will have no liability for any sales, use, service, occupation, excise, gross receipts, income, property, or other taxes, whether levied on Franchise Owner or the Franchise Business, due to the business Franchise Owner conducts (except for the Company's income taxes). Franchise Owner is responsible for paying these taxes and must reimburse the Company for any taxes that the Company must pay to any federal, state or local taxing authority on account of either Franchise Owner's operation or payments that Franchise Owner makes to the Company.

(M) Separate Identification of Business.

Franchise Owner must identify the Franchise Business as a separate business by filing an assumed name certificate as appropriate in the state and/or county of location of the Franchise Business. Franchise Owner must conspicuously post at the Franchise Location a notice to the effect that the Franchise Business is owned independently of the Company. Franchise Owner must identify itself conspicuously in all dealings with customers, suppliers, public officials, the personnel of the Franchise Business, and others as the owner of the Franchise Business under a franchise granted by the Company and to place notice of independent ownership on the forms, business cards, stationery, advertising, and other materials specified by the Company.

(N) Indemnification.

Franchise Owner agrees that it will, at its sole cost, at all times defend, indemnify and hold harmless the Company, any affiliate of the Company, the affiliates, subsidiaries, successors and assigns and designees of each and the officers, directors, managers, employees, agents, attorneys, shareholders, owners, members, designees and representatives of all of the foregoing (the "Indemnitees") to the fullest extent permitted by law, from all claims, losses, liabilities and costs incurred in connection with any civil, criminal or governmental action, suit, proceeding, claim, demand, investigation, or formal or informal inquiry (regardless of whether any of the foregoing is reduced to judgment) or any settlement of the foregoing, which actually or allegedly, directly or indirectly, arises out of, is based on, is a result of, or is related in any way to any element of the establishment, construction, opening and operation of the Franchise Business, including, without limitation: any personal injury, death or property damage suffered by any customer, visitor, operator, employee or guest of the Franchise Business; crimes committed on or near the Franchise Location or vehicles used by the Franchise Business; all acts, errors, neglects or omissions engaged in by Franchise Owner, its employees, contractors or subcontractors, as well as any third party, arising out of or related to the design, construction, conversion, build-out, outfitting, remodeling, renovation or upgrading of the Franchise Location, whether or not any of the foregoing was approved by the Company; defects in any premises constructed by or operated by Franchise Owner, whether or not discoverable by Franchise Owner or the Company; all acts, errors, neglects or omissions of Franchise Owner or the Franchise Business and/or the owners, members, officers, directors, management, employees, agents, servants, contractors, partners, proprietors, affiliates or representatives of Franchise Owner or the Franchise Business (or any third party acting on behalf of or at the direction of Franchise Owner), whether in connection with the Franchise Business or otherwise, including, without limitation, any property damage, injury or death suffered or caused by any delivery-person or vehicle serving the Franchise Business; all liabilities arising from or related to the offer, sale and/or delivery of products and/or services by Franchise Owner or the Franchise Business; and any action by any customer of Franchise Owner or visitor to the Franchise Business.

As used above, the phrase "claims, losses, liabilities and costs" includes: all claims; causes of action; fines; penalties; liabilities; losses; compensatory, exemplary, statutory or punitive damages or liabilities; costs of investigation; lost profits; court costs and expenses; reasonable attorneys' and experts' fees and disbursements; settlement amounts; judgments; compensation for damage to the Company's reputation and goodwill; costs of or resulting from delays; travel, food lodging and other living expenses necessitated by the need or desire to appear before or witness the proceedings of courts or tribunals (including arbitration tribunals), or government or quasi-governmental entities (including those incurred by Indemnitees' attorneys and/or experts); all expenses of recall, refunds, compensation and public notices; and other such amounts incurred in connection with the matters described. All such losses and expenses incurred under this indemnification provision will be chargeable to and paid by Franchise Owner, regardless of any actions, activity or defense undertaken by Indemnitees or the subsequent success or failure of the actions, activity or defense.

Franchise Owner agrees to give the Company written notice of any action, suit, proceeding, claim, demand, inquiry or investigation that could be the basis for a claim for indemnification by any Indemnatee within three days of Franchise Owner's actual or constructive knowledge of it. At Franchise Owner's expense and risk, the Company may elect to assume (but under no circumstance will the Company be obligated to undertake) the defense and/or settlement of the action, suit, proceeding, claim, demand, inquiry or investigation. The Company's undertaking of

defense and/or settlement will in no way diminish Franchise Owner's obligation to indemnify the Company and other Indemnitees and to hold the Company and other Indemnitees harmless. The Company will have the right, at any time it considers appropriate, to offer, order, consent or agree to settlements or take any other remedial or corrective actions the Company considers expedient with respect to the action, suit, proceeding, claim, demand, inquiry or investigation if, in the Company's sole judgment, there are reasonable grounds to do so.

This indemnity obligation will continue in full effect even after the expiration, Transfer or termination of this Agreement. The Company's right to indemnify under this Agreement will arise and be valid notwithstanding that joint or concurrent liability may be imposed on the Company by statute, ordinance, regulation or other law. An Indemnatee need not seek recovery from any insurer or other third party, or otherwise mitigate its losses and expenses in order to maintain and recover fully a claim against Franchise Owner under this Section. Franchise Owner agrees that a failure to pursue recovery or mitigate a loss will not reduce or alter the amounts that an Indemnatee may recover from Franchise Owner under this Section.

(O) Franchise Owner Association

The Company may designate a Franchise Owner association in which all franchise owners of Stores may participate. If the Company designates a Franchise Owner association, Franchise Owner must join, maintain a membership in and abide by the governing instrument of that Franchise Owner association. The structure of the Franchise Owner association as well as the original governing instrument of the Franchise Owner association and any changes to that instrument, must be approved by the Company. The Franchise Owner association may require Franchise Owner to make contributions or pay dues to the Franchise Owner association. The Franchise Owner association will make decisions based on a majority of the votes entitled to be cast by its members. The Company will not be a member of the Franchise Owner association. The Company may, but is not required to, ask the Franchise Owner association to consult with the Company on issues of interest to the Franchise System. The costs and expenses of the Franchise Owner association must be paid by the Franchise Owner association. The provisions of this Section will not impair Franchise Owner's right to join any other association of franchise owners.

(P) Notices to the Company.

Franchise Owner must notify the Company in writing of the details of any of the following events, within one business day of the occurrence of the event:

- (1) The start of any civil, criminal, or administrative action, suit, countersuit or other proceeding against Franchise Owner, any Principal or the Designated Manager.
- (2) Franchise Owner, any Principal, or the Designated Manager receives a notice of noncompliance with any law, rule or regulation.
- (3) The issuance of any order, writ, injunction, award, decree, warrant, intent to levy, or garnishment by any court, tribunal, agency, or other governmental organization against Franchise Owner, any Principal, or the Designated Manager.
- (4) Any complaints, inspections, reports, warnings, certificates or ratings of Franchise Owner or the Franchise Business, communicated, issued, performed, or scheduled by any governmental agency.

Franchise Owner must provide the Company with any additional information the Company requests, within five days of request, about the status, progress or outcome of any of the events listed in this Section. Franchise Owner's failure to provide the notice and/or additional information required by this Section will be considered a material default under this agreement.

SECTION 9 - Advertising

(A) Grand Opening Advertising.

Franchise Owner must prepare a grand opening advertising plan in compliance with the criteria specified by the Company. Franchise Owner must timely implement the approved grand opening advertising plan and is responsible for the cost of implementing the grand opening advertising plan. Franchise Owner must spend a minimum of \$8,500 to implement the grand opening advertising plan. Unless otherwise provided in Franchise Owner's approved grand opening advertising plan, Franchise Owner must implement the grand opening advertising plan within the period beginning two months before the opening of the Franchise Business and ending two months after the opening of the Franchise Business. Franchise Owner must provide the documentation specified by the Company to show that Franchise Owner has spent the required amount on grand opening advertising within the specified time frame. If the Franchise Owner does not provide the specified documentation, or does not spend the required amount on grand opening advertising within the prescribed time frame, Franchise Owner must pay the amount not satisfactorily documented or not spent to the Company on demand. These funds will be placed in the advertising fund to be used at the Company's discretion. Franchise Owner's obligations to implement a grand opening advertising plan are in addition to Franchise Owner's other advertising obligations under this Agreement, including obligations to pay advertising fund contributions, to spend amounts for minimum local advertising, and to participate in advertising cooperatives.

(B) Advertising Fund.

Franchise Owner must make contributions, as required under Section 4(C), to an advertising fund that will be administered by the Company or an agency designated by the Company. The advertising fund will be used to maximize general public recognition and patronage of the Franchise Marks and System. The Company may use the advertising fund to formulate, develop, create, produce, execute, support, and maintain advertising and promotional materials, programs, platforms, systems, Electronic Media, and technology related to marketing and to conduct, support, and maintain marketing, community relations, Electronic Media support and campaigns, customer loyalty programs and systems, gift card programs and systems, coupon and other promotional integration and systems, support for grand opening advertising for franchise owners, marketing for direct to consumer sales, and other advertising and promotional programs, activities, and technology, including artificial intelligence, on a national, regional or local level as the Company determines at its discretion to be most effective in achieving the goals of the advertising fund. The Company is not required to spend Franchise Owner's advertising fund contributions to place advertising in Franchise Owner's market or in any specific media. The Company may use advertising fund contributions to solicit new franchise sales. The advertising fund will be used to pay all expenses of the advertising fund. The Company reserves the right to engage the services of advertising, technical, consulting, and market research sources or other third-party sources to formulate, develop, produce and conduct advertising and promotional programs. The cost of these services will be paid by the advertising fund. The advertising fund may be used to pay the Company for services provided by the Company to the advertising fund and to reimburse the Company for the proportionate compensation of employees of the Company who devote time and render service in the formation, development and production of advertising or the administration of

the advertising fund. The Company will submit to Franchise Owner, upon request, an annual report of the receipts and disbursements of the advertising fund, unaudited, prepared by management of the Company, and provided in the manner specified by the Company. In no event will the Company or an agency engaged by the Company be liable for consequential or incidental damages resulting from administration of the advertising fund or resulting from any advertising produced or placed by or on behalf of the Company or Franchise Owner, including any claims for loss of business.

The Company may incorporate the advertising fund or manage the advertising fund through a separate entity whenever the Company deems appropriate. The Company may assign some or all of the rights and duties specified in this Section to the separate advertising fund entity. The Company may change the separate advertising fund entity or assign management of the advertising fund back to the Company at any time in the Company's discretion. If the advertising fund is operated or managed by a separate entity, on request, the Company will provide Franchise Owner with a copy of the by-laws or other governing documents for the entity.

(C) Minimum Local Advertising.

Franchise Owner must spend, on a monthly basis, for advertising in Franchise Owner's local market, an amount specified by the Company not to exceed 3% of the Gross Sales of the Franchise Business. Franchise Owner acknowledges that the amount specified by the Company may vary between franchise owners depending on the type of Store operated by Franchise Owner and the demographics of the area in which the Store is located. Franchise Owner must provide documentation to the reasonable satisfaction of the Company that the Franchise owner has spent the required amount on local advertising. If Franchise Owner does not provide such documentation, or does not spend the required amount on local advertising, the Franchise Owner must pay the amount not satisfactorily documented or not spent to the Company on demand. These funds will be placed in the advertising fund to be used at the Company's discretion. In order to fulfill all or a part of Franchise Owner's minimum local advertising obligation, the Company may require that Franchise Owner participate in joint advertising programs or in an advertising cooperative, if one is formed for the area in which Franchise Owner's Store is located. See Section 9(D) below regarding advertising cooperatives.

(D) Advertising Cooperatives.

The Company may designate an advertising area that includes a group of Stores. If the Franchise Business is within a designated advertising area, Franchise Owner must join, maintain a membership in, and abide by the governing instrument of the advertising cooperative for that area. The structure of the cooperative as well as the original governing instrument of the cooperative and any changes to that instrument, must be approved by the Company. The cooperative cannot modify the terms of this Agreement, but may require Franchise Owner to make contributions to the cooperative in addition to any advertising fund contributions the Franchise Owner is required to make. The cooperative will make decisions based on a majority of the votes entitled to be cast by its members. Each cooperative will work with the Company or an agency designated by the Company in coordinating and placing regional and local advertising for the members of the cooperative. The Company has the right to audit and review the books and records of each cooperative. The costs and expenses of each cooperative must be paid by that cooperative. Amounts paid by Franchise Owner to an advertising cooperative will count towards Franchise Owner's minimum local advertising obligations under Section 9(C). If an advertising cooperative exists in the area in which the Franchise Business is located, Franchise Owner must sign a Membership Agreement for that advertising cooperative at the time of signing of this Agreement.

(E) Electronic and Telephone Directory Advertising.

Franchise Owner must list and advertise the Franchise Business in the Electronic Media, classified telephone and other directories specified by the Company, at Franchise Owner's sole expense. Franchise Owner must use listing templates specified or approved by the Company for these listings and advertising. Any amount spent for these listings and advertising will apply to Franchise Owner's minimum local advertising obligations under Section 9(C).

(F) Use of Electronic Media or Toll Free Telephone Numbers.

Franchise Owner must not use Electronic Media, toll-free telephone numbers or similar methods with potential local, regional, national or worldwide scope in connection with the operation and/or marketing of the Franchise Business, except as specified by the Company or with the written consent of the Company and then only in accordance with the policies and procedures specified by the Company. The Company may, at its discretion, maintain Electronic Media accounts or toll-free telephone numbers for the Franchise System and allow Franchise Owner to participate in those methods or the business generated by those methods under guidelines specified by the Company. The Company will have the right to control all responses to postings by customers and/or the public on Electronic Media relating to the Franchise Business.

(G) Additional Advertising; Approval.

The Company will have the right to set advertising policies and procedures that Franchise Owner must follow. These advertising policies and procedures may include, but are not limited to, limiting marketing to a certain area so that Franchise Owner is not directing marketing to another Franchise Owner's area, and limiting the type of marketing that may be used by Franchise Owner.

All advertising by Franchise Owner in any medium, including signage, must be factual and dignified, must conform to the brand standards contained in the Company's Brand Guidelines Manual and other specifications of the Company, and to the highest standards of ethical advertising practice. If specified by the Company, all advertising materials prepared by or for Franchise Owner must be approved by the Company in writing before it is used. No handwritten signs or otherwise non-conforming sign designs are allowed. No computer generated signs are allowed unless they have been provided by the Company or approved in writing by the Company. If the Company requires pre-approval of advertising materials, Franchise Owner must submit to the Company for prior approval all marketing and promotion materials, including signage, prepared by the Franchise Owner for the Franchise Business and not prepared by or previously approved by the Company. The Company will have the right to disapprove the use of any advertising materials by Franchise Owner at any time. Even if the Company previously approved the use of advertising materials, Franchise Owner must discontinue the use of advertising materials immediately after the Company requests in writing. Franchise Owner must not use any advertising materials that do not comply with the Company's brand standards and other specifications and, if pre-approval of advertising materials is required by the Company, that are not approved in advance by the Company. Franchise Owner agrees to refrain from any business or advertising that may be injurious to the business of the Company and the goodwill associated with the Franchise Marks and Franchise System and other Stores.

If specified by the Company, all of Franchise Owner's advertising must contain notices of: (a) the Company's website domain name or other Electronic Media specified by the Company; (b) the Company's toll-free telephone number; and/or (c) a statement regarding the availability of BIGGBY® COFFEE franchises. To the extent possible, Franchise Owner must include the

following language in all advertising: “Each BIGGBY® COFFEE Store is independently owned and operated.”

Franchise Owner acknowledges and agrees that the Company may take photos in Franchise Owner’s Store and that those photos may include photos of the owners, employees, and customers of Franchise Owner. Franchise Owner also agrees that the Company may use those photos in advertising, including on the Company’s website, social media, and other Electronic Media. Franchise Owner hereby gives and forever grants to the Company and its successors, assigns, or licensees, the right to use, publish and copyright throughout the world in perpetuity any such photos, in whole or part, including alterations, modifications, derivations and composites of the photos (the “Work”), in advertising and promotion of the Company and Stores. This right will include the right to combine the Work, in whole or in part, with other images, and to alter the Work, by digital means or otherwise, so long as the use is of a lawful purpose. Franchise Owner acknowledges and agrees that all Work will become the property of the Company and will not be returned. Franchise Owner and its owners waive any right to inspect or approve the finished Work. Additionally, Franchise Owner and its owners waive any right to royalties or other compensation arising or related to the use of the Work. Franchise Owner and its owners hereby hold harmless, release, and forever discharge the Company from all claims, demands, and causes of action which Franchise Owner, its owners, and their successors, assigns, heirs, representatives, executors, administrators, or any other persons acting on my behalf or on behalf of Franchise Owner or its owners have or may have by reason of this authorization. To the extent required for the Company to use the Work, Franchise Owner agrees to use its best efforts to obtain legal, written consents from its employees (on hiring) and customers to authorize the Company to use the Work as contemplated in this paragraph.

SECTION 10 - Training

(A) Initial Training.

Franchise Owner must not begin operating the Franchise Business unless a Principal and the Designated Manager have attended and completed, to the Company’s satisfaction, the initial training program. The training program will be conducted without charge to Franchise Owner for up to two persons who are Principals of Franchise Owner, the Designated Manager, or other management employees of the Franchise Business. If requested by Franchise Owner, the Company may, at its discretion, allow additional persons to attend the initial training program, but may, in that case, charge a reasonable fee for the training (not to exceed \$5,000). Also, Franchise Owner will be responsible for paying its and its employees’ salaries and expenses for travel, food and lodging incurred during the training program. The persons attending the initial training program may be required to sign an agreement relating to confidentiality and/or non-competition in a form approved by the Company before beginning the training program.

The Company recommends that the initial training program be completed no more than 45 days before the Franchise Business commences operation. If the Franchise Business will commence operation more than 45 days after completion of the initial training program by Franchise Owner or the applicable trainee, the Company may require the Franchise Owner or the applicable trainee to attend the initial training program again or to attend a refresher training program before the Franchise Business is authorized by the Company to commence operation.

If the Company determines that Franchise Owner has not completed the training program to the Company’s satisfaction or that Franchise Owner or Franchise Owner’s team of employees is not ready to open the Franchise Business to the public in accordance with the Company’s

standards, the Company may: (a) require Franchise Owner and/or Franchise Owner's employees designated by Franchise Owner to attend additional training before the Franchise Business opens to the public; and/or (b) require Franchise Owner to use additional assistance from the Company's representatives for a period of time during and after opening of the Franchise Business. The additional training and/or assistance will be at Franchise Owner's expense, which may include a charge for the Company's out-of-pocket expenses plus a per diem rate for the training personnel and/or representatives.

(B) Franchise Owner's Training Program for its Employees.

After beginning operation of the Franchise Business, Franchise Owner must establish and maintain a continual program of training for shift leaders and other employees in accordance with the Company's specifications. Each employee of the Franchise Business must complete each part of the specified training program and Franchise Owner must not employ anyone who refuses or fails to complete each part of the specified training program.

(C) Additional Training, Sales Programs and Meetings.

Franchise Owner or a Principal of Franchise Owner and management employees of the Franchise Business must, solely at Franchise Owner's expense, attend additional training, sales programs and meetings reasonably specified by the Company. The Company will give reasonable notice of any additional specified training, sales programs or meetings. The Company may impose a reasonable charge on the Franchise Owner for any training provided to Franchise Owner, its managers or employees beyond the initial training program. Any such fees will be uniform as to all persons attending additional training at that time and may be based on the Company's out-of-pocket expenses plus a per diem rate for the training personnel. The Company may require Franchise Owner to complete additional training before offering new products or services from the Franchise Business.

Franchise Owner understands and agrees that any specific ongoing training or advice the Company provides does not create an obligation (whether by course of dealing or otherwise) to continue to provide such specific training or advice, all of which the Company may discontinue and modify from time to time.

(D) Franchise Owner's Responsibilities Relating to Training Provided by the Company.

Franchise Owner will be responsible for paying its and its employees' wages or salaries, and expenses for travel, food, and lodging incurred during all training programs. Franchise Owner acknowledges and agrees that no compensation or other benefits will be paid by the Company to Franchise Owner, its principals, owners, managers or employees for any services performed by Franchise Owner or its principals, owners, managers or employees during training at any Store operated by the Company, its affiliates or any other person. Franchise Owner will be responsible for compliance with all minimum wage and hour and other employment laws applicable to Franchise Owner's employees attending training and/or providing services during training. Franchise Owner assumes all responsibility for any injuries sustained by Franchise Owner, its principals, owners, managers or employees while attending training. Franchise Owner agrees to indemnify and hold harmless the Company and its affiliates, agents and employees from any injuries or damages arising out of or related to attendance and participation in training by Franchise Owner or its principals, owners, managers or employees.

SECTION 11 - Confidential Information

(A) Confidential Information Defined.

The Company possesses and uses, and on signing of this Agreement Franchise Owner will have the right to possess and use, certain proprietary and/or confidential information relating to developing and operating a Store (the “Confidential Information”). The Confidential Information includes, but is not limited to:

- (1) Operations Manuals, training methods, operations methods, and other techniques, processes, policies, procedures, systems and data;
- (2) Knowledge and experience relating to Stores;
- (3) Advertising, Brand Guidelines Manual, marketing techniques and advertising programs used in developing and operating Stores;
- (4) All information regarding the identities and business transactions of customers and suppliers;
- (5) Computer software and similar technology that has been or may be developed by or for the Company or its agents, which is proprietary to the Company, including, without limitation, digital passwords and identifications and any source code of, and data, reports, and other printed materials generated by, the software or similar technology;
- (6) Knowledge of the operating results and financial performance of Stores;
- (7) Other aspects of the Franchise System now or later revealed to Franchise Owner under this Agreement and all changes and enhancements in the Franchise System, even if developed by Franchise Owner.
- (8) Other property that the Company describes as being Confidential Information or trade secrets of the Franchise System.

(B) Ownership and Use of Confidential Information.

Franchise Owner acknowledges that the Company or an affiliate of the Company owns the Confidential Information and agrees that Franchise Owner will not acquire any interest in the Confidential Information, other than the right to use it as the Company specifies solely for the purpose of establishing and operating the Franchise Business during the term of this Agreement. Franchise Owner acknowledges and agrees that the Confidential Information is proprietary to the Company and is disclosed to Franchise Owner in confidence only on the condition that Franchise Owner and its affiliates and the shareholders, officers, directors, members, partners, owners, investors, employees, and agents of Franchise Owner and its affiliates agree that they will:

- (1) Not use the Confidential Information in any business or capacity other than in the Franchise Business as authorized by this Agreement, both during the term of this Agreement and after expiration or termination of this Agreement for as long as the Confidential Information is not generally known in the industry;

(2) Keep each item deemed to be part of Confidential Information absolutely confidential, both during the term of this Agreement and after expiration or termination of this Agreement for as long as the item is not generally known in the industry;

(3) Not reveal any Confidential Information or any documentation relating to the Confidential Information or allow access to any internet-based systems or other on-line system maintained by the Company to any person or entity other than a person authorized by the Company;

(4) Not make unauthorized copies of any Confidential Information disclosed via electronic medium or in written or other tangible form;

(5) Adopt and implement procedures to prevent unauthorized use or disclosure of Confidential Information, including, without limitation, restricting its disclosure to Franchise Owner's employees; and

(6) Require Franchise Owner's employees and agents to sign an agreement relating to confidentiality and/or non-competition in a form approved by the Company before revealing any aspect of the Confidential Information to the employee or agent. The Company has the right to be a third party beneficiary of those agreements with independent enforcement rights.

(C) Development of New Proprietary or Confidential Information.

All ideas, concepts, techniques, variations, improvements, marketing programs, techniques, materials or other intellectual properties that relate to or enhance the Franchise Business or the Franchise System, whether or not protectable intellectual property and whether created by or for the Company or by or for Franchise Owner, must be promptly disclosed to the Company and will be the Company's sole and exclusive property, part of the Franchise System, and works made-for-hire for the Company. Franchise Owner hereby permanently and irrevocably assigns ownership of the intellectual property, and all related rights to it, to the Company to the extent that any intellectual property does not qualify as a "work made-for-hire" for the Company. Franchise Owner agrees to take whatever action (including signing an assignment or other documents) that the Company requests to evidence the Company's ownership in the intellectual property.

(D) Expiration, Termination or Transfer of this Agreement.

Franchise Owner agrees that when this Agreement expires, is terminated, or on the assignment or transfer of the Franchise Business, Franchise Owner will immediately cease using any and all of the Confidential Information in any business or otherwise, and return to the Company all copies of all Confidential Information that Franchise Owner has in its possession. Franchise Owner acknowledges and agrees that it will be liable to the Company for any use of the Confidential Information not authorized by this Agreement.

SECTION 12 – Restrictions on Competition

(A) Covenant Not to Compete During Term.

Franchise Owner and its affiliates and the past, present, and future shareholders, officers, directors, members, partners, owners, and investors of Franchise Owner and its affiliates must not, during the term of this Agreement: (a) engage in any activity in competition with the Company or its Franchise Owners, including but not limited to involvement, whether as

an owner (except ownership of no more than 1% of a publicly traded entity), director, officer, manager, employee, consultant, lender, representative or agent, or in any other capacity, or otherwise in any business that is involved, in whole or in part, in a "Competing Business" (defined in Section 12(D)) (except other Stores operated under franchise agreements entered into between Franchise Owner or its affiliate and the Company), or in any business or entity that franchises, licenses, or otherwise grants to others the right to operate a Competing Business, without the prior written approval of the Company.

(B) Covenant Not to Compete After Term.

On the termination (including termination on Transfer), expiration or non-renewal of this Agreement, except termination by Franchise Owner for cause, Franchise Owner and its affiliates and the past, present, and future shareholders, officers, directors, members, partners, owners, and investors of Franchise Owner and its affiliates must not, for a period of two years commencing on the later of the effective date of termination, expiration or non-renewal, or the date of any Court order enforcing this provision, directly or indirectly, engage in any activity in competition with the Company or its Franchise Owners, including but not limited to involvement, whether as an owner (except ownership of no more than 1% of a publicly traded entity), partner, director, officer, manager, employee, consultant, lender, representative or agent, or in any other capacity in any business that is involved, in whole or in part, in a Competing Business (except other Stores operated under franchise agreements entered into between Franchise Owner or its affiliate and the Company) or in any business or entity that franchises, licenses, or otherwise grants to others the right to operate a Competing Business within any Geographic Areas (defined in Section 12(D)).

(C) Other Restrictions.

Franchise Owner and its affiliates and the past, present, and future shareholders, officers, directors, members, partners, owners, and investors of Franchise Owner and its affiliates, must not, during the term of this Agreement and for a period of two years after termination, expiration, or non-renewal of this Agreement, directly or indirectly: (1) divert or attempt to divert any business or customer of the Franchise Business or any other Store to any Competing Business by direct or indirect inducements or otherwise; (2) sponsor, appoint or encourage or influence or promote friends, relatives or associates to operate a Competing Business; or (3) employ any person who is engaged or has arranged to become engaged in any activity in competition with Stores, including but not limited to involvement, either as an owner (except no more than 1% of the publicly traded securities of an entity), partner, director, officer, employee, consultant, lender, representative or agent, or in any other capacity, of any business that is involved, in whole or in part, in a Competing Business or in any business or entity that franchises, licenses or otherwise grants to others the right to operate a Competing Business. After the termination, expiration, or non-renewal of this Agreement, the restrictions in subsections (2) and (3) will only apply if the Competing Business is operated in the Geographic Areas.

(D) Definitions of Competing Business and Geographic Areas.

The following definitions will apply to this Agreement:

- (1) "Competing Business" means a retail business in which coffee based drinks constitute at least 5% or more of the sales of the business.

(2) "Geographic Areas" means: (i) the Franchise Location; (ii) the area within two miles of the Franchise Location; and (iii) the areas within two miles of any other Store existing at the time Franchise Owner begins to operate the Competing Business.

(E) Acknowledgements and Agreements Relating to Restrictions on Competition.

Franchise Owner acknowledges and agrees that the length of the post-term restrictions and the geographical restrictions contained in this Section are fair and reasonable. The parties have attempted to limit Franchise Owner's right to compete only to the extent necessary to protect the reasonable competitive business interests of the Company and its Franchise Owners. If the above restrictions or any part of these restrictions are invalid, this Section will be considered as imposing the maximum restrictions allowed under the applicable state law in place of the invalid restriction or part of the restriction. In addition, the Company reserves the right to reduce the scope of these provisions without Franchise Owner's consent, at any time, effective immediately on notice to Franchise Owner.

If Franchise Owner is not an individual, the owners of Franchise Owner (stockholders, partners, members, etc.) will be bound by this Section 12 and must, contemporaneously with signing this Agreement, sign the Obligations and Representations of Individuals Involved in the Franchise Business attached as Appendix B to this Agreement.

SECTION 13 - Transferability

(A) General Rules.

This Agreement is personal to Franchise Owner or to the owners of Franchise Owner if Franchise Owner is a corporation, partnership or other entity. This Agreement or any interest in the corporation, partnership or other entity (if Franchise Owner is a corporation, partnership or other entity) must not be transferred, assigned, pledged, encumbered or sold, either directly, indirectly or contingently, whether voluntarily or by operation of law, except with the prior written consent of the Company and then only in accordance with the provisions of this Section 12. Any attempted assignment or transfer not in accordance with this Agreement will have no effect and will constitute a breach of this Agreement. Franchise Owner must not transfer or sell substantially all the assets of its Franchise Business, either directly or indirectly or contingently, except with the prior written consent of the Company. Franchise Owner acknowledges that the Company may reasonably withhold its consent to a sale of substantially all of the assets of the Franchise Business during the term of this Agreement unless those assets are being sold to a transferee approved by the Company in accordance with this Section 12, who will operate a Store at the Franchise Location.

Franchise Owner acknowledges and agrees that the following types of assignment or transfer are not permitted under this Agreement: (1) an assignment or transfer of any interest in this Agreement or any interest in Franchise Owner before Franchise Owner has opened and is operating the Franchise Business; and (2) a sublicense of any of the rights granted by this Agreement.

(B) Notice of Proposed Transfer; Right of First Refusal.

Franchise Owner or any person owning an interest in Franchise Owner or any legal heir or devisee of any deceased Franchise Owner or person owning an interest in Franchise Owner ("Seller") who receives and desires to accept a *bona fide* offer from a third party to engage in a transfer, must notify the Company in writing of such offer ("Offer Notice") within ten days of receipt of the offer. The Offer Notice must describe the proposed transfer in detail, including the name and address of the proposed purchaser, the nature of the transfer, the consideration to be paid, and all

other material terms and conditions of the transfer. In addition to the Offer Notice, the Seller must also deliver copies of all documents to be executed in conjunction with the transfer and any financial or other information as the Company may specify to reasonably inform the Company of the financial condition of the Franchise Business, including but not limited to financial statements and tax returns of the Franchise Business.

The Company will have, for a period of 30 days from the date of delivery of the information specified above, the right and option ("right of first refusal"), exercisable by written notice to the Seller, to purchase the Seller's interest on the terms specified in the Offer Notice (modified as described below). The Company may designate a substitute purchaser to complete the transfer. If the transfer involves the purchase of stock or other ownership interests, the Company will have the option to purchase the assets of the Franchise Business instead for equivalent consideration. If the consideration, terms or conditions offered by the proposed purchaser are such that the Company may not reasonably be required to furnish the same, for example, if the consideration is not cash or cash equivalents, the Company may pay a reasonable equivalent in cash. If the Seller and the Company are not able to agree within a reasonable time on equivalent or substitute cash consideration, the determination will be made by appraisal using the method described in Section 19(C).

If the Company exercises its right of first refusal, the Transfer between the Company and Seller will be closed by the later of: (a) 90 days after exercise of the right of first refusal; or (b) 30 days after any necessary determinations of equivalent or substitute cash consideration. The Company will be entitled to customary warranties, closing documents and post-closing indemnifications.

If the Company does not exercise its right of first refusal and the Company consents to the proposed transfer (subject to the conditions set forth in Section 13(C) below), the Seller may complete the proposed transfer, but only on the same terms as offered to the Company. However, the proposed transfer must be completed within 60 days after the expiration of the Company's 30 day option period. If the transfer is not completed within the 60 day period, the transfer will again become subject to the Company's right of first refusal as set forth in this Section.

(C) Conditions of the Company's Consent to Transfer.

If the Company does not exercise its right of first refusal under Section 13(B), Franchise Owner may only engage in the proposed transfer if the Company consents to the proposed transfer. Before the Company consents to a proposed transfer, the conditions listed below, as well as any other reasonable conditions specified by the Company, must be fulfilled. If these conditions are met, the Company will not unreasonably withhold its consent to a proposed Transfer of the type permitted by this Agreement.

Before the Company consents to a transfer of the type permitted by this Agreement, all of the following conditions must be fulfilled:

(1) The proposed transferee must follow the same application procedures as a new franchise owner and must meet the same standards of character, business experience, credit standing, health, etc. as the Company has set for any new franchise owner.

(2) If the proposed transferee or a principal of the proposed transferee is an existing franchise owner of the Company or a principal of an existing franchise owner of the

Company, the application and approval process for the proposed transferee may involve additional conditions specified by the Company, including: (a) all franchises owned in whole or in part by the proposed transferee or the principal must be current in all obligations to the Company and its affiliates; (b) all Stores owned by the proposed transferee or the principal must be operated in full compliance with all operational standards and specifications of the Company; and (c) each department head of the Company must approve the proposed transferee based on the current status and history of operation of other Stores operated by the proposed transferee or the principal.

(3) The proposed transfer must be for a price and on terms and conditions that the Company determines to be reasonable and the proposed transferee must demonstrate the ability to fund the proposed transfer and the operation of the Franchise Business under the financial terms of the proposed transfer.

(4) Franchise Owner must be in full compliance with all provisions of this Agreement and must pay the Company and its affiliates, the advertising fund, the e-card fund, and all suppliers of the Franchise Business all monies owing.

(5) Franchise Owner must sign at the time of transfer, an agreement terminating or assigning this Agreement (at the Company's option) and must sign an agreement, in the form specified by the Company, releasing the Company and its affiliates and their owners, directors, members, employees and agents from any claims, liabilities, damages and causes of action.

(6) The proposed transferee must satisfactorily complete the Company's initial training program before completion of the transfer.

(7) The proposed transferee must, at the Company's option: (i) sign with the Company a Franchise Agreement on the standard form in use by the Company at the time of Transfer, which agreement will have a term equal to the full term provided in the standard form of Franchise Agreement, or (ii) sign, with Franchise Owner, an assignment and assumption satisfactory to the Company, whereby the proposed transferee would be entitled to all of Franchise Owner's rights under this Agreement and assume all of Franchise Owner's obligations under this Agreement. The owners of transferee must personally guaranty the transferee's obligations to the Company by signing the Company's standard personal guaranty form.

(8) Unless otherwise agreed by the Company: (a) if a new Franchise Agreement is signed by the transferee, the Company may require Franchise Owner and/or its personal guarantors to guaranty the obligations of transferee to the Company; and (b) if this Agreement is assigned to the transferee, Franchise Owner and its guarantors will continue to be responsible to the Company under this Agreement and any guaranties signed in connection with this Agreement.

(9) The proposed transferee must pay the Company a transfer fee. If the proposed transferee is an existing Franchise Owner of the Company in full compliance with its obligations to the Company, the transfer fee will be \$5,000. If the proposed transferee is not an existing Franchise Owner of the Company in full compliance with its obligations to the Company, the transfer fee will be \$20,000 and includes training for the transferee. The transfer fee will be due at the time of execution of a consent by the Company to the proposed transfer.

(10) The proposed transferee must agree that, within 90 days of the transfer, it will take any action specified by the Company to refurbish, update, upgrade, construct and/or improve the Franchise Location and the equipment, fixtures and signs at the Franchise Location in compliance with the Company's then applicable specifications and standards, including but not limited to specifications for build-out, decor, signage, equipment, layout, space, awnings, umbrellas, etc. Franchise Owner acknowledges that the Company may not uniformly impose these obligations on transfer of its franchises based on numerous factors and that the proposed transferee may be required to take steps that have not been required of other franchises.

(11) Franchise Owner and the proposed transferee must comply with any other standard procedures specified by the Company.

Franchise Owner acknowledges that the conditions listed above are necessary for protection of the Franchise Marks and System and do not impose unreasonable restrictions on the transfer of this Agreement.

(D) Transfer on Death or Incapacity.

If Franchise Owner or the last surviving Principal of Franchise Owner (if Franchise Owner is a corporation, partnership or other entity) dies or becomes incapacitated, Franchise Owner's or the Principal's rights under this Agreement will pass to the estate, heirs, devisees or legal representatives of Franchise Owner or the Principal of Franchise Owner (collectively referred to in this Agreement as the "estate"). The estate may continue operation of the Franchise Business if: (1) the estate provides a qualified individual acceptable to the Company to manage and operate the Franchise Business on a full time basis; (2) this manager attends and successfully completes the Company's training program at the estate's expense; and (3) this manager assumes full time operation of the Franchise Business within 60 days of the date Franchise Owner or Principal dies or becomes incapacitated. If the estate fails to designate an acceptable manager or the designated manager fails to attend and satisfactorily complete the training program and to assume the full time operation of the Franchise Business within 60 days of the death or incapacity, then the estate must sell the estate's interest in the Franchise Business or in this Agreement within 180 days of the date of death or incapacity. Any sale must be made in accordance with Section 13(C).

After the date of death or incapacity, until a trained manager assumes full time operational control of the Franchise Business or until the estate's interest in the Franchise Business or in this Agreement is sold, the Company may, at its option, assume control of and operate the Franchise Business. During any period that the Company operates the Franchise Business, the Company may deduct its expenses for travel, lodging, meals and all other expenses and fees from the Franchise Business's gross receipts. Any remaining gross receipts of the Franchise Business, after paying all other operational expenses of the Franchise Business will be paid to the estate. Any deficiency in amounts due to the Company under this Section or any deficiencies from operation of the Franchise Business must be paid by the estate within 10 days of a notice of deficiency from the Company. The Company is not obligated to operate the Franchise Business. If the Company does operate the Franchise Business, the Company will not be responsible for any operational losses of the Franchise Business, nor will the Company be obligated to continue operation of the Franchise Business.

(E) Transfers to Controlled Entities.

If Franchise Owner is in full compliance with this Agreement, the Agreement may be assigned to a corporation, partnership or other entity in which the Franchise Owner owns and will continue to own at least a majority of the issued and outstanding stock, partnership interest, or other ownership interests and in which the Franchise Owner will act as its principal executive officer or manager ("Controlled Entity"), provided that:

(1) The Controlled Entity is newly organized and its organizational document provides (and will continually provide) that its activities are confined exclusively to the operation of the Franchise Business;

(2) All documents evidencing ownership in the Controlled Entity bear a legend that they are subject to the terms of this Agreement;

(3) All owners of the Controlled Entity execute this Agreement and agree to be personally bound, jointly and severally, by all of the provisions of this Agreement;

(4) The Controlled Entity agrees to be bound by all the provisions of this Agreement and to assume and discharge all of the Franchise Owner's obligations under this Agreement; and

(5) The Controlled Entity will have no right to sell, assign or transfer the rights granted under this Agreement except in accordance with the provisions of Article 12 of this Agreement.

(F) Minor Changes in Ownership.

A change in ownership of Franchise Owner of less than 50% of the initial ownership, in the aggregate, is exempt from the transfer requirements of this Section, except that written notice of the proposed change in ownership of Franchise Owner must be delivered to the Company and the Company must indicate in writing that it has no objection to the change in ownership of Franchise Owner before the occurrence of the change in ownership.

(G) Assignment by the Company.

This Agreement is fully assignable by the Company and will inure to the benefit of any assignee or other legal successor to the interests of the Company, and the Company may sell, assign, discount or otherwise transfer any rights under this Agreement or any other assets of the Company or its owners, without notice to approval of any Franchise Owner, at any time. However, the Company will remain liable for the performance of its obligations under this Agreement or will make provision for the performance of those obligations by the assignee, to the extent required by applicable law.

SECTION 14 - Default and Termination

(A) Default by the Company; Termination by Franchise Owner.

The Company will be considered in default of this Agreement if the Company breaches any material obligations of the Company under this Agreement and fails to cure that default within 30 days of written notice from Franchise Owner. As a remedy for a default by the Company, Franchise Owner may elect to terminate this Agreement, but only if: (a) Franchise Owner is in full compliance with all terms of this Agreement; (b) Franchise Owner provides written notice to the Company specifying the alleged material default by the Company and the proposed date of

termination; and (c) the Company has committed the alleged material default and has not cured the default within 30 days of written notice from Franchise Owner of the default. Written notice from the Franchise Owner of the alleged material default must specify in writing with particularity the nature of the alleged material default and the steps Franchise Owner requests that the Company take to cure the alleged material default. The Company will have not less than 30 days to cure the alleged material default. Failure of Franchise Owner to comply with the provisions of this Section will result in any attempt to terminate being deemed null and void and without legal effect.

(B) Default by Franchise Owner.

Franchise Owner will be considered in default of this Agreement on the occurrence of any of the events listed in Sections 14(C), (D), and (E) below or otherwise listed as a default in this Agreement or if Franchise Owner breaches any other obligation of Franchise Owner under this Agreement.

(C) Events of Default by Franchise Owner Before Opening; No Right to Cure.

Any of the following events of default will constitute a default by Franchise Owner and good cause for termination of this Agreement by the Company without affording Franchise Owner an opportunity to cure (except as may be required by applicable law).

(1) Franchise Owner fails to acquire the Franchise Location within the time period required under this Agreement;

(2) The Company determines that Franchise Owner cannot, will not or has not completed the Company's pre-opening training programs to the satisfaction of the Company, or fails to demonstrate the qualities and abilities which the Company deems necessary for the successful operation of the Franchise Business;

(3) Franchise Owner is unable to obtain, without extraordinary administrative proceedings or litigation, any permit or license necessary to develop and open the Franchise Business;

(4) Franchise Owner fails to pay any amounts due to the Company or is unable to obtain adequate financing to cover all costs of developing, opening and operating the Franchise Business; and

(5) Franchise Owner fails to complete all required training and to open the Franchise Business within the time required under this Agreement.

Any of the following events will constitute a default by Franchise Owner and good cause for termination of this Agreement by the Company without affording Franchise Owner an opportunity to cure (except as may be required by applicable law).

(1) Any willful and material misrepresentation by Franchise Owner relating to the acquisition of this franchise or the on-going operation of the Franchise Business;

(2) Any assignment or transfer of this Agreement or the Franchise Business without complying with Section 12;

(6) Franchise Owner is assessed operational standards fees under Section 4(Q) three or more times in a 12 month period

(9) Any conduct by the Franchise Owner that reflects materially and adversely on the operation or reputation of the Franchise Marks or System.

(E) Default by Franchise Owner After Opening; Right to Cure.

(6) The cancellation of any guaranty of the obligations of this Agreement that was executed in conjunction with the execution of this Agreement.

(F) Termination by the Company.

The Company has the right to terminate this Agreement before its expiration only for good cause and only in accordance with the requirements of this Section. Good cause for termination of this Agreement by the Company includes any default of Franchise Owner as defined in this Section 14 or elsewhere in this Agreement.

(1) On the happening of any of the events specified in Sections 14(C) and (D), the Company may, at the Company's option, terminate this Agreement effective on delivery of written notice to Franchise Owner without affording Franchise Owner an opportunity to cure (except as may be required by applicable law).

(2) On the happening of any of the events specified in Section 14(E) or elsewhere in this Agreement or for any other good cause, the Company may, at its option, terminate this Agreement effective on written notice to Franchise Owner and Franchise Owner's failure to cure the defaults during the applicable cure period. Written notice of termination from the Company must specify any defaults under this Agreement or other reasons for termination and the date the termination will be effective. The effective date of termination must be: (1) at least 10 days from the date of notice for defaults described in Sections 14(E)(1), (2) and (3); and (2) at least 30 days from the date of notice in all other instances. Termination will be automatically effective without further action by the Company on the date specified in the notice as the effective date of termination unless Franchise Owner completely cures, before the date specified in the notice as the effective date of termination, all the defaults or other reasons for termination specified by the Company in the notice.

(G) Right to Withhold Products on Certain Defaults by Franchise Owner.

If Franchise Owner commits any of the defaults listed below, the Company will have the right to refuse to sell products to Franchise Owner and to cause Approved and Designated Suppliers to refuse to sell proprietary products to Franchise Owner. The defaults giving rise to this remedy include: (1) a payment due to the Company from Franchise Owner is more than 30 days past due; (2) Franchise Owner owes the Company \$10,000 or more in past due payments; (3) any other default under this Agreement that has not been cured within 30 days of written notice; or (4) a payment due to an advertising cooperative or other advertising fund or to an E-card fund from Franchise Owner is more than 30 days past due. In addition, if Franchise Owner has not satisfied all the conditions of renewal as specified in Section 3(B), but continues to operate the Franchise Business after the end of the term of this Agreement, the Company will have the right to refuse to sell products to Franchise Owner and to cause Approved and Designated Suppliers to refuse to sell proprietary products to Franchise Owner. The remedies set forth in this Section will not be the sole remedies of the Company for such defaults and the

Company may exercise any other remedies, including but not limited to, termination of this Agreement.

(H) Other Remedies.

The exercise of any remedy by the Company as described in this Section 14 or elsewhere in this Agreement and/or enforcement of the provisions of Section 15 on termination or expiration of this Agreement will not affect or prejudice any other rights or remedies of the Company for breach of this Agreement by Franchise Owner whether those rights and remedies are contained in this Agreement or otherwise provided by law or equity. The Company's other rights and remedies may include, but are not limited to, an action for specific enforcement of this Agreement or other injunctive relief or an action for damages caused by the breach.

SECTION 15 - Effect of Termination or Expiration

(A) Obligations of Franchise Owner.

On expiration or termination of this Agreement for any reason (including termination on a transfer), Franchise Owner's rights to use the Marks and the System and all other rights associated with being an authorized franchise owner of the Company will cease and Franchise Owner must do the following:

(1) Franchise Owner must immediately and permanently discontinue the use of the Marks, the System or any marks or names or logos confusingly similar to the Franchise Marks, or any other materials that may, in any way, indicate that Franchise Owner is or was a franchise owner of the Company, or in any way associated with the Company. Franchise Owner must refrain from doing anything that would indicate that Franchise Owner is or ever was an authorized franchise owner of the Company.

(2) Franchise Owner must immediately discontinue all advertising placed or ordered. Franchise Owner must remove and deliver to the Company all sign faces and other exterior or interior signage, advertising and promotional material, stationery, letterhead, forms and any other items bearing the Franchise Marks. Franchise Owner must bear the cost of sign and other identification removal and the cost of shipping signs and other materials to the Company. If Franchise Owner remains in possession of the Franchise Location, Franchise Owner must alter the premises to distinguish the premises from the appearance of a Store. Franchise Owner agrees that, if the Franchise Owner fails to fulfill its obligations under this Section, the Company or a designated agent may enter on the Franchise Location at any time to make such changes at Franchise Owner's sole risk and expense and without liability for trespass. The Company will be entitled to acquire ownership of all sign faces and other exterior and interior signage not removed by Franchise Owner in consideration of the Company's expense incurred in removing the signage for the benefit of Franchise Owner.

(3) Franchise Owner must cease using the Operations Manual and all proprietary business information provided by the Company and return to the Company the Operations Manual and other bulletins or other materials received from the Company containing information about the Franchise Business and any authorized or unauthorized copies of those materials.

(4) Franchise Owner must immediately and permanently cease to use all telephone numbers, fax numbers, Electronic Media and other comparable electronic

identifiers that have been used in the Franchise Business and if requested by the Company, must assign all telephone numbers, fax numbers, Electronic Media and other comparable electronic identifiers of the Franchise Business to the Company. Franchise Owner acknowledges that as between the Company and the Franchise Owner, the Company has the sole rights to all telephone numbers, fax numbers, Electronic Media and other comparable electronic identifiers and all written and online directory listings associated with the Franchise Marks and Franchise Owner authorizes the Company, and appoints the Company and any officer of the Company as its attorney-in-fact, to direct the applicable service providers and all listing agencies to transfer those items to the Company or its agent or assignee if the Franchise Owner fails or refuses to do so. The applicable service providers and all listing agencies may accept the direction in this Agreement as conclusive evidence of the exclusive rights of the Company in such telephone numbers, fax numbers, Electronic Media and other comparable electronic identifiers and directory listings and its authority to direct their transfer.

(5) Franchise Owner must cease using any business name containing any of the Franchise Marks and must file an abandonment or discontinuance of the name with the appropriate local, county or state agency.

(6) Franchise Owner must sell to the Company all or part of Franchise Owner's inventory or products on hand as of the date of termination or expiration that are uniquely identified with the Company, if any, as the Company may request in writing before or within 30 days after the date of termination or expiration. The sales price will be the current published prices then being charged by the manufacturer or supplier to authorized franchise owners of the Company, not including any costs of storage or transportation paid by Franchise Owner to bring the goods initially to the Franchise Business, minus all costs incurred or to be incurred by the Company to restore the goods or the packaging of the goods to a saleable condition and minus a reasonable allowance for physical deterioration, obsolescence or damage to the extent not restored.

(B) Option to Lease the Franchise Location.

If this Agreement terminates or expires for any reason, other than a termination by Franchise Owner for cause, the Company will have the right to assume Franchise Owner's lease or land license for the Franchise Location. As noted previously, for purposes of this Agreement, references to a "lease" will include a land license, if applicable. If the Company exercises this right, the Company must assume and hold Franchise Owner harmless from all liability under the lease arising after the assumption by the Company. If the Franchise Location is owned by Franchise Owner and this Agreement terminates or expires for any reason other than a termination by Franchise Owner for cause, the Company will have the option to lease the Franchise Location on substantially the same terms and conditions contained in Franchise Owner's lease for the Franchise Location, or, if no lease exists or if the existing lease is not commercially reasonable, then on terms and conditions that are commercially reasonable. If the parties cannot agree on the rent to be charged under the lease, the rent will be determined by appraisal using the method described in Section 19(C). The Company must exercise the options granted in this Section no later than 30 days after the date of expiration or termination of this Agreement.

(C) Option to Purchase Assets.

If this Agreement expires or terminates for any reason, except termination by Franchise Owner for cause, the Company will have the option, but not the obligation to purchase the assets of the Franchise Business. The assets of the Franchise Business include equipment, furniture,

signs, inventory, trade fixtures (including, if applicable, any modular units that are part of or attached to the Franchise Location), and other personal property of the Franchise Business. The purchase price will be the fair value of the assets as agreed by the parties or in the absence of an agreement, as determined by appraisal using the method described in Section 19(C). If the assets or a portion of the assets are leased by Franchise Owner under an equipment (or other personal property) lease, the Company may elect to assume the lease as part of the transaction. The purchase price will be reduced by any current and long term liabilities of the Franchise Business that the Company agrees to assume and any amounts owed to the Company by Franchise Owner. The Company must exercise the option granted in this Section no later than 30 days following the determination of a price for the assets. Closing of the sale must take place within 30 days after the Company exercises its option to purchase the assets or a later date, if agreed to by the parties, as necessary to comply with applicable bulk sales or other similar laws. At closing, the Company and Franchise Owner agree to sign and deliver all documents necessary to vest title in the assets purchased by the Company free and clear of all liens and encumbrances, except any assumed by the Company. The Company reserves the right to assign its option to purchase the assets of the Franchise Business or designate a substitute purchaser of the assets of the Franchise Business.

(D) Damages for Franchise Owner's Failure to Open Store.

If this Agreement is terminated by the Company under Section 14(C)(1) or Section 14(C)(5), the Company will be entitled to recover from Franchise Owner damages attributable to the loss of bargain resulting from that termination. The Company's damages will result from the delay in having a Store open that is paying royalty to the Company and the cost of obtaining a replacement franchise owner. The parties stipulate and agree that the damages for the Company's loss of bargain in those circumstances will be \$27,000. The parties acknowledge and agree that the actual damages that will be sustained by the Company if the Company terminates this Agreement under Section 14(C)(1) or Section 14(C)(5) are incapable of precise calculation at the time of execution of this Agreement. The parties further acknowledge and agree that the damages set forth in this Section are a reasonable estimation of those damages.

(E) Surviving Obligations.

Termination or expiration of this Agreement will not affect Franchise Owner's obligations or liability to the Company for amounts owed to the Company under this Agreement or for the Company's damages attributable to the loss of bargain resulting from termination of this Agreement before its expiration. Also, termination of this Agreement will not affect Franchise Owner's obligations under Section 6 relating to the Franchise Marks, Section 8(N) relating to indemnification, Section 11 relating to confidentiality, Section 12 relating to restrictions on competition and other restrictions, Sections 15(B) and (C) relating to the Company's option to lease the Franchise Location and/or purchase the assets of the Franchise Business, Section 16 relating to dispute resolution, and other obligations in this Agreement which, by their terms or intent survive termination or expiration of this Agreement.

SECTION 16 - Law and Jurisdiction; Injunctive Relief; Costs of Enforcement; Limitations of Claims

(A) Applicable Law.

This Agreement takes effect on its acceptance and execution by the Company in Michigan. Except for the applicability of the U.S. Trademark Law or other applicable federal law, all controversies, disputes or claims arising from or related to: (a) this Agreement or any other agreement between Franchise Owner (or Franchise Owner's owners) and the Company; (b) the Company's relationship with Franchise Owner; (c) the validity of this Agreement or any other

agreement between Franchise Owner (or Franchise Owner's owners) and the Company; or (d) any standard under the Franchise System and/or Operations Manual; will be interpreted and construed under the laws of Michigan. In the event of any conflict of law, the laws of Michigan will prevail, without regard to the application of Michigan conflict-of-law rules. If, however, any provision of this Agreement would not be enforceable under the laws of Michigan, and if Franchise Owner's business is located outside of Michigan and such provision would be enforceable under the laws of the state in which Franchise Owner's business is located, then such provision will be interpreted and construed under the laws of that state. Notwithstanding the foregoing, this Agreement will not be subject to any franchise or similar law, rule, or regulation of the State of Michigan unless the jurisdictional requirements of that law are met independently without reference to this Section.

(B) Jurisdiction and Venue.

Any action brought by Franchise Owner (or Franchise Owner's owners) against the Company or the Company's affiliates or their respective owners, officers, directors, managers, agents or employees, must be brought exclusively, and any action brought by the Company against Franchise Owner (or Franchise Owner's owners) may be brought, in the federal district court covering the location at which the Company has its principal place of business at the time the action is commenced; provided, however, that if the federal court would not have subject matter jurisdiction had the action been commenced in such court, then, in such event, the action must (with respect to actions commenced by Franchise Owner), and may (with respect to actions commenced by the Company), be brought in the state court within the judicial district in which the Company has its principal place of business at the time the action is commenced. The parties waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision. Neither party will seek a transfer or change in venue from a venue established or authorized in this Section or elsewhere in this Agreement.

(C) Injunctive Relief.

The Company will have the right, without the posting of any bond or security and without the need to prove irreparable injury, to apply for a specific enforcement of the terms of this Agreement from a court of competent jurisdiction, by temporary or permanent injunctions or other equitable relief. The Company will have the right to obtain injunctive relief to prevent Franchise Owner from engaging in the following acts, which Franchise Owner acknowledges would cause irreparable harm to the Company: (1) using any of the rights franchised by this Agreement in any manner not authorized in this Agreement; (2) engaging in competitive operations in violation of the in-term and post-term restrictions on competition set forth in Section 12; (3) disclosing to any person or using in a competitive business, the trade secrets or confidential information of the Company; (4) transferring or assigning this Agreement or the assets of the Franchise Business without complying with this Agreement; (5) engaging in acts or practices in violation of applicable laws and regulations or that are fraudulent, dishonest or create health or other hazards to the public; or (6) significantly impairing the goodwill associated with the Company. The sole remedy of Franchise Owner, in the event of entry of an injunction, will be the dissolution of the injunction, if warranted, after notice and a hearing (all claims for damages by reason of the wrongful issuance of any injunction are being expressly waived by Franchise Owner). The Company's rights to apply for injunctive relief are in addition to all other remedies available to the Company under applicable law.

(D) Costs of Enforcement.

If any legal action or other proceeding is begun for the enforcement of this Agreement, or for an alleged dispute, breach, default or misrepresentation under any term of this Agreement, the prevailing party is entitled to recover reasonable pre-institution and post-institution attorneys fees, court costs, and all expenses even if not taxable as court costs (including all fees and expenses

incident to appellant, bankruptcy and post-judgment proceedings), incurred in the action or proceeding in addition to all other relief to which the party is entitled. Attorneys fees includes paralegal fees, administrative costs, investigative costs, costs of expert witnesses, court reporter fees, sales and use taxes, if any, and all other charges billed by the attorney to the prevailing party. If the Company engages legal counsel because of the Franchise Owner's failure to pay when due any monies owed under this Agreement or submit when due any reports, information or supporting records, or for any failure to otherwise comply with this Agreement, the Franchise Owner must reimburse the Company on demand for all of the above listed expenses the Company incurs.

(E) No Class Action or Consolidation.

The Company and Franchise Owner agree that any litigation will only be conducted on an individual, not a class-wide basis, and that a litigation proceeding between the Company and Franchise Owner may not be consolidated with any other litigation proceeding between the parties and any other individual, corporation, limited liability company, partnership or other entity. The parties waive, to the fullest extent allowed by law, any right to pursue or participate as a lead plaintiff or a class representative in any claim on a class or consolidated basis.

(F) Time Period for Bringing Claims; Jury Waiver; Limitations of Damages.

ALL CLAIMS, EXCEPT FOR MONIES DUE TO THE COMPANY, ARISING UNDER THIS AGREEMENT OR FROM THE RELATIONSHIP BETWEEN THE PARTIES ARE BARRED UNLESS AN ACTION IS FILED AND TIMELY SERVED ON THE OPPOSING PARTY BY THE EARLIEST OF: (1) WITHIN ONE YEAR FROM THE OCCURRENCE OF THE ACT OR OMISSION GIVING RISE TO THE CLAIM; (2) WITHIN SIX MONTHS FROM THE DATE THE PARTY KNEW OR SHOULD HAVE KNOWN OF THE FACTS CREATING THE CLAIM; OR (3) WITHIN THE TIME PERIOD PROVIDED BY ANY APPLICABLE LAW OR STATUTE.

EACH PARTY AND ITS OWNERS, OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES, AGENTS, SUCCESSORS AND ASSIGNS IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY OR AGAINST THE OTHER PARTY OR ITS OWNERS, OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES, AGENTS, SUCCESSORS OR ASSIGNS, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING.

EXCEPT FOR FRANCHISE OWNER'S OBLIGATION TO INDEMNIFY THE COMPANY AND THE OTHER INDEMNIFIED PARTIES UNDER SECTION 8(N) AND CLAIMS THE COMPANY BRINGS AGAINST FRANCHISE OWNER FOR UNAUTHORIZED USE OF THE FRANCHISE MARKS OR UNAUTHORIZED USE OR DISCLOSURE OF ANY CONFIDENTIAL INFORMATION, THE COMPANY AND FRANCHISE OWNER (AND FRANCHISE OWNER'S OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN THE COMPANY AND FRANCHISE OWNER, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

SECTION 17 – Acknowledgments and Representations by Franchise Owner

(A) Risk of Operations; Challenges of New Markets.

Franchise Owner understands the risks of being involved in the Franchise Business and is able to bear such risks. Franchise Owner also acknowledges that the success of the Franchise Business depends primarily on Franchise Owner's efforts. In addition, other factors

beyond the control of the Company or Franchise Owner may affect the success of Franchise Owner's business, including competition, economic conditions, business trends, costs, market conditions, and other conditions that may be difficult to anticipate, assess or even identify. Franchise Owner understands and acknowledges that the Franchise Business may lose money or fail.

Franchise Owner understands and acknowledges that there will be heightened risks and challenges if Franchise Owner will be opening its franchise in a market where there are no or few other BIGGBY COFFEE franchises. In these new markets, initially there will be no or limited brand recognition, no or fewer other franchises to participate in marketing of the brand, limited supply chain experience, and less understanding and knowledge by the Company of the local market conditions. Franchise Owner acknowledges that, if it opens in a new market, Franchise Owner may have to work more diligently to develop its business and recognition of the BIGGBY COFFEE brand.

(B) Representations by the Company.

Franchise Owner acknowledges and agrees that, except as specifically set forth in this Agreement or the Company's Franchise Disclosure Document or the attached "Acknowledgments by Franchise Owner," no representations or warranties, express or implied, have been made to Franchise Owner, either by the Company, any agent, employee or representative of the Company, anyone purporting to represent the Company, or by any other franchise owner, including, but not limited to, the prospects for successful operations, the level of business or profits that Franchise Owner might reasonably expect, or the desirability, profitability or expected traffic volume or profit of the Franchise Business. Franchise Owner acknowledges that all such factors are necessarily dependent upon variables beyond the Company's control, including, without limitation, the ability, motivation and amount and quality of effort expended by Franchise Owner. Franchise Owner acknowledges that neither the Company nor any of its agents, employees, or representatives have made or are authorized to make any oral, written or visual representations or projections of actual or potential sales, earnings, net or gross profits, operational costs or expenses, prospects or chances of success that are not contained in this Agreement or in the Company's Franchise Disclosure Document. Franchise Owner agrees that it has not relied on and that the Company will not be bound by allegations of any representations as to earnings, sales, profits, costs, expenses, prospects or chances of success that are not contained in this Agreement or the Company's Franchise Disclosure Document.

(C) The Company's Review of Business Plans or Other Materials.

Franchise Owner understands and agrees that any business plan, pro-forma, projections, or other material prepared by Franchise Owner or its representatives and submitted to the Company is the sole responsibility of Franchise Owner. Any review by or comments from the Company or its representatives relating to those materials will be for discussion purposes only and will not constitute approval, endorsement or a guaranty of the information in those materials. The Company recommends that the Franchise Owner have an independent third party review and verify the accuracy and reasonableness of any business plan, pro-forma, projections, or other material prepared by Franchise Owner or its representatives. No agent or employee of the Company will have the authority to approve, endorse or guaranty any information in those materials. The Company will not be responsible or liable to Franchise Owner for any claims relating to information in any such materials and Franchise Owner waives and releases the Company from any such claims.

(D) Review of Materials and Consultation with Advisors.

Franchise Owner acknowledges that it has read and understood this Agreement, the attachments to this Agreement, and the documents relating to this Agreement, if any, and has been given ample time and opportunity (and has been encouraged) to consult with an attorney or other professional advisor about the potential benefits and risks of entering into this Agreement. Franchise Owner acknowledges that it has been afforded an opportunity to ask any questions it has and to review any materials of interest to it concerning the Franchise Business, and that it has exhausted such efforts and has made the decision to enter into this Agreement without any influence by the Company.

(E) Restrictions on Sources of Products and Services.

Franchise Owner acknowledges that the Company will restrict Franchise Owner's sources of products and services, as provided in various sections of this Agreement.

(F) Representative Capacity of the Company's Personnel and Agents.

Franchise Owner acknowledges and agrees that in all of its dealings with the Company, the Company's owners, members, officers, directors, employees and agents act only in a representative, and not in an individual, capacity and that business dealings between Franchise Owner and them as a result of this Agreement are deemed to be only between Franchise Owner and the Company. Franchise Owner agrees that any claims it (or any of Franchise Owner's owners) may have against the Company's owners, members, officers, directors, employees or agents must be brought against the Company only, and not against such owners, members, officers, directors, employees or agents in their individual capacity.

(G) Independent Status of Contract; Non-Uniformity of Agreements.

Franchise Owner understands and agrees that the Company is entering into this Agreement with Franchise Owner independently and separately from any franchise or license that the Company may grant to any other person or entity, and that Franchise Owner is not entering into this Agreement in reliance on or because of any other agreement that the Company may have entered into with a third party. Franchise Owner understands and agrees that the terms of the Company's agreements with third parties, now and in the future, may be materially different with respect to any terms and condition of this Agreement, including but not limited to, royalty fees, advertising fees, transfer fees, territorial exclusivity, renewals and training. These variations may be based on any factors or conditions that the Company deems to be in the best interest of the BIGGBY COFFEE franchise system or a particular Store, including but not limited to, the knowledge, experience and financial status of a Franchise Owner, peculiarities of a particular location, customer base, density, lease provisions, business potential, population of trade area, existing business practices or any other condition that the Company deems to be of importance to the operation of a specific Store. Also, these variations may result from the Company, at its sole discretion, compromising, forgiving, or settling claims or disputes with or against other Franchise Owners. Franchise Owner will not be entitled to require the Company to disclose or grant to Franchise Owner a like or similar variation.

(H) Terrorist and Money Laundering Activities.

Franchise Owner and its owners, officers, directors, members, partners and agents represent and warrant to the Company that: (a) they are not identified by name or alias, pseudonym or nickname, on the lists of "Specially Designated Nationals" or "Blocked Persons" maintained by the U.S. Treasury Department's Office of Foreign Assets Control; (b) they are not directly or indirectly owned or controlled by the government of any country that is subject to a United States embargo; (c) they will not act directly or indirectly on behalf of the government of

any country that is subject to a United States embargo; and (d) they are in full compliance with all laws proscribing money laundering and corrupt practices. Further, Franchise Owner and its owners, officers, directors, members, partners and agents represent and warrant to the Company that they have not violated and agree not to violate any law prohibiting corrupt business practices, money laundering or the aid or support of persons who conspire to commit acts of terror against any person or government, including acts prohibited by the USA Patriot Act, U.S. Executive Order 13244, or any similar law. The foregoing constitute continuing representations and warranties, and Franchise Owner and its owners, officers, directors, members, partners and agents must immediately notify the Company in writing of the occurrence of any event or the development of any circumstance that might render any of the foregoing representations and warranties false, inaccurate or misleading.

(I) Ownership of Franchise Owner; Guaranties.

The name, entity classification, state of organization, owners and percentage of ownership of Franchise Owner are set forth on the Obligations and Representations of Individual Interested Parties attached as Appendix B. Franchise Owner represents that the information stated in Appendix B is accurate and complete. Franchise Owner agrees that it will immediately notify the Company (and comply with the provisions of Article 13, if applicable) if there is any change in the information set forth in Appendix B. Failure to comply with this requirement will be a material default under this Agreement. Each of the owners of Franchise Owner must personally guaranty Franchise Owner's obligations to the Company by signing the Guaranty attached as Appendix D. Also, if an affiliate of Franchise Owner operates a Store, the affiliate may be required to guaranty all of the Franchise Owner's obligations to the Company by signing the Guaranty and Subordination Agreement attached as Appendix D.

SECTION 18 – Waivers and Approvals

(A) No Waivers.

The failure or delay of any party at any time to require performance by another party of any provision of this Agreement, even if known, will not affect the right of that party to require performance of that provision or to exercise any right under this Agreement. The Company will not waive any right, power or option under this Agreement (including, without limitation the Company's right to demand exact compliance with every term, condition and covenant or to declare any breach to be a default and to terminate this Agreement before it expires) by reason of any of the following: (a) the failure or delay of the Company to require performance by another Franchise Owner of any provision of its franchise agreement; (b) the existence of other franchise agreements which contain provisions different from those contained in this Agreement; (c) the Company's acceptance of any payments due from Franchise Owner after any breach of this Agreement; or (d) any special or restrictive legend of endorsement on any check or similar item given to the Company by Franchise Owner (the Company is authorized to remove or cancel any such legend or endorsement). Any waiver by any party of any breach of any provision of this Agreement is not a waiver of any continuing or later breach of that provision, a waiver of the provision itself, or a waiver of any right under this Agreement. No notice to or demand on any party in any case, of itself, entitles that party to any other notice or demand in similar or other circumstances.

(B) Consents, Approvals and Satisfaction; Liability.

Whenever the Company's consent or approval is required under this Agreement, consent or approval will not be unreasonably withheld or delayed unless specifically stated in this Agreement to the contrary. All consents or approvals required of the Company are not

binding on the Company unless the consent or approval is in writing and signed by a managing member of the Company. The Company's consent or approval, whenever required, may be withheld if Franchise Owner is in default under this Agreement. Where the satisfaction of the Company is required under this Agreement, unless the Agreement expressly states otherwise, the satisfaction is determined at the Company's sole discretion. The Company will not be liable to Franchise Owner in any manner for providing or failing to provide or for any delay in providing any waiver, approval, assistance, consent or suggestion to Franchise Owner. Franchise Owner waives any claims against the Company for such liability.

(C) The Company's Reasonable Business Judgment.

Whenever the Company has reserved in this Agreement a right to take or to withhold an action, or to grant or decline to grant Franchise Owner a right to take or omit an action, the Company may, except as otherwise specifically provided in this Agreement, make its decision or exercise its rights based on information readily available to the Company and the Company's judgment of what is in the Company's and/or the BIGGBY COFFEE franchise system's best interests at the time the Company's decision is made, without regard to either whether the Company could have made other reasonable or even arguably preferable alternative decisions or whether the Company's decision promotes its financial or other individual interest. Examples of items that will promote or benefit the BIGGBY COFFEE franchise system include, without limitation, enhancing the value of the Franchise Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the BIGGBY COFFEE franchise system.

SECTION 19 - Miscellaneous

(A) Independent Contractor.

Franchise Owner understands and agrees that it will be an independent contractor under this Agreement. Nothing in this Agreement may be construed to create a partnership, joint venture, or agency of any kind. No employer or joint employer relationship exists between the Company and Franchise Owner or between the Company and Franchise Owner's employees. The parties acknowledge that this Agreement does not create a fiduciary relationship between the parties. Franchise Owner will not, without the Company's prior written approval, have any power to obligate the Company for any expenses, liabilities or other obligations, other than as specifically provided in this Agreement. Except as otherwise expressly authorized by this Agreement, neither party will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name of or on behalf of the other party, or represent that the relationship between the Company and Franchise Owner is other than that of franchisor and franchisee. The Company does not assume any liability, and will not be considered liable, for any agreements, representations, or warranties made by Franchise Owner unless expressly authorized under this Agreement. The Company will not be obligated for any damages to any person or property that directly or indirectly arises from or related to the operation of the Franchise Business by Franchise Owner.

The Company does not have direct or indirect control of, or the right or authority to control, the Franchise Owner's day-to-day operations or employment related decisions. Franchise Owner acknowledges and agrees that Franchise Owner alone will exercise day-to-day control over all employment decisions, operations, activities, and elements of the Franchise Business and that under no circumstance will the Company do so or be deemed to do so. Franchise Owner further acknowledges and agrees that the various requirements, restrictions, prohibitions, specifications

and procedures of the Franchise System, which Franchise Owner is required to comply with under this Agreement, whether contained in the Operations Manual or otherwise, do not directly or indirectly constitute, suggest, infer or imply that the Company controls any aspect or element of the employment decisions or other day-to-day operations of the Franchise Business, which Franchise Owner alone controls, but only constitute standards that Franchise Owner must adhere to when exercising control of the day-to-day operations of the Franchise Business.

None of Franchise Owner's employees will be considered employees of the Company. Neither Franchise Owner nor any of its employees whose compensation Franchise Owner may pay in any way, directly or indirectly, expressly or by implication, will be construed to be an employee of the Company for any purpose, including, without limitation, with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any local, state or federal governmental agency. The Company will not have the power to hire or fire Franchise Owner's employees. Franchise Owner expressly agrees, and will never contend otherwise, that the Company's authority under this Agreement to certify certain of Franchise Owner's employees for qualification to perform certain functions for the Franchise Business does not directly or indirectly vest in the Company power to hire, fire or control any such employee.

(B) Definition of Affiliate.

For purposes of this Agreement, an affiliate of a party is any person (including an individual, sole proprietorship, partnership, corporation, limited liability company or other entity) that, directly or indirectly, controls, is controlled by or is under common control with the party or any of its shareholders, officers, directors, partners, owners or investors.

(C) Appraisal Method.

If a value is to be determined by appraisal as referred to in Sections 13(B), 15(B) and 15(C), the following method will be used to determine the appraised value. If the parties are able to agree on an independent appraiser, that appraiser will determine the applicable value and his or her determination will be binding on the parties. If the parties are not able to agree on an independent appraiser within 15 days of the event triggering the appraisal, each party will select an independent appraiser qualified or certified to make the appraisal. The independent appraisers chosen will then select a third independent appraiser. The third independent appraiser will determine the applicable value and his or her determination will be binding on the parties. The Company and Franchise Owner agree to select their respective appraisers within 15 days after the event triggering the appraisal and the two appraisers chosen are obligated to appoint the third appraiser within 15 days after the date on which the last of the two party-appointed appraisers is appointed. The Company and Franchise Owner will bear the cost of their own appraisers and share equally the reasonable fees and expenses of the third appraiser. The parties will take reasonable actions to cause the appraiser to complete his or her appraisal within 30 days after the third appraiser's appointment.

(D) Third Parties.

Except as provided in this Agreement to the contrary for any affiliates or Franchise Owners of the Company, nothing in this Agreement, whether expressed or implied, is intended to confer any rights under this Agreement on any person (including other franchise owners) other than the parties and their respective personal representatives, other legal representatives, heirs, successors and permitted assigns.

(E) Cumulative Remedies.

All remedies, either under this Agreement or by law or otherwise afforded, will be cumulative and not alternative.

(F) Notices.

(H) Entire Agreement; Modifications.

This Agreement and all appendices and other documents attached to this Agreement are incorporated in this Agreement and will constitute the entire agreement between the parties. This Agreement supersedes and replaces any and all previous or contemporaneous written and oral agreements, understandings, promises, representations, inducements, or dealings between the parties. However, nothing in this Section or otherwise in this Agreement is intended to disclaim or waive Franchise Owner's reliance on any authorized statements made in the Franchise Disclosure Document delivered to Franchise Owner or in the exhibits and amendments to the Franchise Disclosure Document. This Agreement may not be amended or modified except in a writing executed by both parties, except that the Company may unilaterally modify the Franchise System and its specifications as provided in this Agreement.

(I) Severability.

Each Section, part or provision of this Agreement will be considered severable. If a court of competent jurisdiction finds any Section, part or provision unenforceable, that determination will not impair the operation or affect the validity of the remainder of this Agreement unless such unenforceability, in the opinion of the Company, materially alters the protection of the Franchise Marks or the Company's source of revenues. In that event, the Company may substitute for this Agreement, a new agreement without such unenforceable terms and such additional terms as may be appropriate under the circumstances.

(J) Obligations Joint and Several.

If there is more than one individual or entity executing this Agreement as Franchise Owner, all such persons are jointly and individually liable for the Franchise Owner's obligations under this Agreement.

(K) Execution by the Company.

The submission of this Agreement is not an offer by the Company and the Company is not bound in any way until a director, managing member, executive officer, or franchise sales manager of the Company executes this Agreement.

(L) Headings.

Section and Subsection headings are for convenience of reference only and do not limit or affect the provisions of this Agreement.

APPENDIX D--GUARANTY

Each of the persons signing this Guaranty (each a "Guarantor"), in order to induce GLOBAL ORANGE DEVELOPMENT, LLC ("the Company") to enter into a Franchise Agreement, dated the _____ day of _____, 20____, with _____ ("Franchise Owner"), unconditionally and absolutely guaranties payment when due, whether by stated maturity, demand, acceleration or otherwise, of all existing and future indebtedness ("Indebtedness") of Franchise Owner to the Company. Indebtedness includes without limit: any and all obligations or liabilities of the Franchise Owner to the Company under the Franchise Agreement or any other agreement between the Company and Franchise Owner or otherwise arising, whether absolute or contingent, direct or indirect, voluntary or involuntary, liquidated or unliquidated, joint or several, known or unknown; any and all indebtedness, obligations or liabilities for which Franchise Owner would otherwise be liable to the Company were it not for the invalidity, irregularity or unenforceability of them by reason of any bankruptcy, insolvency or other law or order of any kind, or for any other reason; any and all amendments, modifications, renewals and/or extensions of any of the above; and all costs of collecting Indebtedness, including, without limit, actual attorney fees. In addition, each Guarantor agrees as follows:

1. This Guaranty is a continuing guaranty of payment and not of collection and remains effective whether the Indebtedness is from time to time reduced and later increased or entirely extinguished and later reincurred.

2. Guarantor will pay to the Company all costs and expenses, including reasonable attorney fees, incurred in enforcing this Guaranty.

3. If any Indebtedness is guaranteed by two or more guarantors, the obligation of Guarantor will be several and also joint, each with all and also each with any one or more of the others, and may be enforced at the option of the Company against each severally, any two or more jointly, or some severally and some jointly. The Company, at its sole discretion, may release any one or more of the Guarantors for any consideration that it deems adequate, and may fail or elect not to prove a claim against the estate of any bankrupt, insolvent, incompetent or deceased Guarantor; and after that, without notice to any Guarantor, the Company may extend or renew any or all Indebtedness and may permit Franchise Owner to incur additional Indebtedness, without affecting in any manner the unconditional obligation of the remaining Guarantors. Guarantor acknowledges that the effectiveness of this Guaranty is not conditioned on any or all of the indebtedness being guaranteed by anyone else.

4. Guarantor, to the extent not expressly prohibited by applicable law, waives any right to require the Company to: (a) proceed against any person or property; (b) give notice of the terms, time and place of any public or private sale of personal property security held from Franchise Owner or any other person, or otherwise comply with the provisions of Sections 9-611 or 9-621 of the Michigan or other applicable Uniform Commercial Code, as the same may be amended, revised or replaced from time to time; or (c) pursue any other remedy in the Company's power. Guarantor waives notice of acceptance of this Guaranty and presentment, demand, protest, notice of protest, dishonor, notice of dishonor, notice of default, notice of intent to accelerate or demand payment of any Indebtedness, any and all other notices to which Guarantor might otherwise be entitled, and diligence in collecting any Indebtedness, and agrees that the Company may, once or any number of times, modify the terms of any Indebtedness, compromise, extend, increase, accelerate, renew, or forbear to enforce payment of any or all Indebtedness, or permit Franchise Owner to incur additional Indebtedness, all without notice to

Guarantor and without affecting in any manner the unconditional obligation of Guarantor under this Guaranty.

5. Guarantor unconditionally and irrevocably waives each and every defense and setoff of any nature which, under principles of guaranty or otherwise, would operate to impair or diminish in any way the obligation of Guarantor under this Guaranty, and acknowledges that each such waiver is by this reference incorporated into each security agreement, collateral assignment, pledge and/or other document from Guarantor now or later securing this Guaranty and/or the Indebtedness, and acknowledges that as of the date of this Guaranty no such defense or setoff exists.

6. This Guaranty is an absolute and continuing guarantee and will remain in effect unless revoked in writing by Guarantor.

7. As long as Franchise Owner owes any monies to the Company (other than payments that are not past due) Franchise Owner will not pay and Guarantor will not accept payment of any part of any indebtedness owed by Franchise Owner to us, or any one of us, either directly or indirectly, without the consent of the Company.

8. This Guaranty constitutes the entire agreement of Guarantor and the Company with respect to the subject matter of this Guaranty. No waiver, consent, modification or change of the terms of the Guaranty will bind any of Guarantor or the Company unless in writing and signed by the waiving party or an authorized officer of the waiving party, and then this waiver, consent, modification or change will be effective only in the specific instance and for the specific purpose given. This Guaranty will inure to the benefit of the Company and its successors and assigns and will be binding on Guarantor and Guarantor's heirs, legal representatives, successors and assigns including, without limit, any debtor in possession or trustee in bankruptcy for Guarantor. Guarantor has knowingly and voluntarily entered into this Guaranty in good faith for the purpose of inducing the Company to extend credit or make other financial accommodations to Franchise Owner. If any provision of this Guaranty is unenforceable in whole or in part for any reason, the remaining provisions shall continue to be effective.

9. THIS GUARANTY WILL BE GOVERNED BY AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF MICHIGAN (WITHOUT REFERENCE TO THE CONFLICT OF LAWS PROVISIONS). GUARANTOR IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE STATE COURTS OF OAKLAND COUNTY MICHIGAN AND TO THE FEDERAL DISTRICT COURT FOR THE EASTERN DISTRICT OF MICHIGAN AND WAIVES ALL QUESTIONS OF PERSONAL JURISDICTION OR VENUE FOR THE PURPOSE OF CARRYING OUT THIS PROVISION. SERVICE OF PROCESS MAY BE MADE ON GUARANTOR IN ANY PROCEEDING RELATING TO OR ARISING UNDER THIS GUARANTY OR GUARANTOR'S RELATIONSHIP WITH THE COMPANY BY ANY MEANS ALLOWED BY MICHIGAN OR FEDERAL LAW. VENUE FOR ANY PROCEEDING RELATING TO OR ARISING OUT OF THIS GUARANTY WILL BE THE STATE COURTS IN OAKLAND COUNTY MICHIGAN OR THE FEDERAL DISTRICT COURT FOR THE EASTERN DISTRICT OF MICHIGAN; PROVIDED, HOWEVER, WITH RESPECT TO ANY ACTION THAT INCLUDES INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF, THE COMPANY MAY BRING SUCH ACTION IN ANY COURT IN ANY STATE THAT HAS JURISDICTION.

10. GUARANTOR AND THE COMPANY ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED. EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH

COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS GUARANTY OR THE INDEBTEDNESS.

THIS ASSIGNMENT is made this _____ day of _____, 20____, between GLOBAL ORANGE DEVELOPMENT, LLC, a Michigan limited liability company ("the Company") and _____, a _____ ("Franchise Owner").

1. Introduction. Franchise Owner has obtained a license from the Company for the operation of a business using the Company's BIGGBY COFFEE franchise business system ("Franchise System"), which business Franchise Owner acquired by signing a Franchise Agreement dated _____ (the "Franchise Agreement"). In consideration of the Company granting the license to Franchise Owner, Franchise Owner has agreed to assign all Telephone Numbers and Electronic Media (as defined below) that are associated with Franchise Owner's BIGGBY COFFEE franchise business (the "Franchise Business") and/or the Franchise System to the Company. For purposes of this Agreement, "Telephone Numbers" includes all telephone numbers and fax numbers used in connection with the Franchise Business, including in connection with advertising and marketing for the Franchise Business, and all written and electronic directory listings associated with those telephone numbers and fax numbers. For purposes of this Agreement, "Electronic Media" means the Internet, email addresses, Internet domain names, homepages, electronic addresses, websites, social networks, mobile phone applications, tablet and other computer applications, wikis, podcasts, online forums, content sharing communities, blogging, or other social media (including but not limited to Facebook, Twitter, LinkedIn, YouTube) used in connection with the Franchise Business, including in connection with advertising and marketing for the Franchise Business.

2. Assignment of Telephone Numbers/Power of Attorney. Franchise Owner assigns all Telephone Numbers to the Company or its successor or assign. Franchise Owner hereby appoints an officer of the Company as Franchise Owner's attorney-in-fact to transfer the Telephone Numbers to the Company and to sign, on behalf of Franchise Owner, all documents necessary to accomplish the transfer.

3. Assignment of Electronic Media/Power of Attorney. Franchise Owner assigns all Electronic Media to the Company or its successor or assign. Franchise Owner also hereby appoints an officer of the Company as Franchise Owner's attorney-in-fact to transfer the Electronic Media to the Company and to sign, on behalf of Franchise Owner, all documents necessary to accomplish the transfer.

4. Limited License; Responsibility for Costs. The Company grants Franchise Owner a limited license to use the Telephone Numbers and Electronic Media in connection with the Franchise Business only during the term of the Franchise Agreement and only as long as Franchise Owner complies with the policies and procedures specified by the Company. On the expiration without renewal or termination of the Franchise Agreement, this limited license will terminate and Franchise Owner must cease all use of the Telephone Numbers and Electronic Media. On the termination of this license, Franchise Owner must cooperate with the Company and provide any authorizations as may be necessary for the Company to assert its rights in the Telephone Numbers and Electronic Media. While this limited license is in effect, Franchise Owner is responsible for all costs associated with the Telephone Numbers and Electronic Media and, unless otherwise specified by the Company, must pay those costs directly to the providers of the Telephone Numbers and Electronic Media.

5. **Access to Telephone Numbers and Electronic Media.** The Company will have the right to access all accounts relating to the Telephone Numbers and Electronic Media. Franchise Owner must provide to the Company all information necessary to allow the Company to access those accounts, including usernames, passwords, security codes, and all changes to any of that information.

6. **Consent.** Franchise Owner hereby consents and authorizes any and all telephone companies, telephone directory services, Internet companies and other public or private businesses using, authorizing or providing any of the Telephone Numbers and Electronic Media to immediately recognize this Assignment upon receipt of written notice from the Company. Franchise Owner agrees that a copy of this Assignment, certified by an officer of the Company, will be as valid and binding as the original.

7. **Notices.** The Company may give notice of its acceptance of the Assignment of the Telephone Numbers and Electronic Media by sending written notice by (a) registered or certified mail, return receipt requested, postage pre-paid, in which case the notice will be complete two days after mailing; or (b) overnight courier service, in which case the notice will be complete one day after delivery to the overnight courier. Notices may be sent in accordance with this Section to Franchise Owner and to all telephone companies, Internet companies and other businesses that are to recognize the Assignment.

8. **Miscellaneous.** If any part of this Agreement is found to be unenforceable, such findings will not invalidate the other parts of this Agreement. This Agreement expresses the entire understanding of the parties with respect to the subject matter herein. This Agreement will be construed in accordance with the laws of the State of Michigan (without reference to the conflict of laws provisions), and will be deemed to have been made in the State of Michigan. This Agreement may not be changed orally, but only by an agreement in writing and signed by the party against whom enforcement of any change is sought.

APPENDIX G—FORM OF LEASE ADDENDUM

Any lease signed by Franchise Owner for the Franchise Location must be amended by an Addendum in the form set forth below or must contain the provisions included in the Addendum set forth below (except to the extent the Company agrees to waive any particular provisions).

ADDENDUM TO LEASE

This Addendum to Lease is entered into this _____ day of _____, 20_____, and modifies a Lease Agreement or Land License dated the same date (the lease or land license is referred to as the "Lease") entered into by _____ ("Franchise Owner") and _____ (the landlord, lessor, or licensor under the Lease is referred to as the "Landlord") for premises located at _____ (the "Premises").

1. Introduction. Franchise Owner has entered into a Franchise Agreement with Global Orange Development, LLC ("the Company"). The Franchise Agreement requires Franchise Owner's lease or land license for the Premises to contain certain provisions. In consideration of the agreement of the Company to enter into a Franchise Agreement with Franchise Owner for a BIGGBY COFFEE franchise to be located at the Premises, Landlord and Franchise Owner agree that the provisions contained in this Addendum will be applicable to the Lease notwithstanding anything to the contrary contained in the Lease.

2. Termination or Changes to Lease. Franchise Owner and Landlord agree that the lease will not be terminated, renewed, or in any way altered or amended by Franchise Owner and the Landlord without the prior written consent of the Company. Notwithstanding the foregoing, if Tenant defaults under the Lease and the default remains uncured for a period of 30 days after written notice to Tenant and the Company (as provided in Section 8 below), Landlord may exercise any and all remedies available to Landlord under the Lease, including terminating the Lease.

3. Use. The Premises must not be used for any purpose other than the operation of a BIGGBY COFFEE Store during the term of the Lease, including renewals.

4. Assignment to the Company or another BIGGBY COFFEE Franchise Owner. Franchise Owner may assign all right, title and interest of Franchise Owner in and to the Lease and the Premises to the Company (including an assignment under Section 5 below) or to another BIGGBY COFFEE franchisee approved by the Company without the prior approval of Landlord and without the payment to Landlord of any fees or expenses. Landlord must be provided written notice of the assignment within 30 days after the effective date of the assignment. Unless otherwise agreed by Landlord, on any such assignment of the Lease, Franchise Owner and any guarantors under the Lease will continue to be liable to Landlord for all obligations under the Lease.

5. The Company's Option. Landlord and Franchise Owner grant to the Company the exclusive right, exercisable at the option of the Company, to be assigned all right, title and interest of Franchise Owner in and to the Lease and the Premises on: (a) a default by Franchise Owner under the Lease; (b) the expiration or termination of the Franchise Agreement; or (c) Franchise Owner's abandonment of the BIGGBY COFFEE Store operated at the Premises or other cessation of use of the Premises for a BIGGBY COFFEE Store. The Company must give written notice of its intent to exercise this option no later than thirty (30) days after the event

triggering the option. On the giving of notice of exercise by the Company, the Lease, and all right, title and interest of Franchise Owner under the lease and to the Premises will be automatically, and without need of further instrument, assigned to the Company. If the Company does not give notice of exercise within the thirty (30) day period, the Company will be deemed to have forfeited all its rights under this Section. Landlord and Franchise Owner agree to execute documents confirming this assignment in the form presented by the Company, including a short form of Lease suitable for recording. If the Company exercises its option and takes an assignment of the Lease, the Company will have the right to re-assign the Lease to an affiliate of the Company or to a BIGGBY COFFEE franchisee approved by the Company, without Landlord's prior consent and without the payment of any fees to Landlord.

6. The Company's Access. 1. Introduction. The Franchise Agreement authorizes Franchise Owner to develop and/or operate a BIGGBY COFFEE Store (the "Franchise Business") at a specified location (the "Franchise Location"). Franchise Owner or an affiliate of Franchise Owner has also entered into an agreement with a different person (the "Other Brand Owner") to develop and/or operate a business under the Other Brand Owner's brand (the "Other Brand"). Franchise Owner has requested authorization from the Company to develop and operate the Franchise Business at a Franchise Location that will be shared with the Other Brand (a "Co-Brand Location"). The Other Brand Owner, the Other Brand, and the Co-Brand Location are identified on Schedule 1 to this Addendum. The Company is willing to amend the Franchise Agreement to grant this authorization on the terms and conditions contained in this Addendum.

Accordingly, in consideration of the mutual covenants contained in this Addendum and the Franchise Agreement and other consideration, the receipt and sufficiency of which are acknowledged, the parties agree to amend the Franchise Agreement in the manner provided in this Addendum.

2. Authorization. The Company authorizes Franchise Owner to operate the Franchise Business from the Co-Brand Location, subject to the terms and conditions contained in this Addendum, the Franchise Agreement, and the Company's policies and procedures relating to the operation of a Store at a Co-Brand Location. This authorization only applies to the Co-Brand Location and is further subject to Franchise Owner entering into a franchise or other agreement with the Other Brand Owner, obtaining any necessary approvals from the landlord of the Co-Brand Location, and obtaining any applicable governmental licenses and approvals.

3. Acknowledgments. Franchise Owner represents that it has requested authorization to operate the Franchise Business at the Co-Brand Location based solely on its desire to pursue this opportunity. Franchise Owner acknowledges that: (a) the Company has not requested that Franchise Owner pursue this opportunity; (b) the Company has not made any representations concerning the viability of this opportunity; and (c) the Company does not have prototype plans or procedures for adapting a Franchise Location to host the Other Brand or to add the Franchise Business to the location of the Other Brand.

4. Development and Operation of Co-Brand Location. In addition to and not in any way a limitation on the rights of the Company as provided in the Franchise Agreement, Franchise Owner agrees as follows:

(a) **Approval of Plans.** Franchise Owner must obtain the Company's prior written approval of all plans and drawings relating to placement, development, construction, or remodeling of the Co-Brand Location to accommodate the Franchise Business and/or the Other Brand before proceeding with any required government approvals and any construction or remodeling of the Co-Brand Location.

(b) Approval of Signage. Franchise Owner must obtain the Company's prior written approval of all interior and exterior signage and point of purchase marketing materials relating to the Franchise Business and the Other Brand at the Co-Brand Location.

(c) Co-Branding. Franchise Owner acknowledges and agrees that, since the Co-Brand Location will house the Franchise Business and the Other Brand, the signage, build-out, décor, equipment set-up, counter set-up, POS system(s), staffing, uniforms, etc. to be utilized at the Co-Brand Location must be in accordance with the specifications of the Company and the Other Brand Owner and must be approved in advance in writing by the Company and the Other Brand Owner.

(d) Policies and Procedures. The Company has the right to specify policies, regulations, procedures, and standards of operation relating to the development and operation of the Franchise Business at a Co-Brand Location (that may be different than policies, regulation, procedures, and standards for Stores that are not operated at Co-Brand Locations) and Franchise Owner must comply with any such policies, regulations, procedures, and standards on written notice from the Company.

(e) Staffing. The counters for the Franchise Business and the Other Brand must be separately manned by properly trained employees at all times that they are open for business. Franchise Owner must not allow the Franchise Business counter to be manned by an employee who is also working at the counter for the Other Brand at that time.

(f) Products and Services. Franchise Owner must not sell any of the products and services of the Franchise Business at or from the Other Brand.

(g) Inspection and Audit. The Company's rights to inspect and audit the Franchise Business will include the right to inspect and audit the Other Brand to the extent necessary to ensure compliance with the terms and conditions of this Addendum and the Franchise Agreement.

5. Term. This Addendum will begin on the effective date noted at the beginning of this Addendum and will continue for and during the term of the Franchise Agreement or until the Franchise Agreement is terminated, if sooner. Franchise Owner acknowledges that the authorization contained in this Addendum is limited and that the Company is under no obligation to continue the authorization after expiration of the term of the Franchise Agreement or after termination of the Franchise Agreement. Any decision to continue the authorization contained in this Addendum will be made in the sole discretion of the Company.

6. Termination. A default by Franchise Owner of its obligations under this Addendum will constitute a default by Franchise Owner under the Franchise Agreement. If Franchise Owner is in default of its obligations under this Addendum, the Company may choose to terminate this Addendum (in accordance with the termination provisions of the Franchise Agreement) without terminating Franchise Owner's other rights and obligations under the Franchise Agreement. On termination or expiration of this Addendum, all rights of Franchise Owner under this Addendum will cease unless those rights are granted by other agreements or by other policies of the Company.

7. Legal Effect. Any terms defined in the Franchise Agreement will have the same meaning in this Addendum unless expressly stated otherwise. This Addendum and any rights of Franchise Owner under this Addendum will terminate on expiration or termination of the Franchise

- (b) necessary to comply with Law (collectively, "**Required Upgrades**").

Section 13.04 Optional Upgrades. Lessee, at its own expense, may install Upgrades to the Equipment that Lessee deems desirable in the proper conduct of its Business, subject to Lessor's approval, which shall not be unreasonably withheld ("**Optional Upgrade**"); provided, however, that Lessee shall not make or cause to be made any Optional Upgrade that:

- (a) impairs or damages the function, nature, purpose, or operation of the Equipment;
- (b) subjects the Equipment to any Lien, other than a Permitted Lien; or
- (c) decreases the then-current value, estimated residual value, or remaining useful life or utility of the Equipment as measured immediately prior to such Optional Upgrade, assuming that the Equipment shall then be in the condition required by the terms of this Agreement.

Section 13.05 Title to Parts and Upgrades.

- (a) If Lessee incorporates or installs any Parts or Upgrades, then immediately on any Part or Upgrade becoming incorporated or installed in or attached to the Equipment, without further act:
 - (i) such Part or Upgrade is deemed part of the Equipment to the same extent as though originally incorporated or installed in or attached to the Equipment;
 - (ii) title to such Part or Upgrade vests in Lessor;
 - (iii) such Part or Upgrade becomes subject to this Agreement; and
 - (iv) title to any replaced Part shall thereupon vest in Lessor free and clear of all rights of Lessee, and shall be deemed a Part under this Agreement.
- (b) Lessee shall cause all Parts or Upgrades to be:
 - (i) free and clear of all Liens except for Permitted Liens; and
 - (ii) in as good operating condition as, and have a value and utility at least equal to, the Parts replaced, assuming such replaced Parts were in the condition required to be maintained by the terms hereof.

ARTICLE XIV LOSS

Section 14.01 Risk of Loss. While the Equipment is leased under this Agreement, Lessee shall bear all risk of loss, damage, destruction, theft, and condemnation to or of such Equipment from any cause whatsoever (“**Loss**”). Lessee shall notify Lessor in writing within 10 days of any such Loss.

Section 14.02 Material Impairment. If Lessor determines in its sole discretion that the Loss has materially impaired the Equipment, Lessee shall pay, within 10 days of the Loss, the following amounts (collectively, “**Loss Payment**”):

- (a) all Rent and other amounts due prior to the “**Loss Payment Date**” with respect to such Equipment; plus
- (b) the Stipulated Loss Value of the Equipment determined in accordance with Exhibit B for the Lease Payment Date immediately preceding the Loss.

This Agreement terminates with respect to materially impaired Equipment on receipt by Lessor of the corresponding Loss Payment. Upon such termination, Lessee shall dispose of such Equipment according to Lessor’s instructions. Lessee is subrogated to all claims of Lessor, if any, against third parties, for damage to or loss of such Equipment to the extent of the Stipulated Loss Value of such Equipment. Alternatively, if insurance proceeds are sufficient to rebuild, Lessor may choose, in its sole discretion, to repair and/or replace the Equipment and the terms of this Agreement shall continue unabated.

Section 14.03 Non-material Impairment. If Lessor determines in its sole discretion that the Loss has *not* materially impaired the Equipment:

- (a) this Agreement continues with respect to such Equipment as though no Loss had occurred; and
- (b) Lessee shall, at its expense and risk, promptly repair or cause such Equipment to be repaired to a condition acceptable to Lessor.

ARTICLE XV INSURANCE

Section 15.01 Property Insurance. Lessee, at its own expense, shall provide and maintain for the Equipment insurance against loss, theft, and damage (“**Property Insurance**”) in:

- (a) an insured amount equal to the full replacement value of such Equipment; and
- (b) a form, and with companies satisfactory to Lessor, including without limitation, Special Form including theft (all perils except those specifically excluded, broad form coverage), replacement cost valuation (not reduced by depreciation), business interruption with extra expense coverage, and the insurer’s agreement to give Lessor 30 days’ prior written notice before cancellation or material change thereof.

Lessee shall name Lessor (or shall cause Lessor to be named) as additional insured and Lender’s Loss Payee on the Property Insurance.

Section 15.02 Liability Insurance. Lessee, at its own expense, shall provide and maintain comprehensive general liability insurance (“**Liability Insurance**”), in:

- (a) amounts and coverages required by Lessee’s Franchisor and all other coverages and amounts required by Lessee’s Franchisor; and
- (b) a form, and with companies satisfactory to Lessor, including without limitation, occurrence-based coverage, and the insurer’s agreement to give Lessor 30 days’ prior written notice before cancellation or material change thereof.

Lessee shall name Lessor as an additional insured (but without imposing on Lessor any liability to pay the premiums for such insurance).

Section 15.03 Insurance Certificates. On or before the Commencement Date, and at such other times as Lessor may request, Lessee shall provide Lessor with a certificate of insurance evidencing the maintenance of the Property Insurance and Liability Insurance. Lessee’s coverage shall be primary and non-contributory.

ARTICLE XVI
APPLICATION OF INSURANCE PROCEEDS AND CONDEMNATION PAYMENTS

Section 16.01 Amounts Received by Lessor. If Lessor receives any proceeds as loss, payee of the Property Insurance, or under any condemnation proceeding related to the Equipment, it shall:

- (a) if received pursuant to a Loss that has materially impaired the Equipment under Section 14.02, credit such proceeds against Lessee's obligations to make Loss Payments to Lessor under Section 14.02 or if no such amounts are then due and outstanding, remit such proceeds to Lessee, or if Lessor exercises its option to repair or replace the Equipment under Section 14.02, use such proceeds to repair or replace the Equipment and remit the balance of the proceeds, if any, to Lessee; or
- (b) if received pursuant to a Loss that has not materially impaired the Equipment under Section 14.03, use such proceeds to repair or replace the Equipment and remit the balance of the proceeds, if any, to Lessee.

If Lessee is in Default, Lessor may hold any such proceeds as security for the obligations of Lessee under this Agreement and apply such amounts in its discretion against Lessee's obligations under this Agreement.

Section 16.02 Amounts Received by Lessee. If Lessee receives any proceeds under the Property Insurance, it shall promptly forward such amounts to Lessor to be applied by Lessor under Section 16.01.

ARTICLE XVII
DEFAULT

Section 17.01 Events of Default. Each of the following events is an "Event of Default" under this Agreement, including all Supplements:

- (a) if Lessee fails to pay when due any installment of Rent or any other amount under this Agreement;
- (b) if Lessee defaults in the observance or performance of any other term, covenant, or condition of this Agreement on Lessee's part to be observed or performed and Lessee fails to remedy such default within 10 days after notice by Lessor to Lessee of such default, or if such default is of such a nature that it cannot with due diligence be completely remedied within said period of 10 days, and Lessee does not commence within said period of 10 days, or does not thereafter diligently prosecute to completion, all steps necessary to remedy such default;

- (c) if Lessee fails to observe or perform any term, covenant, or condition on Lessee's part to be observed or performed under any other agreement between Lessee and Lessor, any agreement with Lessee's Franchisor, or any agreement with Lessee's landlord, and such default continues beyond any grace period set forth in such other agreement for the remedying of such default. Lessee shall notify Lessee's Franchisor and Lessee's landlord to provide to Lessor any notice of default sent to Lessee under the terms of those respective agreements;
- (d) if Lessee's interest or any portion thereof in this Agreement devolves or passes to any person, whether by operation of law or otherwise;
- (e) if Lessee:
 - (i) does not, or is unable to, or admits in writing its inability to, pay its debts as they become due;
 - (ii) commences or institutes any case, proceeding, or other action seeking relief on its behalf as debtor, or to adjudicate it as bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding up, liquidation, dissolution, composition, or other relief with respect to it or its debts under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization, or relief of debtors;
 - (iii) commences or institutes any case, proceeding, or other action seeking appointment of a receiver, trustee, custodian, or other similar official for it or for all or any substantial part of its property; or
 - (iv) makes a general assignment for the benefit of creditors;
- (f) if a receiver, trustee, custodian, or other similar official is appointed for any substantial part of the assets of Lessee which appointment is not vacated or stayed within 15 days;
- (g) if any case, proceeding, or other action is commenced or instituted against Lessee (A) seeking to have an order for relief entered against it as debtor or to adjudicate it as bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding up, liquidation, dissolution, composition, or other relief with respect to it or its debts under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization, or relief of debtors, or (B) seeking appointment of a receiver, trustee, custodian, or other similar official for it or for all or any substantial part of its property, which in either of such cases (1) results in any such entry of an order for relief, adjudication of bankruptcy or insolvency or such an appointment, or the issuance or entry

of any other order having a similar effect or (2) remains undismissed for a period of 30 days;

- (h) if any case, proceeding, or other action is commenced or instituted against Lessee seeking issuance of a warrant of attachment, execution, distraint, or similar process against it or all or any substantial part of its property which results in the entry of an order for any such relief which is not vacated, discharged, or stayed or bonded pending appeal within 10 days from the entry thereof;
- (i) if Lessee takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in Sections 17.01(e) through (h) above;
- (j) if Lessee sells, transfers, or disposes of all, or substantially all, of its assets or property of the Business, or merges or consolidates with any other entity; or
- (k) if any representation contained in ARTICLE X is untrue as and when made; and
- (l) if Lessor breaches a covenant under ARTICLE IX after Lessee provides written notice to Lessor of such breach and Lessor fails to cure such default within 30 days after receipt of such written notice of default.

Section 17.02 Remedies.

- (a) If an Event of Default described in Sections 17.01(a) through (k) occurs, Lessor may, in its sole discretion, exercise one or more of the following remedies:
 - (i) declare this Agreement in default;
 - (ii) terminate this Agreement;
 - (iii) take possession of, or render unusable, the Equipment wherever it may be located, without demand or notice, without any court order or other process of law, and without liability to Lessee for any damages occasioned by such action;
 - (iv) require Lessee to surrender the Location and the Equipment to Lessor or deliver the Equipment at a location designated by Lessor; for each day that Lessee fails to surrender the Location and Equipment or return the Equipment, Lessor may demand an amount equal to the Rent, prorated on the basis of a 30-day month, in effect immediately prior to such Default;

- (v) proceed by court action to enforce performance by Lessee of this Agreement and/or to recover all damages and expenses incurred by Lessor by reason of any Event of Default;
- (vi) terminate any other agreement that Lessor may have with Lessee;
- (vii) sell any or all of the Equipment at public or private sale, with or without notice to Lessee or advertisement, or otherwise dispose of, hold, use, operate, lease to others, or keep idle such Equipment, and without any duty to account to Lessee for such action or inaction or for any proceeds with respect thereto, and apply the net proceeds thereof (after deducting all expenses (including legal fees and costs) incurred in connection therewith) to the amounts owed to Lessor under this Agreement; provided, however, that Lessee shall remain liable to Lessor for any deficiency that remains after any sale or lease of such Equipment;
- (viii) demand payment from Lessee in the amount of \$37,900 ("Liquidated Damages"). The parties intend that the Liquidated Damages constitute compensation, and not a penalty. The parties acknowledge and agree that the Lessor's harm caused by a Lessee breach would be impossible or very difficult to accurately assign as of the Effective Date, and that the Liquidated Damages are a reasonable estimate of the anticipated or actual harm that might arise from a Lessee breach; or
- (ix) exercise any other right or remedy available to Lessor at law or in equity.

(b) If an Event of Default described in Section 17.01(l) occurs, Lessee may, in its sole discretion, exercise the following:

- (i) terminate this Agreement and return the Equipment to Lessor in the condition as originally delivered to Lessee, normal wear and tear excepted.

ARTICLE XVIII INDEMNITY

Section 18.01 Indemnity. Lessee shall indemnify, defend, and hold harmless Lessor and its Affiliates and their respective Representatives (collectively, “**Indemnitees**”) against any and all Damages incurred by Indemnitees, arising out of or resulting from any claim of a third party or Lessor:

- (a) the selection, manufacture, delivery, purchase, acceptance, or rejection of the Equipment or the ownership of the Equipment during the Term;
- (b) the lease, sublease, possession, maintenance, use, condition, repair, return, disposition, or operation of the Equipment or any Parts or Upgrades thereto (including, without limitation, latent and other defects, whether or not discoverable by Lessor or Lessee);
- (c) any inaccuracy in or breach of any of the representations of Lessee contained in this Agreement;
- (d) any breach or non-fulfillment of any covenant, agreement, or obligation to be performed by Lessee pursuant to this Agreement; or
- (e) any assertion of the infringement of patent, trade secret, trademark, copyright, or other intellectual property rights of third parties.

ARTICLE XIX LESSOR’S PERFORMANCE OF LESSEE’S OBLIGATIONS

If an Event of Default has occurred and is continuing, Lessor may, in its sole discretion make any payment or perform any obligation on behalf of Lessee or take any action that Lessor deems reasonably necessary to maintain and preserve the Equipment and Lessor’s interests therein. Lessee shall not deem Lessor’s payment or action to be Lessor’s waiver of any Default or Event of Default or release of Lessee. Lessee shall pay immediately on demand all sums so paid by Lessor, together with expenses (including legal fees and costs) incurred by Lessor in connection therewith.

ARTICLE XX END OF LEASE OPTIONS

Section 20.01 Lessee’s Options. At the end of the Initial Term, provided no Default has occurred and is continuing, Lessee may elect to purchase the Equipment under Section 20.02. Lessee shall provide Lessor with irrevocable written notice of its election within 90 days from the end of the Initial Term.

Section 20.02 Purchase Option. At the completion of the Initial Term, Lessee shall have the option to purchase all, and not less than all, of the Equipment at the expiration of the Initial Term. Lessee shall pay a purchase price for the Equipment (“**End of Lease Purchase Price**”) equal to the purchase option price specified in the corresponding Exhibit B. Lessee shall pay Lessor, no later than 30 days prior to the end of the Initial Term, (i) the End of Lease Purchase Price for the Equipment; and (ii) any other amounts then due under this Agreement (including the costs or expenses of Lessor, if any, in connection with such purchase). Upon payment in full of all such amounts in cash or certified funds, Lessor shall transfer the Equipment to Lessee, as-is, where-is, without recourse, representation, or warranty of any kind, express or implied.

ARTICLE XXI RETURN OF EQUIPMENT

Section 21.01 Obligation to Return Equipment. Unless Lessee elects to purchase the Equipment under **Error! Bookmark not defined.** 20.02, by providing notice of its election under ARTICLE XX, Lessee shall, at its expense, no later than the expiration of the Term, at Lessor’s option, leave the Equipment at the Location, or:

- (a) deinstall, inspect, and properly pack the Equipment; and
- (b) return each Equipment, freight prepaid, to any destination within Michigan by delivering the Equipment on board such common carrier as Lessor may specify.

Section 21.02 Condition of Equipment Upon Return. Lessee shall cause the Equipment returned under this Agreement to:

- (a) be free and clear of all Liens (other than Lessor Liens) and rights of third parties;
- (b) be in the same condition as when delivered to Lessee, ordinary wear and tear excepted;
- (c) have all Lessee’s insignia or markings removed or painted over and the areas where such markings were removed or painted over refurbished as necessary to blend with adjacent areas; and
- (d) be in compliance with Law.

Section 21.03 Return of Records. Upon the return of the Equipment under this Agreement, Lessee shall deliver or cause to be delivered to Lessor, all records relating to the operation and maintenance of the Equipment, including all maintenance records, logs, or data in Lessee’s possession or required to be maintained by Law.

Section 21.04 Storage Upon Return. Lessee shall, at its expense, on Lessor's prior written request, store the Equipment returned under this Article for a reasonable period not to exceed 60 days, either:

- (a) at the Location; or
- (b) subject to the prior written consent of Lessor, at such other facility selected by Lessee used as a location for the storage of similar equipment.

During the storage period, Lessee shall comply with all of the terms and conditions hereof, except for the obligation to make payments of Rent.

Section 21.05 Holdover. If by the expiration of the Term, Lessee does not return the Equipment to Lessor in the condition and on the terms and conditions of this Article, Lessee shall continue to comply with all the terms and conditions of this Agreement and the applicable Supplement with respect to such Equipment, including the obligation to pay 125% of the prorated daily Rent for each day from the expiration of the Term until the date on which Lessee returns such Equipment to Lessor in the manner required under this Article ("**Holdover Rent**"). Lessee shall not construe anything contained in this Section, including Lessee's payment of Holdover Rent, as Lessor's (a) waiver of Lessee's failure to perform any obligation under this Agreement or (b) assent to the commencement of a term extending the Initial Term.

ARTICLE XXII MISCELLANEOUS

Section 22.01 Survival. Subject to the limitations and other provisions of this Agreement, the representations of Lessee contained in ARTICLE X survive indefinitely. All covenants and agreements of Lessee contained herein survive after the Closing Date indefinitely. Notwithstanding the foregoing, any claim by Lessor asserted in good faith with reasonable specificity (to the extent known at such time) and in writing by notice prior to the expiration date of the applicable survival period (if any) is not thereafter barred by the expiration of the relevant representation and such claims survive until finally resolved.

Section 22.02 Notices. Each party shall deliver all notices, requests, consents, claims, demands, waivers, and other communications under this Agreement (each, a "**Notice**") in writing and addressed to the other party at its address set forth below (or to such other address that the receiving party may designate from time to time in accordance with this section). Each party shall deliver all Notices by personal delivery, nationally recognized overnight courier (with all fees pre-paid), facsimile or email of a PDF document (with confirmation of transmission), or certified or registered mail (in each case, return receipt requested, postage prepaid). Except as otherwise provided in this Agreement, a Notice is effective only (a) on receipt by the receiving party, and (b) if the party giving the Notice has complied with the requirements of this Section.

Section 22.03 Interpretation. For purposes of this Agreement, (a) the words “include,” “includes,” and “including” are deemed to be followed by the words “without limitation;” (b) the word “or” is not exclusive; and (c) the words “herein,” “hereof,” “hereby,” “hereto,” and “hereunder” refer to this Agreement as a whole. Unless the context otherwise requires, references in this Agreement: (x) to sections, schedules, and exhibits mean the sections of, and schedules and exhibits attached to, this Agreement; (y) to an agreement, instrument, or other document means such agreement, instrument, or other document as amended, supplemented, and modified from time to time to the extent permitted by the provisions thereof; and (z) to a statute means such statute as amended from time to time and including any successor legislation thereto and any regulations promulgated thereunder. The parties drafted this Agreement without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted. The schedules and exhibits referred to herein are an integral part of this Agreement to the same extent as if they were set forth verbatim herein.

Section 22.04 Headings. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

Section 22.05 Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability does not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

Section 22.06 Entire Agreement. This Agreement, including and together with the Exhibits, constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein and therein, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter.

Section 22.07 Amendment and Modification. No amendment to or rescission, termination, or discharge of this Agreement is effective unless it is in writing and signed by an authorized representative of each party to this Agreement.

Section 22.08 Waiver.

- (a) No waiver under this Agreement is effective unless it is in writing and signed by an authorized representative of the party waiving its right.
- (b) Any waiver authorized on one occasion is effective only in that instance and only for the purpose stated and does not operate as a waiver on any future occasion.
- (c) None of the following constitutes a waiver or estoppel of any right, remedy, power, privilege, or condition arising from this Agreement:
 - (i) any failure or delay in exercising any right, remedy, power, or privilege or in enforcing any condition under this Agreement; or
 - (ii) any act, omission, or course of dealing between the parties.

Section 22.09 Cumulative Remedies. All rights and remedies provided in this Agreement are cumulative and not exclusive, and the exercise by either party of any right or remedy does not preclude the exercise of any other rights or remedies that may now or subsequently be available at law, in equity, by statute, in any other agreement between the parties, or otherwise.

Section 22.10 Equitable Remedies. Each party to this Agreement acknowledges that a breach or threatened breach by such party of any of its obligations under this Agreement would give rise to irreparable harm to the other party for which monetary damages would not be an adequate remedy and hereby agrees that in the event of a breach or a threatened breach by such party of any such obligations, the other party to this Agreement will, in addition to any and all other rights and remedies that may be available to it in respect of such breach, be entitled to equitable relief, including a temporary restraining order, an injunction, specific performance, and any other relief that may be available from a court of competent jurisdiction (without any requirement to post bond).

Section 22.11 Assignment. Lessee may not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of Lessor. Any purported assignment or delegation in violation of this Section is null and void. No assignment or delegation relieves the assigning or delegating party of any of its obligations under this Agreement.

Section 22.12 Successors and Assigns. This Agreement is binding on and inures to the benefit of the parties to this Agreement and their respective permitted successors and permitted assigns.

Section 22.13 No Third-Party Beneficiaries. This Agreement benefits solely the parties to this Agreement and their respective permitted successors and permitted assigns and nothing in this Agreement, express or implied, confers on any other Person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

Section 22.14 Choice of Law. This Agreement, including all Exhibits and all matters arising out of or relating to this Agreement, are governed by, and construed in accordance with, the laws of the State of Michigan without regard to the conflict of laws and provisions thereof to the extent such principles or rules would require or permit the application of the laws of any jurisdiction other than those of the State of Michigan.

Section 22.15 Choice of Forum. Each party irrevocably and unconditionally agrees that it will not commence any action, litigation, or proceeding of any kind whatsoever against the other party in any way arising from or relating to this Agreement, including all Exhibits hereto and thereto, and all contemplated transactions, including, but not limited to, contract, equity, tort, fraud, and statutory claims, in any forum other than the United States District Court for the Western District of Michigan or, if such court does not have subject matter jurisdiction, the courts of the State of Michigan sitting in Ingham County, and any appellate court from any thereof. Each party irrevocably and unconditionally submits to the exclusive jurisdiction of such courts and agrees to bring any such action, litigation, or proceeding only in the United States District Court for the Western District of Michigan or if such court does not have subject matter jurisdiction, the courts of the State of Michigan sitting in Ingham County. Each party agrees that a final judgment in any such action, litigation, or proceeding is conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 22.16 Waiver of Jury Trial. Each party acknowledges and agrees that any controversy that may arise under this Agreement, including any Supplements or exhibits attached to this Agreement, is likely to involve complicated and difficult issues and, therefore, each such party irrevocably and unconditionally waives any right it may have to a trial by jury in respect of any legal action arising out of or relating to this Agreement, including any Supplements or exhibits attached to this Agreement, or the transactions contemplated hereby. [SAP2]

Section 22.17 Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together is deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email, or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 22.18 Force Majeure. No party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement (except for any obligations of Lessee to make payments to Lessor hereunder), when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's ("**Impacted Party**") control, including, without limitation, the following force majeure events ("**Force Majeure Event(s)**"): (a) acts of God; (b) flood, fire, earthquake, or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) government order, law, or actions; (e) embargoes or blockades in effect on or after the date of this Agreement; and (f) national or regional emergency. A Force Majeure event does not include economic recessions and depressions and other economic downturns. If the performance of an obligation under this Agreement by either party is rendered impossible, directly and proximately, by a Force Majeure Event that cannot be overcome by use of normal commercial measures and that was not directly

or indirectly caused by, contributed to, or exacerbated by any act or omission of that party or any person acting on behalf of that party, the time for that party's performance of the obligation will be extended for the period during which performance is rendered impossible due to the Force Majeure Event. The party whose performance is affected by a Force Majeure Event must give prompt written notice of the event to the other party, which includes the nature of the Force Majeure Event and an estimate of its duration. Notwithstanding the foregoing, Lessee will not, under any circumstances, be excused from timely performance of its obligations relating to the payment of any sums of money owed to Lessor. Also, notwithstanding the foregoing, this provision will not extend Lessee's time for performance of an obligation beyond a period of 30 days without the written consent of Lessor.

Section 22.19 Relationship of Parties. Nothing herein creates a joint venture or partnership between the parties to this Agreement, an employee/employer relationship, or any other relationship other than as lessor and lessee. Lessee is an independent contractor pursuant to this Agreement. Neither party to this Agreement has any express or implied right or authority to assume or create any obligations on behalf of or in the name of the other party or to bind the other party to any contract, agreement, or undertaking with any third party.

IN WITNESS WHEREOF, the parties to this Agreement have caused this Agreement to be executed as of the date first written above by their duly authorized respective officers.

FRANCHISEE LICENSOR SUB-LICENSE

THIS FRANCHISEE LICENSOR SUB-LICENSE (this "License") is made on the ____ day of _____, 2020 (the "Effective Date"), among **BCOMPLETE, LLC**, a Michigan limited liability company, ("Licensor") and _____, a Michigan limited liability company ("Licensee"). Licensor and Licensee may individually be referred to herein as a "Party" or collectively as the "Parties."

INTRODUCTION

Licensor has a Master License Agreement with Meijer, Inc. and Meijer Stores Limited Partnership ("Meijer") to license certain land throughout the Meijer system, including the Licensed Premises (the "Master License"). Licensor has the right to sublicense the Licensed Premises to a franchisee of the Global Orange Development, LLC ("Franchisor") system for the operation of a Biggby Coffee store in a modular unit on the Licensed Premises. Licensee is a franchisee of the Franchisor and has entered into a Franchise Agreement with Franchisor for the operation of a Biggby Coffee franchise at the Licensed Premises (the "Franchise Agreement"). Licensor sublicenses the Licensed Premises to Licensee pursuant to the terms of this License.

ARTICLE I. DEFINITIONS

Section 1.01 Defined Terms. Unless otherwise defined in this License, capitalized terms used in this License shall have the meaning ascribed to such terms in **Exhibit A**.

ARTICLE II. PREMISES

Section 2.01 Entire Premises and Licensed Premises. In consideration of the mutual covenants and agreements contained in this License, Licensor grants to Licensee the privilege of conducting the Permitted Use in a certain modular stand-alone structure (the "Building") to be located in the parking lot adjacent to the Meijer Store identified on **Exhibit B** (the "Entire Premises") and more specifically within that area of the Entire Premises outlined on **Exhibit B** (the "Licensed Premises"). Notwithstanding the foregoing, in the event Meijer sells a portion of the Entire Premises, such sale parcel shall automatically be excluded from the definition of the Entire Premises upon the sale of the sale parcel.

Section 2.02 Acceptance of Licensed Premises. Except as set forth in this License, Licensee accepts the Licensed Premises in its "as is" condition, with all faults, and without representation or warranty, on the License Year Commencement Date.

ARTICLE III. TERM

Section 3.01 Term of License. The original term of this License as to the Licensed Premises shall commence on the License Year Commencement Date and shall terminate on the Termination Date (the "Original Term"). The term "License Year" shall mean a period of 12 consecutive months commencing on the License Year Commencement Date.

- (a) Licensee may extend the Original Term by the Extension Term(s) (together with the Original Term, the "Term"), by notifying Licensor by the deadline required for an Extension Notice of

Licensee's desire to extend the Term, so long as Licensee has extended the term of the Franchise Agreement such that the Term of this License and the term of the Franchise Agreement are coterminous.

- (b) Licensee shall not take possession of the Licensed Premises until Licensee (i) pays the Security Deposit and the Construction Security Deposit (as defined below). If Licenser is unable to deliver possession of the Licensed Premises upon the Possession Date, the License Fees shall abate during the period of such delay. Licenser shall have no liability to Licensee for failure to deliver possession of the Licensed Premises except as provided in this Section 3.01(b).

Section 3.02 Termination for Convenience. Meijer has a right to terminate the Master License for convenience. If Meijer terminates the Master License, Licenser may, to the extent expressly set forth on **Exhibit A**, terminate this License with respect to the Licensed Premises upon notice in accordance with the terms set forth on **Exhibit A** for Termination for Convenience.

Section 3.03 Discontinuance of Meijer's Business. Anything in this License to the contrary notwithstanding, Meijer may terminate the Master License at any time upon 180 days' prior written notice in the event Meijer elects to discontinue operation of its business at the Entire Premises. If Meijer makes that election, Licenser may terminate this License with respect to the Licensed Premises upon 120 days' prior notice.

ARTICLE IV. LICENSE FEES

Section 4.01 License Fee. On the License Fee Commencement Date Licensee shall pay the Annual License Fee for the Licensed Premises which shall be paid in weekly installments equal to the Weekly License Fees which shall be paid without set off in advance on or before each and every Monday for the weekly period Monday through Sunday during the Term and shall be prorated for any portion of the Original Term preceding the first License Year as shown in Exhibit A. In addition, Licensee shall pay a percentage rent in the amount of seven percent (7%) of gross sales of the Licensee in excess of \$720,000 in any calendar year as provided in Exhibit A. Licenser reserves the right to amend the frequency of payment of the License Fee in its sole discretion.

Section 4.02 Security Deposit. Prior to the License Year Commencement Date, Licensee shall deposit with Licenser an amount equal to the Security Deposit. The Security Deposit shall be held by Licenser as security for Licensee's faithful performance of its obligations under the License. Failure to provide the Security Deposit shall not relieve Licensee of its payment obligations under this License.

Section 4.03 Payment. All License Fees and other amounts payable by Licensee pursuant to this License shall be paid by electronic or similar funds transfer or other method designated by Licenser. Licensee must install, at its expense, and use pre-authorized payment and electronic funds transfer systems, or automatic payment systems as Licenser may specify.

- (a) Payments by Licensee shall be first applied to the earliest License Fee due and owing. No endorsement or statement on any check or any letter accompanying any check or payment of License Fees shall be an accord and satisfaction, and Licenser may accept such amounts without prejudice to Licenser's recovery of other amounts owed under this License.

ARTICLE V. MAINTENANCE, REPAIRS, AND UTILITIES

Section 5.01 Meijer's Maintenance Obligations. Meijer has certain maintenance obligations under the Master License agreement that are limited to maintaining in good appearance and repair the Common Facilities located on each Entire Premises. Licensee shall notify Licensors if any hazardous substances, petroleum, petroleum products, asbestos containing materials, mold, and any other pollutants or contaminants that are regulated applicable governmental authorities (collectively "Hazardous Substances") are discovered within the Licensed Premises. Upon notification, Licensors shall notify Meijer. Under the Master License, Meijer is required to use reasonable efforts to remove such Hazardous Substance at Meijer's cost and expense; provided that Licensee shall be responsible for all costs of Hazardous Substance removal to the extent the cost of Hazardous Substance removal is otherwise caused or exacerbated by the action or inaction of Licensee, its agents, contractors or employees. Licensee acknowledges and agrees that these removal obligations are obligations of Meijer only and Licensors will not be responsible to Licensee if Meijer fails to perform those obligations.

Section 5.02 Licensee's Maintenance Obligations. Licensee shall maintain and keep in good order and repair the Licensed Premises, including, without limitation, all structural and nonstructural aspects of the Building, signage, landscaping and pavement located on the Licensed Premises and separate utility lines serving the Licensed Premises. Section 5.03 Licensee's Utilities and Telecommunications. Licensee shall secure and pay for all utility services, telecommunication systems and waste services needed for the Permitted Use, including, without limitation, all permit, tap and inspection fees imposed by governmental authority with respect to the Licensed Premises. In the event that any utility service is not separately metered for the Licensed Premises, Licensee shall be responsible to Licensors for any amount Licensors are required to pay for such utility charges as determined by Meijer, representing Licensee's Pro-Rata Share of such utility charge, which shall be due immediately upon notice to Licensee. For purposes of this Lease, "Licensee's Pro-Rata Share" shall equal a ratio, the numerator of which shall be the square footage of the Licensed Premises and the denominator of which shall be the square footage of leasable retail space within the Entire Premises. Pursuant to Article VII, all wireless devices and/or networks installed within the Licensed Premises must be approved by Licensors and all wireless signals must be contained within the Licensed Premises. If Licensors determine such networks or devices have not been previously approved or

In the event Licensee is unable to have the Building treated as a separate tax parcel, Licensor shall pay, before any penalty or interest attaches, all property taxes levied or assessed against or with respect to the Entire Premises at any time during the Term. Within five (5) days after receipt from Licensor of notification that Licensor has paid such taxes, Licensee shall reimburse Licensor its portion of such taxes (improvements). [INDIANA] Taxes and other charges payable by Licensee under this Subparagraph 5.04(a) shall be prorated on a calendar year basis (in arrears). Revenues consisting of property or services (for example, "bartering" or "trade outs") are valued at the prices applicable to the products or services exchanged for those revenues at the time those revenues are received. Licensee authorizes Licensor to obtain from Franchisor, and authorizes Franchisor to provide to Licensor, Licensee’s monthly reports or other financial reports Licensee submits to Franchisor and Licensee waives any confidentiality protection related to such reports.

ARTICLE VII. IMPROVEMENT OF LICENSED PREMISES

Section 7.01 Approvals; Conditions Precedent.

- (a) Licensee acknowledges that the rights granted herein are subject to all covenants, conditions, restrictions, encumbrances and easements of record and all applicable zoning ordinances and other governmental regulations. Licensee further acknowledges that Licensor does not represent or warrant that such documents of record and such ordinances and regulations allow for Licensee’s intended use of the Licensed Premises.
- (b) Licensee acknowledges that Licensor does not represent or warrant that the Licensed Premises have access to the necessary utilities in order to operate the Building on the Licensed Premises. To the extent Licensor provides or has provided any plans, specifications or other information with respect to the Licensed Premises or Common Facilities (defined below), including any utility plans, Licensee acknowledges that such information (i) is provided to assist Licensee in its review

of the Licensed Premises; and (ii) is provided without representation or warranty by Licensor with respect to its accuracy, content or completeness.

- (c) Licensee shall, at its sole cost and expense, promptly field locate any utility lines, confirm that such utility lines are available to service the Licensed Premises and provide Licensor plans showing, the Building's design (including, but not limited to, exterior elevations and color scheme), the proposed locations into which the Building on the Licensed Premises proposes to connect to existing water, sanitary, gas, telecommunication and electric lines on and/or across the corresponding Common Facilities and any proposed improvements to allow for the installation of the Building and the operation of the Permitted Use (such as curbing, islands) (together the "Construction Plans"), which shall be subject to Licensor's written approval. Licensee acknowledges that any such utility connection shall be contingent upon such service to the Licensed Premises being separately metered and billed. Licensee acknowledges that open cutting of pavement within the Common Facilities for the installation of utilities shall not be permitted unless written approval is provided by Licensor in its sole discretion. Licensee acknowledges that any islands or improvements constructed as part of the installation of the Building shall be constructed in a manner that does not impede any existing storm water drainage or cause any ponding on the Common Facilities. Licensee acknowledges that if utilities are located within the Licensed Premises, no improvements shall be constructed in the Licensed Premises unless Licensee's plans show the relocation of such utility and Licensor approves such relocation in writing. Licensee acknowledges that Licensor shall not be liable in damages or otherwise for any reason, including any mistake in judgment, negligence or nonfeasance, arising out of or in connection with the approval or disapproval or failure to approve or disapprove any plans submitted pursuant to this License. No approval shall be considered an approval of the plans, drawings and/or specifications from an engineering perspective or a determination that they meet building, environmental or engineering design standards, are in compliance with applicable covenants or governmental requirements, or that any improvements contemplated therein have been built in accordance with such plans, drawings and/or specifications. No approval shall constitute a representation that utilities to which Licensee intend to connect are located as shown or that easements, covenants and restrictions of record permit such connection.
- (d) In the event Licensee notifies Licensor that it is unable to obtain necessary utility service to a Building on the Licensed Premises, either party may terminate this License with respect to the Licensed Premises.
- (e) In the event Licensee fails to provide Construction Plans for the Licensed Premises within ninety (90) days of the date of this License, Licensor may terminate this License with respect to the Licensed Premises.
- (f) In the event Construction Plans are provided by Licensee with respect to the Licensed Premises but rejected by Licensor and within sixty (60) days of such rejection Licensor and Licensee are unable to mutually agree on acceptable Construction Plans, either party may terminate this License with respect to the Licensed Premises.
- (g) In the event Construction Plans for the Licensed Premises are approved by Licensor, Licensee shall be responsible for obtaining all necessary governmental approvals for the construction of the Building and any improvements contemplated in the approved Construction Plans. For the Licensed Premises, to the extent the applicable governmental authorities require site plan approval

and/or variance for the Common Facilities or Meijer Store/Gas Station improvements (including, but not limited to any parking, landscaping or green space requirements), Licensee shall be responsible for obtaining such approvals and for demonstrating to Licensors that after the proposed development of the Licensed Premises, the Entire Premises is in compliance with all municipal requirements. Any application or correspondence associated with such approvals shall be subject to the prior review and approval of Licensors. Licensee shall be responsible for the cost of all application fees, review fees, permits and other similar costs associated with obtaining all such governmental approvals.

- (h) In the event receipt of any approvals and variances contemplated in Section 7.01(g) are conditioned upon modifications to the Construction Plans or required modification to the Common Facilities or other Licensors improvements (including, but not limited to, a requirement to install additional islands or sidewalks), the decision whether to consent to such condition of approval shall be made by Licensors in its sole discretion.
- (i) In the event the approvals, demonstrations and variances contemplated in Section 7.01(g) and 7.01(h) are not obtained within ninety (90) days of receipt of Licensors approval of Construction Plans and fixture plans, either party may terminate this License with respect to the Licensed Premises.
- (j) In the event utility easements are required in order to complete any utility extensions contemplated in the Construction Plans, Licensors agrees to reasonably cooperate in granting such easements at no additional cost to Licensors. Licensee agrees that for any such easement, Licensee shall defend, indemnify, and save harmless Meijer, Licensors, its direct or indirect parent, subsidiaries, and affiliated entities and their respective officers, directors, shareholders, partners, agents, and employees (the "Licensors Related Parties") having any interest in the Licensed Premises against any liability or claim thereof (including but not limited to reasonable actual attorney fees and costs) arising out of or in any way related to such grant of easement.

Section 7.02 Improvement to Licensed Premises. Licensors shall deliver the Licensed Premises as required in Exhibit A, Licensors Delivery of Licensed Premises. The Building and the site work to be completed pursuant to the Construction Plans shall be referred to herein as the "Improvements". No Improvements on or to the Licensed Premises shall be made, or once made thereafter significantly altered, remodeled or relocated, until Construction Plans have been submitted to Licensors and approved by Licensors in writing.

- (a) Any modification to the Construction Plans shall be completed in accordance with this Article VII.
- (b) On or before the Possession Date (or in connection with any subsequent remodel/rebuild) and in addition to any Security Deposit, Licensee shall deposit the Construction Security Deposit to be held by Licensors as security for Licensees faithful construction of the Improvements. Failure to provide the Construction Security Deposit shall not relieve Licensee of its obligations under this License. Licensee may request a partial release of 30% of the Construction Security Deposit when the Improvements are 50% complete and the remaining portion of the Construction Security Deposit when the walk-through completed pursuant to this Section 7.02(b) confirms the Improvements are substantially complete. All Construction Security Deposit releases shall be accompanied by (i) Licensees written certification that the portions of the work subject to the release have been completed pursuant to the approved Construction Plans; and (ii) evidence of

payment for the work with copies of unconditional lien waivers signed by applicable contractors, subcontractors and material suppliers. Any release of the Construction Security Deposit shall be made within 15 business days after receipt of a release application satisfying this Section 7.02(b). Upon Licensee's request, Licensors may replace the cash component of the Construction Security Deposit with a letter of credit equal to 100% of the estimated cost to construct the Improvements on such terms and conditions acceptable to Licensors. Any and all representations made by Licensee to Licensors will be relied upon by Licensors to make representations to Meijer. Licensee shall indemnify and hold Licensors harmless from any damage or liability that may arise due to Licensee's misrepresentation.

Section 7.03 Work Requirements. Following Licensors' approval of the Construction Plans and prior to the installation of any Improvements, Licensee shall obtain all necessary governmental approvals and permits and conduct a pre-construction meeting with Licensors' representative. No work on Improvements shall be conducted between November 15th and December 31st of any calendar year. Licensee shall be responsible and have exclusive control over the means, methods, sequences, and procedures and for coordinating all Improvement work. Improvements shall be completed in a good and workmanlike manner, free from defective materials and compliant with applicable law, ordinances and governmental requirements.

Section 7.04 Liens. Licensee shall keep the Licensed Premises and Entire Premises free from any mechanics' liens or claims thereof for any labor or material furnished in connection with the Licensed Premises. Licensee shall have the right to contest the validity or amount of any such lien, provided that Licensee shall first post any bond or make any deposits required by Licensors and as may be required for a report of title relating to the Licensed Premises to reflect the absence of such lien.

Section 7.05 Signing and Graphics. All signage and the placement thereof shall constitute Improvements and be subject Licensors' prior approval.

ARTICLE VIII. RELEASE, CASUALTY AND EMINENT DOMAIN

Section 8.01 Mutual Release. To the extent that Licensors is released and discharged by Meijer, Licensors releases and discharges Licensee and the Licensee Related Parties of and from liability to Licensors and to anyone claiming by, through, or under Licensors by subrogation or otherwise on account of any damage to or destruction of any Entire Premises and any other property of Licensors located in any Entire Premises caused by or arising out of any fire or other insured peril, however caused. Licensee hereby releases and discharges Licensors and Licensors Related Parties and any other persons having an interest in the Licensed Premises, of and from liability by subrogation or otherwise on account of any of the following caused by or arising out of any fire or other insurable peril, however caused: (i) damage to or destruction of any property of Licensee, (ii) damage to or destruction of any Improvements, merchandise, and inventory, and (iii) loss or damage resulting from the interruption of Licensee's business operations in the Licensed Premises.

Section 8.02 Casualty. If the Licensed Premises is damaged or destroyed, in whole or in part, by fire or other peril so as to deprive Licensee of occupancy or use of the same or if the Entire Premises or Common Facilities are damaged or destroyed, Licensee shall be solely responsible for replacing, restoring, or repairing the Improvements. To the extent that such damage or destruction cannot be repaired or are not repaired within 15 days of such event, Licensors may terminate this License as it relates to the Licensed

Premises upon ten (10) days' notice. In the event Licensor does not terminate the License as allowed in this Section 8.02, Licensee shall repair the Licensed Premises within 60 days of such event.

Section 8.03 Eminent Domain. If the Licensed Premises is taken by any governmental authority pursuant to its power of eminent domain or by settlement in lieu thereof made by Licensor in its sole discretion (each a "Taking"), either Party may terminate this License as to the Licensed Premises on 20 days' prior notice given within 60 days of the date such Taking. If a substantial portion of the Entire Premises or Common Facilities are subject to a Taking, Licensor may terminate this License as to the Licensed Premises on 30 days' prior notice given within 90 days of the date such Taking. If neither Party elects to terminate this License notwithstanding having such right pursuant to this Section 8.03, Licensee shall continue in possession of the remainder of the Licensed Premises. In the event of any Taking of the Licensed Premises, the License Fee shall be reduced in proportion to the square footage so taken. The entire compensation awarded in any Taking shall belong to Licensor, and Licensee hereby assigns to Licensor all of Licensee's right, title, and interest in and to any and all such compensation. Licensee shall have the right to claim and recover from the condemning authority, such compensation as may be separately recoverable.

ARTICLE IX. INDEMNITIES AND INSURANCE

Section 9.01 Licensee's Indemnity. Subject to Section 8.01, Licensee shall defend, indemnify, and save harmless Licensor and Licensor Related Parties against any liability or claim (including, without limitation, attorney fees and costs) for injury to persons, including death, or damage to property (each a "Claim") arising out of or in connection with (i) the use of the Licensed Premises; (ii) any Licensee Default (as defined below); (iii) any act or omission by Licensee or Licensee Related Party; (iv) the use of any portion of the Entire Premises by Licensee or Licensee Related Party; or (v) the operation of business from the Licensed Premises; or (vi) construction, installation, operation, and maintenance of the Improvements. The foregoing includes Claims alleging or involving joint or comparative negligence, but shall not extend to the sole negligence of Licensor or Licensor Related Party. With respect to use of the Entire Premises other than the Licensed Premises Licensee's indemnification obligations shall not extend to Claims resulting from the gross negligence and willful misconduct of Licensor or Licensor Related Party. To the fullest extent permitted by law, Licensee expressly waives any and all immunity or damage limitation provisions available to Licensee under any workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts to the extent such acts would otherwise limit the amount recoverable by Licensor or the Related Parties. Licensor shall approve or select counsel defending Licensor or any Licensor Related Party pursuant to any Claim covered by this indemnity provision.

Section 9.02 Licensor's Indemnity. Subject to Section 8.01, so long as Meijer complies with its obligations to defend, indemnify and save harmless Licensor under the Master License, Licensor covenants to defend, indemnify, and save harmless Licensee from and against all Claims brought by third parties (not including Licensee's agents, contractors and employees), including any action or proceeding brought thereon, arising solely from and as a direct result of the negligent or willful act or omission of Licensor or Licensor Related Party acting in the scope of their agency or employment and which is related to Meijer's operations in the Entire Premises.

Section 9.03 Insurance.

Such policy may not include any exclusions or endorsements that limit coverage for claims from incidents that are also covered by workers' compensation and/or employer liability insurance. Licensee shall cause Licensor, its direct and indirect parent, subsidiaries and affiliates, and Meijer and its direct and indirect parent, subsidiaries and affiliates to be named as an additional insured on an endorsement acceptable to Licensor. The additional insured endorsement shall extend coverage to the contractual liability and completed operations. A copy of the additional insured endorsement is required.

- (c) Required Coverages must: (i) be an occurrence policy and not a claims-made policy; (ii) contain a commercially reasonable deductible and not contain a self-insurance retention; (iii) not contain any exclusion for punitive damages where allowable by applicable law; (iv) contain a specific provision that defense costs are supplemental and do not erode or exhaust policy limits; (v) contain a specific provision waiving any and all rights of recovery, contribution or subrogation against Licensor and Licensor Related Parties.
- (d) Certificates evidencing all Required Coverages, including any required additional insured endorsement, shall be promptly sent to the Licensor and Meijer Risk Management Department. All Required Coverages shall be underwritten by an insurance carrier acceptable to Licensor and with an A.M. Best rating of not less than A-. Upon the request of Licensor, Licensee shall deliver copies of policies evidencing the insurance coverages required by this License to the Licensor.

- (e) Compliance or lack of compliance with this Section 9.03 shall not relieve Licensee of its indemnity obligations under this License and such indemnity obligations shall not be negated or reduced by virtue of any insurance carrier's (i) denial of insurance, or (ii) refusal to defend any named insured.
- (f) Prior to commencing any work within the Licensed Premises or any portion of the Entire Premises, Licensee shall cause its contractor(s) and subcontractor(s) to procure and keep in effect, during the course of their work in, on or about the Licensed Premises, insurance coverages described in Sections 9.03(a)(i), 9.03(a)(ii), and 9.03(a)(iii), above.

Licensors will provide Licensee notice of Meijer's exercise of this right. If Licensors are reimbursed by Meijer for any of these relocation costs, Licensors will remit such Meijer contribution to Licensee. If during the time of such relocation Licensee is unable to operate the Licensed Premises (either the existing Licensed Premises or the relocated Licensed Premises), all license fees payable by Licensee with respect to the Licensed Premises shall abate during such inability to operate.

(b) In the event, (i) as part of a parking lot reconfiguration, remodel of the Entire Premises or sale/ground lease Meijer or Licensors determines a new Building location is not possible, or (ii) Meijer or Licensors is notified that municipal parking requirements have changed, requiring the need to convert the Licensed Premises into additional parking spaces, Licensors may terminate this License with respect to the Licensed Premises upon twenty (20) days' advance notice to Licensee.

Section 10.03 Intentionally deleted.

Section 10.04 Assignment. This License shall not be Transferred (as defined below) by Licensee without the prior written consent of Licensors, which consent may be withheld in Licensors' sole discretion, and such Transfer is required to be simultaneously with the transfer of the Franchise Agreement. In addition, if Licensors consents to such Transfer, Licensee shall pay to Licensors a non-refundable \$1000 fee as compensation for Licensors' time associated with such request. In case of a Transfer permitted hereunder, Licensee, as well as the assignee or successor-in-interest, shall be liable for the full performance of all terms and conditions of this License. Licensors' consent to any Transfer shall not be deemed a consent to any further Transfer. For purposes of this License, the term "Transfer" or "Transferred" shall mean any voluntary or involuntary, direct or indirect change in the Control of Licensee, transfer, assignment, sublease, sublicense, sale, pledge, mortgage grant of a lien, or other disposition of hypothecation of all or

Section 10.05 Subordination. Licensee shall not cloud or encumber Licensors' interest in the Licensed Premises and Licensee's rights are and shall always be subordinate to the lien of any trust, deed, mortgage, or other encumbrance now or hereafter placed upon the Licensed Premises. Licensee shall execute such further instruments evidencing the subordination provisions of this Section 10.05.

Section 10.06 Surrender of Licensed Premises. Upon expiration or earlier termination of this License, Licensee shall surrender possession of the Licensed Premises to Licensors and, shall, as directed by Licensors at Licensors' option: (i) surrender possession of the Licensed Premises to Licensors with the Building and all other Improvements intact and fully operational; or (ii) surrender possession of the Licensed Premises to Licensors with (A) the Building removed; (B) all other Improvements removed and restored as directed by Licensors or Meijer and (C) any utilities properly capped or terminated at the point of connection and any damage occasioned by any such removal promptly repaired, including restoring the surface of the Licensed Premises to a condition consistent in material and grade with the surrounding portion of the Common Facilities as directed by Licensors or Meijer("Surrender").

The purchase price for the Building and its contents will be the fair market value of the Building and contents as reasonably determined by Licensors. Licensors will be entitled to a credit against the purchase price for all amounts owed by Licensee to Licensors under this License or under any other agreement. Licensors will pay the purchase price within 30 days after the Surrender.
- (b) If Licensors exercises the option described in Section 10.06(ii), Licensors, in its sole discretion and in lieu of requiring Licensee to undertake the obligations described in Sections 10.06(ii)(A), (B), and (C), may undertake the obligations described in Section 10.06(ii)(A), (B), and (C) and charge Licensee for the cost of fulfilling those obligations, less any amounts paid by Meijer in connection with completing those obligations. Licensee must pay the amounts owed for these charges immediately on demand.
- (c) If Licensee is required to remove property on Surrender, any property not removed in connection with Surrender shall constitute Licensee's abandonment of said property, may be removed by Licensors at Licensee's cost and expense and title thereto shall immediately vest in Licensors.
- (d) Upon Licensors' termination of this License, Licensors may at any time thereafter resume possession of the Licensed Premises and remove Licensee or other occupants. Upon the termination, Licensee shall have no right, title, or interest in the Licensed Premises.
- (e) Licensee's indemnification obligations under Section 9.01 covers Claims and delays associated with Licensee's failure to Surrender the Licensed Premises as set forth in this Section 10.06. Licensee's retention of possession of the Licensed Premises or any part thereof after expiration or the earlier termination of this License shall not extend the Term, except that at the election of Licensors, such holding over may renew the Term for the period of 1 month at a rate twice the

Weekly License Fees in addition to all other charges due hereunder. Licensor's acceptance of any License Fees after holding over shall not renew this License and do not waive Licensor's rights of re-entry or any other right hereunder.

- (f) This Section 10.06 shall survive the expiration or earlier termination of this License.

- (a) The Parties shall use commercially reasonable efforts to settle any dispute or claim arising from or relating to this License. To accomplish this, they shall negotiate with each other in good faith prior to arbitrating any such claim or dispute (as provided in this Section 12.09). If an agreement cannot be reached during such negotiations, instead of suing in court, the Parties shall arbitrate any all disputes and claims (including, without limitation, claims based on or arising from an alleged tort) arising out of or relating to this License. During the period of any such settlement discussions and arbitration proceedings, Licensee shall continue to pay any License Fees otherwise due hereunder.
- (b) Any claim or dispute arising out of or relating to this License, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration rules, except as varied herein, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. This License evidences a transaction in interstate commerce and that the Federal Arbitration Act and Federal Arbitration law shall govern the interpretation and enforcement of, and proceedings pursuant to this License.
- (c) The dispute shall be heard and determined by one arbitrator, except that if any Party's claim exceeds \$1,000,000, exclusive of interest, the dispute shall be heard and determined by three arbitrators, at least one of which shall be an attorney. The award of the arbitrator(s) shall be accompanied by a reasoned opinion. The location of any arbitration shall be in Kent County, Michigan. No arbitrator has the authority to: (1) award relief in excess of what this License provides; (2) award punitive damages or any other damages not measured by the prevailing party's actual damages; or (3) order consolidation or class arbitration. Except as provided below, each Party shall bear its own costs, attorney fees and other expenses. The Parties shall bear an equal share of the arbitrator(s)'s compensation and expenses and an equal share of the administrative fees and costs of arbitration.
- (d) The arbitrator(s) must give effect to the limitations on either Party's liability as set forth in this License, any applicable tariff, law, or regulation. Neither Licensee, Licensor nor the arbitrator(s) shall disclose the existence, content, or results of any arbitration.
- (e) Any arbitration may be consolidated or joined with any related arbitration. Notwithstanding anything in this Section 12.09 to the contrary, if a third party asserts a claim against either Licensor or Licensee and that claim is being adjudicated in a court of law ("Third Party Claim"), Licensor may join any dispute related to that Third Party Claim to litigation by joining such dispute to the Third Party Claim rather than arbitrating such claim. If Licensor elects to join a dispute to a Third Party Claim or this arbitration provision is determined by a court of law to be unenforceable, the

Parties waive its respective rights to a trial by jury (regardless of the source of such right) for the adjudication of such dispute.

- (f) This Section 12.09 shall not be construed to prevent either party from seeking injunctive relief, including specific performance, against the other from any court located in in the county in which the Licensed Premises is located, prior to the commencement of arbitration or the joining of a dispute with a Third Party Claim. If an arbitration or litigation arises out of or in connection with this License, the prevailing party shall be entitled to recover its reasonable attorney's fees and costs.

Section 12.10 No Offer and No Partnership. Submission of this License does not constitute an offer to enter into a license, and this License shall become effective only upon execution and delivery by the Parties. Neither Party shall in any way become a partner of or joint venture with the other by virtue of this License.

Section 12.11 Complete Agreement-Amendments. This License contains the entire agreement between the Parties pertaining to the Licensed Premises and all prior or contemporaneous oral or written agreements shall be of no force and effect. This License shall be amended only by a written instrument signed by the Parties. All exhibits referred to in and attached to this License are hereby made a part of this License.

Section 12.12 Successors and Third Parties. This License shall be binding upon and inure to the benefit of each of the Parties and their respective permitted successors and assigns. Except for the Licensor Related Parties there are no third party beneficiaries to this License.

Section 12.13 Obligations Survive. Section 12.14 Authority. Licensee represents and warrants that Licensee has the capacity and authority to enter into this License. If Licensee is a corporation, partnership or other limited entity, Licensee represents and warrants it is duly organized and validly existing in good standing and that the person executing this License has the requisite authority to bind such entity to the terms of this License.

In the event such certification is, or during the term of this License becomes, incorrect, Licensor may terminate this License.

Section 12.17 Execution, Counterparts. This License may be signed in one or more counterpart signature pages and delivered to the other Party by facsimile or other means of electronic communication, all of which taken together shall constitute and original and one and the same document.

Section 12.18 Security Interest. All such references to types of collateral shall have the meaning given to them by the applicable Uniform Commercial Code. ADVERTISING COOPERATIVE BY-LAWS AND MEMBERSHIP AGREEMENT

EXHIBIT G

BYLAWS OF
BIGGBY ADVERTISING COOPERATIVE # _____

ARTICLE I
PURPOSES

Section 1.1 Marketing and Promotion. The purposes of the BIGGBY Advertising Cooperative Designated Marketing Area (insert city) (the "Cooperative") are to collect funds from its Members and expend the funds for the purpose of advertising and marketing BIGGBY Stores in the area described as follows: _____
(the "Marketing Area").

ARTICLE II
PRINCIPAL ADDRESS

Section 2.1 Principal Address. The principal address of the Cooperative will be _____. The principal address may be changed from time to time by the Members.

ARTICLE III
MEMBERSHIP

Section 3.1 Members. Each BIGGBY Store in the Marketing Area will be a Member of the Cooperative unless membership has been terminated as provided in these Bylaws. There will be one membership for each BIGGBY Store in the Marketing Area regardless of whether the Store is owned by an individual, a group of individuals or an entity that directly or indirectly controls one of more BIGGBY Stores.

Section 3.2 Membership Agreements. Each Member of the Cooperative must sign a Membership Agreement obligating the Member to comply with the terms of these Bylaws and to contribute a stated percentage of Net Sales from each BIGGBY Store owned or operated by the Member in the Marketing Area.

Section 3.3 Termination of Membership. The Cooperative may terminate a Member's membership in the Cooperative if the Member fails to promptly pay required fees to the Cooperative after notice and an opportunity to cure within 30 days and Global Orange Development, LLC ("Franchisor") consents to the termination. Also, except for Franchisor and its subsidiaries and affiliates, a Member's membership in the Cooperative will automatically terminate if the Member ceases to own and operate at least one BIGGBY Store in the Marketing Area. On termination, the terminated Member will still be responsible for any contributions due as of the date of termination.

Section 3.4 Participation in Cooperative Programs. No Member will be required, as a condition of Membership, to participate in any Cooperative approved advertising and/or promotion program that requires the Member to advertise or to charge a specified retail price for a food product, beverage, promotional item, or any combination thereof. All advertising and promotional materials that are used in a Cooperative approved advertising and/or promotion program in which some

Members are not participating will contain a statement that the advertised promotion is valid only at participating BIGGBY Stores.

Section 3.9 Non-Cooperative Members. Only Members of the Cooperative may participate in Cooperative sponsored events or promotions unless otherwise approved by the Cooperative.

ARTICLE IV CONTRIBUTIONS BY MEMBERS

Section 4.1 Member's Contributions to Cooperative. Each Member must make contributions to the Cooperative in an amount equal to 1.5% of its Net Sales (as that term is defined in the current form of the Franchisor's Franchise Agreement) or such other amount of its Net Sales as a majority of the membership votes of the Cooperative designates from time to time. Franchisor, its subsidiaries and affiliates will make the same contributions for any BIGGBY Stores operated by them in the Marketing Area. Payment of each Member's contribution must be paid to Franchisor at the same time and in the same manner as royalty is required to be paid to Franchisor under the Member's Franchise Agreement. Franchisor will pay these contributions to the Cooperative on a monthly basis. A Member's contributions to the Cooperative are in addition to and not in lieu of any advertising fund contributions the Member is required to pay to Franchisor under its Franchise Agreement. The Member's contributions to the Cooperative will count toward the Member's minimum local advertising requirements under the Franchise Agreement.

Section 4.2 Membership Agreement. Each Member of the Cooperative must sign a Membership Agreement obligating the Member to contribute the prescribed percentage of Net Sales from each BIGGBY Store owned or operated by the Member in the Marketing Area. If any Member fails to sign the Membership Agreement but contributes to the Cooperative the designated percentage of Net Sales, that Member will be deemed, by its conduct, to have adopted the obligation imposed by the Membership Agreement and be bound thereby.

Section 4.3 Default in Payment of Contributions. When any Member is in default in the payment of a contribution to the Cooperative for a period of thirty (30) days from the due date, that Member will lose the right to vote on any matter submitted for a vote of the Cooperative until that Member pays the outstanding balance as provided by this Article IV. During the period that any Member has lost the right to vote, that Member will remain bound by his regular contribution obligation. Any Member in default will not be allowed to participate in Cooperative sponsored activities or promotions until the delinquent account is brought current. In addition, a default in payment of a contribution to the Cooperative may be a default under the Member's Franchise Agreement and could result in withholding of proprietary products by Franchisor or its suppliers or in termination of the Franchise Agreement, if authorized by the Franchise Agreement.

Section 4.4 Late Charges on Delinquent Contributions. Each Member must pay to the Cooperative, on demand, a late charge of \$25 for Cooperative contributions not paid when due. Also, each Member must pay to the Cooperative, on demand, interest on all overdue payments from the date the payment was due until paid equal to the lesser of (i) 1 1/2 percent per month or (ii) the maximum rate of interest permitted by law.

Section 4.5 Enforcement. The Cooperative reserves the right to enforce the obligations of delinquent or terminated Members by such means as the Cooperative deems appropriate, including but not limited to, the commencement of any legal action in any court of record, whether in law or equity. In addition to the obligations set forth in these Bylaws, the measure of recovery will include, but will not be limited to, costs, damages, and counsel fees incurred by the Cooperative as the result of any such legal action commenced on behalf of the Cooperative.

Section 4.6 Contributions Nonrefundable. No Member will be entitled to a refund of any part of its contribution to the Cooperative under any circumstances, including the termination of that Member's operation of any BIGGBY Store.

Section 4.7 Use of Contributions. All contributions to the Cooperative will be expended solely for advertising and marketing of BIGGBY Stores in the Marketing Area and their products and services. As used in this Agreement, "advertising and marketing" expenditures will mean direct costs of media for television advertising, including time charges, agency commissions and associated costs; newspaper and print advertising, direct mail, radio advertising, outdoor advertising (billboard or transit), point of sale materials; other advertising approved by the Cooperative; and expenses directly incurred and related to the cost of advertising and administration of the Cooperative, including, but not limited to, organizational, accounting and legal fees and expenses, meeting room charges, photocopying, postage and shipping.

ARTICLE V VOTING RIGHTS

Section 5.1 Members' Voting Rights; Voting Ratios. Other than as provided in Section 4.3, all Members of the Cooperative will be entitled to vote on each matter submitted to a vote of the Members. Except as provided in Section 5.3, each Member's vote will be based on the ratio of the total Net Sales of that Member from its BIGGBY Store in the Marketing Area for the previous calendar year to the total Net Sales of all Members from BIGGBY Stores in the Marketing Area for the previous calendar year. This ratio will be referred to in these Bylaws as the "Voting Ratio." The Voting Ratio of each Member of the Cooperative will be determined by Franchisor at the end of each calendar year based on Net Sales reported to Franchisor. At the request of the management of the Cooperative, Franchisor will promptly report the Voting Ratios to the Cooperative.

A Member that does not have any Net Sales for the previous calendar year will have a Voting Ratio of zero. If a Store is sold or transferred in accordance with the terms of the Franchise Agreement for the Store and there is no interruption in the operation of the Store, the Member that has acquired the Store will succeed to the Voting Ratio of the previous owner (i.e. the acquiring Member will have a Voting Ratio based on the Net Sales of that Store for the previous calendar year, even though the Member did not own the Store at that time). If a Store that was previously operating as BIGGBY Store but that had ceased operating is acquired, the Member that has acquired the Store will not succeed to the Voting Ratio of the previous owner (i.e. the acquiring Member will have a Voting Ratio of zero until the following calendar year and then will have a Voting Ratio based on the Net Sales of the Store generated after the Member acquired the Store).

Section 5.2 Member Voting; Proxy/Designated Agent. Each Member of the Cooperative is encouraged to vote at each meeting, either in person, by proxy, or by designated agent. Proxies and/or designated agents must be filed in writing with the Cooperative Secretary at the signing and

filing of the Membership agreement. Proxys and/or designated agents may be changed from time to time by written notification to the Cooperative Secretary. If a Member is a group of individuals, those individuals must designate an agent to vote at each meeting. If a Member is a corporation, the president of the corporation or an agent designated by the corporation will have the right to vote at a meeting. If a Member is a limited liability company, a member or manager of that company or a designated agent will have the right to vote at a meeting.

Section 5.3 Voting Rights for Certain Issues. For purposes of voting on any issue before the Cooperative Membership involving the subjects listed below in this Section, voting rights will be defined as one (1) vote for each Member, without regard to the Voting Ratios of the Members. In addition, a decision on any issue involving the subjects listed below in this Section will require a super majority vote of 75% of the Members of the Cooperative. The subjects governed by this Section are the following:

- (a) A change in the required contribution;
- (b) Price Advertising;
- (c) Alteration, amendment or repeal of the Bylaws or the adoption of new Bylaws.

Section 5.4 Limitation on Voting Rights. Regardless of the Voting Ratio of any Member, and regardless of whether a Member is an individual, corporation, partnership or other entity, no Member may hold and vote more than fifty percent (50%) of the total voting power with respect to any matter requiring voting under these Bylaws.

ARTICLE VI MEETING OF MEMBERS

Meetings of Members will be held at a location in the Marketing Area designated by the President or Management Committee or such other location, either within or without the Marketing Area, as designated by the Cooperative. Meetings shall be held regularly on a quarterly basis.

Section 6.6 Notice of Meeting. Written or printed notice stating the place, day and hour of any meeting of Members will be delivered, either personally or by mail, to each Member entitled to vote at such meeting, not less than ten (10) nor more than sixty (60) days before the date of the meeting, by or at the direction of the President or the Management Committee or the Secretary or the Members calling the meeting. In case of a special meeting, the purposes for which the meeting is called will be stated in the notice. If mailed, the notice of the meeting will be deemed delivered when deposited in the United States Mail addressed to the Member at the address of the Member as it appears on the records of Cooperative, with postage prepaid. If all the Members meet at any time and place, either within or without the Marketing Area, and consent to the holding of a meeting, such meeting will be valid without call or notice and at such meeting any Cooperative action may be taken.

Section 6.7 Quorum. The majority of the Voting Ratios of the Cooperative present, either in person, by proxy, or by designated agent will constitute a quorum at a meeting of the Members. If a quorum is not present at any meeting of the Members, the Members present will adjourn the meeting to such later date as they may designate.

Section 6.8 Manner of Acting - Approval of Majority. The act of a majority of the Voting Ratios of Members entitled to vote and present either in person, by proxy, by mail ballot, or by a designated agent at a meeting at which a quorum is present will be the act of the Cooperative, except where otherwise provided by these Bylaws.

Section 6.9 Agenda. The agenda for business at meetings of the Members will be as follows:

1. Membership roll call.
2. Proof of Notice of Meeting or Waiver of Notice.
3. Minutes of Previous Meeting.
4. Treasurer's report.
5. Election of Officers or Committees (where appropriate).
6. Old business.
7. New business.
8. Adjournment.

ARTICLE VII OFFICERS AND COMMITTEES

Section 7.1 Designation of Officers and Committees. The officers and committees of the Cooperative will be designated at the annual meeting of Members. The Cooperative will at a minimum designate a President or a Management Committee of no more than three persons and a Treasurer and may designate additional officers, including one or more Vice-Presidents and a Secretary, or additional committees. If the President and Treasurer are the only officers designated, the President will also have the authority and duties of the Secretary. If a Management Committee is designated instead of a President, the Management Committee will have the authority and duties of

the President and of the Secretary if that officer position is not separately filled. Decisions of the Management Committee will be made by a majority vote of the individuals comprising the Management Committee or as the Management Committee otherwise decides. Vacancies in offices or committees may be filled or new offices or committees created and filled at any meeting of the Cooperative. Section 7.4 Secretary. The Secretary will be responsible for the keeping of the minutes of the meeting of the Members; assuring that all notices are duly given according to the provisions of these Bylaws or as required by law; keep a register of the address of each Member, which will be furnished to the Secretary by such Member; attest to the signatures on certain documents and work with the President or Management Committee on necessary communications. Furthermore, the Secretary may co-sign advertising agency contracts together with the President, co-sign with the President or Treasurer checks drawn on the checking account of the Cooperative, and, in general, will perform all duties as from time to time may be assigned to them by the President or by the Cooperative.

Section 7.5 Treasurer. The Treasurer will be responsible for administration of all funds of the Cooperative. Provided, however, the foregoing indemnification will not apply unless, within a reasonable time after the institution of an action, suit or proceeding, the person seeking indemnity has given the Cooperative written notice thereof, together with a copy of the complaint or declaration filed therein.

ARTICLE VIII CONTRACTS

Section 8.1 Execution. The Members of the Cooperative, by majority vote, may from time to time authorize any officer(s) or Management Committee member to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Cooperative and such authority may be general or confined to specific instances. Section 10.2 Fiscal Year. The fiscal year of the Cooperative will begin on the 1st day of January of each year.

Section 10.3 Audits. Immediately following the close of each fiscal year, the Cooperative may by vote of the Members authorize an audit of its books and records to be made either by an Audit Committee or an outside auditor chosen by the Members; provided, however, no officer or member of the Management Committee of the Cooperative, acting as such during the audited period, will be chosen as a member of the Audit Committee. Member further agrees to make contributions to the Cooperative in the following percentage of Net Sales of the BIGGBY Store: _____ percent (____%) of Net Sales. Net Sales for the purposes of this provision shall have the same meaning as the definition of Net Sales contained in the current form Global Orange Development, LLC ("Franchisor") Franchise Agreement. Payment of Member's contribution must be paid to Franchisor at the same time and in the same manner as royalty is required to be paid to Franchisor under the Member's Franchise Agreement. Franchisor will pay these contributions to the Cooperative on a monthly basis. Member's contributions to the Cooperative are in addition to and not in lieu of any advertising fund contributions the Member is required to pay to Franchisor under its Franchise Agreement. The Member's contributions to the Cooperative will count toward the Member's minimum local advertising requirements under the Franchise Agreement.

Member acknowledges that the mentioned percentage of Net Sales contribution may be modified by the membership of the Cooperative according to the provisions of the Bylaws.

Member further acknowledges that the fund established by contributions will be administered by the Cooperative and the duly authorized and elected officers and/or Management Committee of the Cooperative and expended only pursuant to its Bylaws.

Member further acknowledges and agrees that failure to make a contribution on or before the required date will cause the Cooperative to incur additional expense to collect the unpaid contribution and that Member will pay late charges and interest in accordance with the Bylaws. Member also acknowledges and agrees that if Member is in default in the payment of a contribution to the Cooperative for a period of thirty (30) days from the due date, Member will lose the right to vote on any matter submitted for a vote of the Cooperative until Member pays the outstanding balance as provided by Article IV of the Bylaws. During the period that Member has lost the right to vote, Member will remain bound by its regular contribution obligations. If Member is in default, Member will not be allowed to participate in Cooperative sponsored activities or promotions until the delinquent account is brought current.

POS AND COMPUTER SYSTEMS MAINTENANCE AND SUPPORT CONTRACT

EXHIBIT H

Global Orange Development POS and Computer Systems Maintenance and Support Contract

The Global Orange Development POS and Computer Systems Maintenance and Support Contract (the “support contract”) is a comprehensive POS support package customized to fit the exact needs and budget of a BIGGBY COFFEE store. Our philosophy is that technology should never hinder the daily operations of your business. Technology should smoothly integrate into and facilitate the operations of a BIGGBY COFFEE store.

In an effort to keep fees to a minimum, Global Orange operates the support contract on a revenue-neutral basis. It is our objective to restrict fees collected from the Franchise Owner to the actual cost of providing the service.

1. Benefits

By accepting the support contract, you will receive the benefits described below. The end goal of these services is to keep your POS equipment functional and up-to-date at all times at a reasonable cost to you.

a. Hardware and Software Support

All hardware and software that has been purchased from us or approved by us is covered for technical issues, defects, and failures, subject to the exclusions described below. We will troubleshoot and repair, through a variety of means outlined later in the support contract, any issues that affect your system.

b. Hardware Upgrades

We want BIGGBY COFFEE stores to be running on the newest and most reliable equipment that our technology budget will allow. Older equipment becomes less reliable as it ages and cost-prohibitive to maintain. As a method for preventing long-term systemic problems, the support contract provides hardware life-cycle management.

All hardware will be reviewed annually, and replaced or reconfigured every 5-7 years; earlier, in the event of a hardware failure or the determination that technology is “end of life”.

At the time of a swap, you will relinquish ownership of the old piece of equipment and accept ownership of the new or refurbished piece of equipment. We will make a best-effort attempt to transfer all personal data and software licensing to the replacement equipment. The replacement equipment will continue to be covered under this contract.

A special cash assessment, beyond the cost of this contract, may be required in order to keep up with technology changes. These required assessments will be kept to a minimum cost and frequency. We will provide a minimum of 60-day notice of any upcoming assessments, longer if possible.

c. Proactive Services

One of the best ways to keep systems running at their maximum performance and prevent failures before they happen is through continuous monitoring and regular maintenance.

BIGGBY has an established store technology standard that is continuously updated. With this support contract, we continually monitor systems for issues and routinely provide proactive services.

The following is a sample of the proactive services included:

- i. Up/down status of store internet connectivity.
- ii. Anti-virus and anti-malware prevention.
- iii. Windows and supported software patch management.
- iv. Available storage capacity.

d. Backup Internet

Internet connectivity is essential for running your business. This agreement includes cellular backup internet service with automatic failover and failback. There are no data limits for this service if it is used only for POS services. However, if it is used for anything else, you may be billed for data overages. There are no guaranteed data speeds for this service. The data speeds will be limited by the strength of the signal at your location, the interference encountered within your office, the capabilities of your modem, and other factors. The initial cost and replacement cost of this device is NOT covered by this agreement.

2. Coverage

a. Hardware

All hardware provided by us is covered under this support contract. We will diagnose and repair issues relating to hardware defects, hardware failures, inconsistent hardware performance, and environmental causes. The coverage extends to:

- i. Back of house computer
- ii. POS terminals
- iii. Cash drawers
- iv. Printers
- v. Firewall/routers
- vi. Power devices
- vii. Networking components

b. Exclusions of Hardware, Software, and Service Coverage

Hardware, software, or services may be excluded from this agreement under the following circumstances:

- i. Issues arising from hardware or software not provided by Global Orange Development
- ii. Damage caused by accident, misuse, neglect, acts of God, vandalism, theft, or riot

In the event of an exclusion the owner/operator will be informed, and Global Orange Development will bill the store for any excluded hardware, software, or services.

Prior to installing any additional hardware on your own or through a 3rd party, please contact Global Orange Development to obtain consent.

c. Software

All software installed by us is also covered under this support contract. We will troubleshoot and resolve issues relating to software configuration, software crashes, and malware such as viruses. The coverage extends to:

- i. Operating System
- ii. POS Software
- iii. Microsoft Office

d. Internet

With this support contract, if you experience issues with internet access, we will determine if the issue is with the service provider or hardware in the store and we will assist you in finding a resolution. This could include replacement of hardware or a conference call with your service provider.

e. Data Security Requirements

You understand that you must comply with industry standards and all applicable laws relating to the protection of customer information and other personal information, including the Payment Card Industry (“PCI”) Data Security Standard (“DSS”) Requirements and Security Assessment Procedures and other applicable PCI requirements. It is your responsibility to research and understand the PCI requirements, other industry standards, and applicable laws and to ensure that your business policies and practices comply with these requirements. Notwithstanding the services we provide under this support contract, you will be solely responsible for any liability, damages or claims caused by any data breaches or your failure to comply with these industry standards and laws.

3. Expectations

a. Process for Hardware and Software Support

The following is an outline of the steps that will be taken when there is a support issue.

i. Phone and Remote Support

Whenever you have an issue with your POS System, you can start the support process by calling in to the Franchise Community Line (517-492-4521), or by sending an e-mail to tickets@biggby.com with a description of the issue.

When calling the Franchise Community Line you will either speak with someone directly or be redirected to a voice mail that goes directly to our ticketing system. You can expect to hear back from someone as outlined in the response times later in the support contract.

Once you are in touch with a technician, they will remotely connect to your system to diagnose and attempt to fix the problem. If connectivity is unavailable, they will provide phone support to get a connection up and running, and then resume with resolving the issue.

ii. Replacement Parts

If a technician determines that your issue is caused by a faulty piece of hardware, we will attempt to put your system into one of the various modes of redundancy to at least get you up and running for the time being. This could entail putting the terminal in standalone mode, changing network setups, or any of a number of temporary fixes.

If the store is a non-drive thru location, a technician will bring the replacement hardware to the store. If the store is a drive thru location and has at least one functioning POS, the technician will ship out a replacement piece of equipment overnight. Included in this will be a box or return label for you to return the old piece of equipment.

Once you have the equipment, you can contact the Franchise Community Line to have them connect you with a technician that will walk you through replacing the equipment. They will then verify everything is working and make sure your data and settings are intact.

iii. Continued Support and On-Site Service

If for any reason your problem persists beyond a replacement part, we will try further troubleshooting to fix the issue. If we are able to, we will find a suitable solution via another replacement part. However, if we are unsure of what the problem is, or if you have replaced two separate replacement parts and the issue persists, we will send out a technician on-site to service your system. If when at the site the technician determines the cause of the issue is related to user error, or other devices not installed or supported by Global Orange Development you may be billed for services.

b. Emergency vs. Non-Emergency

IMPORTANT: All emergencies must be called in to the FCL.

The primary factor that will determine how we prioritize support tickets is whether the issue is considered an emergency. We define an emergency as something that completely disables one of the core technological functions of your business. For the purposes of response times and after-hours support, an emergency must be one of the following:

- i. You are unable to ring up orders on the POS terminal.
- ii. You are unable to accept credit card transactions.
- iii. Your back of house computer is unresponsive or unable to start.
- iv. Your internet has been consistently down for more than 30 minutes.

c. Support Hours

- i. Monday through Friday
 - a. Regular phone support will be available from 7:00AM to 7:00PM.
 - b. Emergency on call phone support will be available from 12:00AM – 7:00AM and again at 7:00PM.
 - c. If it is determined that an on-site technician is needed, on-site support hours will revolve around technician availability.
- ii. Saturday through Sunday

- a. Emergency on call phone support is available from 12:00AM Saturday through 12:00AM Monday

If it is determined that an on-site technician is needed, on-site support hours will revolve around technician availability.

d. Response Times

Phone support will be responded to on both a time and priority basis. When calling during regular support hours (above), emergencies will be responded to within 30 minutes. Non-emergencies will be responded to within 1 hour. When calling outside of regular support hours, emergencies will be responded to within 1 hour, while non-emergencies will be responded to within 1 hour of the opening hour of the next normal business day. Replacement parts will be shipped overnight within 24 hours of determining a replacement part is needed. On-site support times will vary by location. For emergencies, we will dispatch a technician within 24 hours of determining a technician is needed. For non-emergencies, we will dispatch a technician within 48 hours of determining a technician is needed.

4. Cost

a. Monthly Cost

The monthly cost of the support contract is \$99 per month for one-terminal stores, or \$125 per month for two-terminal stores.

b. Payment

Billing and payment for the support contract will be handled in the same manner and timeline in which your royalty is handled. You will see a separate line-item on your monthly royalty invoice for the cost of the program.

c. Changes in Cost

No more than once per year, we will re-evaluate the cost of the program to account for increases and decreases that may occur in our cost of administering this service. If we do raise or lower our prices, you will be notified at least 2 months' prior to the effective date.

5. Contract Terms

The support contract will remain active and you will continue to be billed for as long as you own your BIGGBY COFFEE store, except as listed below.

a. Non-payment

If your Electronic Funds Transfer (EFT) payment does not go through, or if your payments otherwise fall behind greater than 30 days, all support will be discontinued until payment is received. Monthly bills will continue to accrue.

b. Changes to Contract Terms

No more than once per year, we will re-evaluate the terms of the support contract based on customer feedback and new technology or methods that are available. If any changes are made, you will be notified at least 2 months' prior to the effective date.

c. Effective Date

- i. If you are purchasing a new POS system from Global Orange Development, all benefits of the support contract will become effective the day of installation. Billing will begin the 1st of the month following installation, or the first month you receive a royalty invoice, whichever is later.
- ii. If you are purchasing an existing BIGGBY COFFEE location, all benefits of the support contract will become effective the day that you take possession of the store. Billing will also begin the day that you take possession of the store.

d. Contract Cancellation

Global Orange Development may cancel the support contract at any time. If we do, we will provide 60 days' written notice to you. We will provide any data or support history on your store to you or any third parties at your request. While we do not have any plans to discontinue service, lack of labor, lack of resources, or an inability to provide the service we would like to provide could result in a need to discontinue service to the store owners

6. Limitations

- a. Global Orange Development will use reasonable efforts to comply with its obligations under this support contract, but does not represent or warrant that your hardware or software will be free from defects or operational at all times or that you will not lose any data. You agree that Global Orange Development will not be liable to you for and you expressly waive any claims for any special, consequential, or exemplary damages, under any circumstances, arising under this support contract, including any liability for loss of business, customers, or revenue. In no event will Global Orange Development's liability under this support contract exceed the amounts paid by you under this support contract.
- b. Except for its obligations to repair or replace hardware and software as provided in this support contract, Global Orange Development disclaims and you waive any and all other warranties, express or implied, arising by operation of law or otherwise, including but not limited to warranties of merchantability or fitness for a particular purpose.

7. General

- a. This support contract will be governed by and construed under the laws of the State of Michigan without reference to the conflict of laws provisions.
- b. This support contract contains the entire agreement between the parties relating to the POS and Computer system maintenance and support contract and supersedes and replaces any prior oral or written understandings, agreements, representations, and promises. Except as otherwise provided in this agreement, this support contract may not be modified except in writing signed by you and Global Orange Development.

I have read and understand completely the Global Orange Development POS and Computer Systems Maintenance and Support Contract, I will be receiving the benefits contained in this support contract, and I will be billed on a monthly basis depending on the number of terminals in my store.

GLOBAL ORANGE DEVELOPMENT, LLC
CONFIDENTIALITY AGREEMENT

I am an employee or trainee of _____ (the "Company"). The Company operates or is developing a BIGGBY® COFFEE Store franchise under a Franchise Agreement between the Company and GLOBAL ORANGE DEVELOPMENT, LLC (the "Franchisor") or of one of its affiliates or franchisees.

As an employee or trainee of the Company, I acknowledge that in the course of my employment by the Company and my training in the BIGGBY® systems of operation, I will have access to certain Confidential Information, as defined below, about the Company and the Franchisor's methods of establishing, developing, operating and maintaining BIGGBY COFFEE Stores that is confidential and not available to the public in general. I understand that the Company and the Franchisor have spent a great deal of time and money developing this Confidential Information and I acknowledge that the Company and the Franchisor's reasonable competitive business interests would be severely and irreparably damaged if the Confidential Information that has been (or may be) revealed to me were to be disclosed to any third person, become available to the public in general, or used by me to compete with the Company or the Franchisor or any of its affiliates or franchisees. I, therefore, agree that the Company and Franchisor have a need to protect the Company's and the Franchisor's valuable Confidential Information and I agree that in consideration of these factors, and in consideration of my employment or continuing employment with the Company and/or by training in the BIGGBY systems of operation, I promise and agree to be bound by the terms of this Agreement as follows:

1. I agree not to directly or indirectly disclose to any individual, partnership, corporation or any other entity ("person") or to use myself, any Confidential Information which I learn during my training and/or employment with the Company, except as necessary in the course of my employment with the Company. I agree that these restrictions will apply while I am in training or am employed by the Company and indefinitely after my training is completed or my employment terminates.

I also agree that if my training ceases without my being employed by the Company or my employment with the Company terminates, I will immediately return to the Company or the Franchisor, all memoranda, notes and other written or printed information that is in my possession or under my control, which contains Confidential Information, including information, which although not confidential, belongs to the Company or the Franchisor or relates to its business or systems of the Company or the Franchisor. This obligation will apply regardless of whether the information was prepared by me, the Company, the Franchisor, or a third party.

The term "Confidential Information" as used in this Agreement means (i) "proprietary information," which includes techniques, processes, computer programs, or information, whether patentable or not, relating to the establishment, development, marketing, operation and maintenance of the Company's business or a BIGGBY COFFEE Store and all related information and all other information which is confidential, unique and/or not generally known or available to the public, including but not limited to, information regarding the Company's or the Franchisor's methods, equipment, and materials relating to the development, marketing or operation of the Company's business of a BIGGBY COFFEE Store; (ii) "trade secret" information which includes any knowledge, ideas, concepts, techniques, computer programs, systems manuals, installation guides, reports, technical manuals, operation manuals, and training programs relating to the establishment, development, marketing, operation and maintenance of the Company's business or a BIGGBY COFFEE Store; (iii) "customer information" which includes information about current

and prospective customers of the Company or the Franchisor, including any list that contains the names, addresses and telephone numbers, and other contact information of the Company's employees and/or current or prospective customers, and specific information about these customers or prospective customers such as number of employees, general needs, customer contacts or referral sources; and (iv) "supplier information" which includes information about current and prospective carriers, suppliers, vendors, agencies, or providers of the Company or the Franchisor, including the names, addresses and telephone numbers of any such suppliers and the terms of any contracts or arrangements between the Company or the Franchisor and such suppliers.

2. I will not maliciously disparage or otherwise make harmful or unfavorable statements regarding the Company or the Franchisor or a BIGGBY COFFEE Store or any of their services, operations, processes or methods to anyone else.

3. Pursuant to the federal Defend Trade Secrets Act of 2016, I have been notified and understand that I will not be held criminally or civilly liable under any federal or state trade secrets law for the disclosure of a trade secret that: (i) is made in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, solely for the purpose of reporting or investigating a suspected violation of law; or (ii) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.

4. I understand that the Franchisor is the exclusive owner of all rights relating to the BIGGBY COFFEE systems and I agree that as a condition of my training and/or employment by the Company, the Franchisor has the exclusive rights to all ideas, improvements and innovations relating to a BIGGBY COFFEE Store, which I conceive, develop or help develop during my training and/or employment.

5. I understand that the Company is an independently owned and operated BIGGBY COFFEE Store franchisee and is my sole employer and solely responsible for the terms of my employment and my compensation. I further understand that the Franchisor is not directly or indirectly my employer and that the Franchisor is granted rights under this Agreement solely for the purpose of protecting the BIGGBY COFFEE systems and brand.

6. My obligations under this Agreement will be binding on me and my heirs and personal representatives and will inure to the benefit of the Company and the Franchisor and their successors and assigns. My obligations arising out of this Agreement are in addition to and are not in any manner limited on all obligations not to use or disclose the Company's or the Franchisor's Confidential Information as provided by law, whether expressly or by implication.

7. I acknowledge that the Company and/or the Franchisor will suffer irreparable harm if I violate or breach the promises I have made in this Agreement. I, therefore, agree that the Company and/or the Franchisor will be entitled to an injunction enjoining me and restraining me from performing and continuing to commit any violation or breach of this Agreement, in addition to any other rights and remedies it might have. Also, the Company and the Franchisor will be entitled to recover all costs and expenses from me, including reasonable attorney fees and costs incurred in enforcing this Agreement. These remedies are cumulative and not alternative, and will be in addition to every remedy given under this Agreement, any other agreement between me and the Company, or now or later existing at law or in equity, by statute or otherwise. The election of one or more remedies will not constitute a waiver of the right to pursue other remedies.

8. Except as otherwise provided in this Agreement, if any provision of this Agreement or part thereof is determined by a court or agency of competent jurisdiction ("Court") to be contrary to law, the remainder of this Agreement will constitute the Agreement between me and the Company. If the Court holds all or part of this Agreement to be unreasonable or unenforceable because the restrictions imposed on me are too broad, I agree to be bound by a less restrictive covenant that imposes the maximum duty to the Company and the Franchisor permitted by law, as determined by the Court.

9. I have had an opportunity to review all the terms of this Agreement with my attorney and/or advisors and have read, understand and voluntarily accept all the terms of this Agreement.

10. I agree that any litigation will only be conducted on an individual, not a class-wide basis, and that a litigation proceeding between me and the Company or the Franchisor may not be consolidated with any other litigation proceeding between me and the Company or the Franchisor and any other person, corporation, limited liability company, partnership or other entity. I waive, to the fullest extent allowed by law, any right to pursue or participate as a lead plaintiff or a class representative in any claim on a class or consolidated basis.

11. AFTER CONSULTING WITH MY ATTORNEY OR HAVING THE OPPORTUNITY TO DO SO, I KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY (AND WITHOUT DURESS OR COERCION) WAIVE ANY RIGHT I MAY HAVE TO A TRIAL BY JURY IN ANY LITIGATION BASED ON OR ARISING OUT OF THIS AGREEMENT OR BASED ON ANY COURSE OF CONDUCT, DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN) OR ACTION RELATING TO THIS AGREEMENT. I WILL NOT SEEK TO CONSOLIDATE, BY COUNTERCLAIM OR OTHERWISE, ANY SUCH ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. THESE PROVISIONS WILL NOT BE DEEMED TO HAVE BEEN MODIFIED IN ANY RESPECT OR RELINQUISHED BY ME OR THE COMPANY EXCEPT BY A WRITTEN INSTRUMENT EXECUTED BY ME AND THE COMPANY.

Independent Auditor's Report

To the Members
Global Orange Development, LLC and Affiliates

We have audited the accompanying consolidated financial statements of Global Orange Development, LLC and Affiliates (the "Company"), which comprise the consolidated balance sheet as of December 31, 2020, 2019, and 2018 and the related consolidated statements of operations and income, members' deficit, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Global Orange Development, LLC and Affiliates as of December 31, 2020, 2019, and 2018 and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Note 2 - Significant Accounting Policies

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Global Orange Development, LLC and its variable interest entities (VIEs), Orange, Ad Fund, and eCard Fund, for which Development is the primary beneficiary (collectively, the "Company"). Orange includes the accounts of Global Orange, LLC and its majority-owned subsidiaries, Milkster and International. All significant intercompany transactions and balances have been eliminated upon consolidation.

The effects of eliminations of revenue and expenses due to intercompany transactions between majority-owned subsidiaries and consolidated VIEs are not attributed to noncontrolling interests in the VIEs.

Cash Equivalents

The Company considers all investments with an original maturity of three months or less when purchased to be cash equivalents.

Investments

Investments in fixed-income securities are reported at fair value with unrealized gains and losses included in earnings, except to the extent that the investments are held in an agency capacity on behalf of the franchisees to fund the liability for unredeemed gift cards, in which case the gains or losses are attributed to the fund liability.

Notes to Consolidated Financial Statements

December 31, 2020, 2019, and 2018

Note 2 - Significant Accounting Policies (Continued)

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollected amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. No allowances for doubtful accounts receivable were deemed necessary based on management's estimates at December 31, 2020, 2019, or 2018.

Inventory

Inventory consists primarily of supplies and technology equipment for resale to franchisees. Inventory is stated at the lower of cost or net realizable value, with cost determined on the first-in, first-out (FIFO) method.

Property and Equipment

Property and equipment are recorded at cost. Both straight-line and accelerated methods are used for computing depreciation and amortization. Assets are depreciated over their estimated useful lives, except in the case of leasehold improvements, which are depreciated over the useful life or the remaining term of the lease, whichever is shorter. Costs of maintenance and repairs are charged to expense when incurred.

Gift Card Liability

The Company acts as a clearinghouse for its franchisees' gift card (eCard) transactions. On a quarterly basis, franchisees are billed or paid for the amount of eCard sales over or under eCard redemptions at the respective franchisees' store for the period. The gift card liability represents the amounts owed to franchisees for unredeemed gift cards.

Postemployment Benefits

Postemployment benefits are recognized as a liability and expense when the employee accepts the offer and the amount can be reasonably estimated. The liability is calculated based upon the estimated present value of future benefits to be paid. The benefits are to be paid through June 2022.

Revenue Recognition

The Company's revenue from operations mainly consists of franchise fees, royalties, advertising fees, and the sale of inventory to franchisees. The Company sells individual franchisees the right to operate a Biggby coffee shop within a defined territory using the franchise name. The initial term of franchise agreements is typically 10 years for Biggby Coffee shops or 5 years for Milkster locations, with an option to renew for a fee or transfer the franchise agreement to a new or existing franchisee, at which point a transfer fee is typically paid.

Notes to Consolidated Financial Statements

December 31, 2020, 2019, and 2018

Note 2 - Significant Accounting Policies (Continued)

The Company has obligations to provide franchisees with the franchise rights to operate a Biggby coffee shop, training, and site selection. The Company has concluded that these preopening activities represent performance obligations to which the franchise fee is allocated. Therefore, initial franchise fees for each agreement are allocated to each performance obligation and recognized as these preopening activities are performed, which typically aligns with the date a franchisee opens. However, the Company has concluded that the franchise fees paid by Milkster franchisees represent a single performance obligation. Therefore, the initial franchise fee for each Milkster franchise agreement is recognized over the term of the respective franchise agreement from the date the location is opened. Transfer fees and renewal fees are recognized in the period the transfer or renewal agreement is executed. Income for royalties and advertising fees is recognized over the term of the respective franchise agreement as the underlying sales occur. Income for the sale of inventory to franchisees is recognized at the time the product is shipped to the franchisee. Revenue on the consolidated statement of operations and income has been disaggregated accordingly.

The cumulative effect of change in accounting principle presented on the consolidated statement of members' deficit relates to the adoption of the Accounting Standards Update, issued by the Financial Accounting Standards Board, that amends the guidance for revenue recognition. The amendment was adopted on January 1, 2019. Under the new standard, Biggby continues to recognize initial franchise fees upon opening of a franchise location. However, Milkster's franchise fees are now being deferred over the contract period.

Payment Terms

Initial franchise and transfer fees are due and typically paid when a franchise agreement is entered into and are nonrefundable. Royalties and advertising fees are paid on a periodic basis, no longer than monthly, based upon a percentage of franchisee net sales. Franchise fees are collected prior to the satisfaction of the Company's performance obligation for Milkster franchises, resulting in the Company recognizing contract liabilities. Payment for inventory purchases is due upon receipt of the related goods.

Allocating the Transaction Price

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for providing franchisees with the franchise rights to operate a franchised location. To determine the transaction price, the Company considers its customary business practices and the terms of the underlying agreement. For the purpose of determining transaction prices, the Company assumes performance obligations will be satisfied as promised in accordance with franchise agreements and that agreements will not be canceled, renewed, or modified.

The Company's franchise agreements with franchisees have transaction prices that contain a fixed and variable component. Variable consideration includes revenue related to royalties and advertising fees, as the transaction price is based on the franchisees' sales. The license of the franchise right is the predominant item to which the royalty relates; therefore, the variable consideration is recognized based on the actual amounts incurred each month.

Advertising Expense

In accordance with the standard franchise agreement, the Company receives certain advertising fees from its franchises. The goal of the advertising fund is to maximize general public recognition and patronage of the BIGGBY COFFEE™ trademarks and systems. Fees assessed in excess of costs incurred are recorded as unexpended advertising fees, and costs incurred in excess of fees assessed are recorded as accounts receivable. The Company charges a management fee for administration of the advertising fund, which is eliminated in consolidation.

Note 2 - Significant Accounting Policies (Continued)

Income Taxes

Development and International have elected to be treated as partnerships, and Orange has elected to be treated as an S corporation for federal income tax purposes. Federal income taxes are not payable by, or provided for, the Company. Members are taxed individually on their shares of the Company's earnings. The Company's net income or loss is allocated among the members in accordance with the requirements of the operating agreements.

Ad Fund and eCard Fund have elected to be treated as nonstock corporations and are exempt from federal income taxes.

Milkster is a C corporation. A current tax liability or asset is recognized for the estimated taxes payable or refundable on tax returns for the year for Milkster. Deferred tax liabilities or assets are recognized for the estimated future tax effects of temporary differences between financial reporting and tax accounting.

Guaranteed Payments to Members

Guaranteed payments to members that are intended as compensation for services rendered are accounted for as compensation expense, a component of operating expenses.

Cost of Product Sales

The Company includes purchased materials, freight costs, and various other direct and indirect costs in cost of sales for its product sales.

Advertising and Marketing

The Company incurred advertising, marketing, and promotion expense of approximately \$3,129,000, \$3,129,000, and \$3,077,000 in 2020, 2019, and 2018, respectively. These items are expensed as incurred.

Shipping and Handling Costs

Shipping and handling costs on product sales are recorded as costs of sales as they are incurred.

Member Distributions

During 2020, 2019, and 2018, the Company made distributions of \$2,563,684, \$2,354,836, and \$2,422,960, respectively, resulting in a members' deficit at December 31, 2020, 2019, and 2018. For the purpose of the distribution, the Company valued the assets and liabilities of the Company at fair valuation, as permitted under the Michigan Limited Liability Company Act. The amount of members' equity based on that valuation exceeded the recorded amount under generally accepted accounting principles.

Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Reclassification

Long-term deferred initial franchise fees as of December 31, 2019 have been reclassified to conform to the December 31, 2020 presentation. Previously, these deferred initial franchise fees were presented as a current liability on the consolidated balance sheet.

Note 2 - Significant Accounting Policies (Continued)

Government Grants

The Company has elected to account for loan funds received under the Paycheck Protection Program (PPP) as in-substance government grants. Accounting principles generally accepted in the United States of America (U.S. GAAP) do not include guidance on the accounting for government grants by for-profit entities. As a result, the Company has elected to analogize to the guidance in International Accounting Standards (IAS) Statement 20, *Accounting for Government Grants and Disclosure of Government Assistance* (IAS 20). While IAS 20 does not represent authoritative guidance for entities preparing U.S. GAAP financial statements, use of this guidance by analogy is permitted.

Under IAS 20, government grants, including forgivable government loans, are recognized as income when it is probable that the Company will comply with the conditions of the grant and that the grant will be received. The Company recognizes proceeds under grant programs in a systematic basis over the period in which the Company recognizes as expenses the related costs for which the grant is intended to compensate. The Company has further elected to record the grant income separately from the related expenses in nonoperating income.

Impact of COVID-19 Pandemic

On March 11, 2020, the World Health Organization declared the outbreak of a respiratory disease caused by a new coronavirus a pandemic. First identified in late 2019 and now known as COVID-19, the outbreak has impacted thousands of individuals worldwide. In response, the United States and various state and local governments have implemented measures to combat the outbreak that have severely impacted business operations. Operations of the Company were not significantly impacted, as franchisees were allowed to stay open throughout the pandemic.

No impairments were recorded as of December 31, 2020; however, the extent of any future impact cannot be reasonably estimated at this time.

Upcoming Accounting Pronouncements

The FASB issued ASU No. 2016-02, *Leases (Topic 842)*, which will supersede the current lease requirements in Accounting Standards Codification (ASC) 840. The ASU requires lessees to recognize a right-to-use asset and related lease liability for all leases, with a limited exception for short-term leases. Leases will be classified as either finance or operating, with the classification affecting the pattern of expense recognition in the statement of operations. Currently, leases are classified as either capital or operating, with only capital leases recognized on the balance sheet. The reporting of lease-related expenses in the statements of operations and cash flows will be generally consistent with the current guidance. The new lease guidance will be effective for the Company's year ending December 31, 2022 and will be applied using a modified retrospective transition method to either the beginning of the earliest period presented or the beginning of the year of adoption. The Company is still evaluating which method it will apply. The new lease standard is expected to have a significant effect on the Company's financial statements as a result of the Company's operating leases, as disclosed in Note 10, that will be reported on the consolidated balance sheet at adoption. Upon adoption, the Company will recognize a lease liability and corresponding right-to-use asset based on the present value of the minimum lease payments. The effects on the results of operations are not expected to be significant, as recognition and measurement of expenses and cash flows for leases will be substantially the same under the new standard.

Note 2 - Significant Accounting Policies (Continued)

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*. The ASU includes changes to the accounting and measurement of financial assets, including the Company's accounts receivable, by requiring the Company to recognize an allowance for all expected losses over the life of the financial asset at origination. This is different from the current practice where an allowance is not recognized until the losses are considered probable. The new guidance will be effective for the Company's year ending December 31, 2023. Upon adoption, the ASU will be applied using a modified retrospective transition method to the beginning of the earliest period presented.

Subsequent Events

The consolidated financial statements and related disclosures include evaluation of events up through and including April 23, 2021, which is the date the consolidated financial statements were available to be issued.

Note 3 - Paycheck Protection Program Loan

During the year ended December 31, 2020, the Company received a Paycheck Protection Program loan in the amount of \$784,022. The PPP loan program was created under the Coronavirus Aid, Relief, and Economic Security (CARES) Act and is administered by the Small Business Administration (SBA). Under the terms of this program, the loan may be fully or partially forgiven if the loan proceeds are spent on qualifying expenses and if staffing level and salary maintenance requirements are met. The Company may use the funds on qualifying expenses over a covered period of up to 24 weeks. At the conclusion of the covered period, any balance that is not forgiven by the SBA will be repaid over a period of two years, with interest accruing at 1 percent and monthly payments of principal and interest beginning 10 months after the conclusion of the covered period.

Any request for forgiveness is subject to review and approval by the lender and the SBA, including review of qualifying expenditures and staffing and salary levels.

The Company applied for and received notification from the SBA of forgiveness of the entire loan on January 13, 2021. Accordingly, the Company has recognized \$784,022 received under the PPP loan program as nonoperating income in the accompanying consolidated statement of operations and income.

Note 7 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the consolidated financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value.

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Company has the ability to access.

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets and other inputs, such as interest rates and yield curves, that are observable at commonly quoted intervals. All of the Company's investments are in fixed-income securities and are valued using Level 2 inputs.

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

Notes to Consolidated Financial Statements

December 31, 2020, 2019, and 2018

Note 7 - Fair Value Measurements (Continued)

In instances where inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Company's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

Note 8 - Related Party Transactions

Following is a description of transactions between the Company and related parties:

Accounts Receivable

At December 31, 2019, the Company had accounts receivable from certain company members totaling \$50,000. There were no related party receivables from company members at December 31, 2020 and 2018.

Royalties

Certain company members own noncontrolling interests in one entity that operated eight BIGGBY COFFEE™ shops at December 31, 2020, 2019, and 2018. The Company recognized royalty fees of approximately \$95,000, \$117,000, and \$113,000 from this entity's locations during the years ended December 31, 2020, 2019, and 2018, respectively. The Company had accounts receivable from this entity of approximately \$44,000, \$66,000, and \$64,000 at December 31, 2020, 2019, and 2018, respectively.

Note 9 - Retirement Plan

The Company operates a SIMPLE retirement plan covering all qualified employees who elect to participate in the plan. Under the plan, an employee can elect to contribute to the plan subject to Internal Revenue Service limits. The Company provides a matching contribution equal to 100 percent of the amount deferred by the employee up to a maximum of the first 3.00 percent of eligible contributions. Contributions to this plan were \$43,652 in 2020, \$51,750 in 2019, and \$45,019 in 2018.

Note 10 - Operating Leases

The Company is obligated under operating leases primarily for office and storage space. These leases are set to expire in January 2029; however, the noncancelable term runs through January 2024. Total rent expense under these leases was approximately \$369,000, \$355,000, and \$340,000 for the years ended December 31, 2020, 2019, and 2018, respectively.

Future minimum annual commitments under these operating leases are as follows:

Years Ending December 31	Amount
2021	\$ 371,593
2022	371,593
2023	371,593
2024	30,966
Total	<u>\$ 1,145,745</u>

Note 11 - Information about Variable Interest Entities

Orange is considered to be a variable interest entity because its sole property is licensed to an entity under common control, and the licensing agreement is a significant source of resources to service Orange's obligations.

Notes to Consolidated Financial Statements

December 31, 2020, 2019, and 2018

Note 11 - Information about Variable Interest Entities (Continued)

Ad Fund and eCard Fund are also considered to be variable interest entities, as all of the activity of the two funds is generated from activities of Development's operations.

Development determined that it is the primary beneficiary of Orange, Ad Fund, and eCard Fund because the licensing agreement, service arrangements, and implicit debt guarantee provided it with (1) the power to direct the activities of the VIEs that most significantly impact their economic performance and (2) the obligation to absorb losses that could potentially be significant to the VIEs. As a result, the VIEs have been included in the consolidated financial statements as consolidated variable interest entities.

Orange generated \$1,169,821, \$1,102,018, and \$1,019,515 of licensing and management fee income in 2020, 2019, and 2018, respectively, from Development, which is eliminated in consolidation.

Included in the consolidated balance sheet as of December 31, 2020, 2019, and 2018 are the following amounts related to Orange:

	2020	2019	2018
Current assets	\$ 488,770	\$ 305,616	\$ 459,168
Current liabilities	\$ 886,653	\$ 739,023	\$ 652,985

Notes to Consolidated Financial Statements

December 31, 2020, 2019, and 2018

Note 12 - Phantom Interest Awards

During 2018 and 2019, the Company issued phantom interest awards to various employees (the "Grantees") of the Company. The granted phantom interests are notional only and do not represent any actual equity interest or ownership interest in the Company or any other equity security in or with respect to the Company, and the Grantees have no rights (voting or otherwise) as a member, owner, shareholder, or equity owner of the Company by virtue of any grant of phantom interests. All Grantees are immediately 100 percent vested in their awarded phantom interests.

As long as a Grantee is employed by the Company at December 31 of a given fiscal year, the awards provide that the Grantees receive an annual bonus equal to the dollar amount of actual cash distributions made to a member of the Company with respect to the Company's fiscal year as if such member owned a membership interest in the Company at the same percentage as the Grantee's phantom interest granted as of the last day of that fiscal year.

In the event of a payment event, which is defined as a Grantee's death, termination of employment with the Company, for any reason, or a company change in control, the Grantee shall be entitled to payment in satisfaction of the phantom interests in the Company then held by Grantee in a total amount equal to the value of the granted phantom interests determined as of the date of such payment event.

The Company records a liability for the phantom interests by determining the enterprise value of the Company, as defined by each Grantees' phantom interest award. The liability is measured upon the awarding of the phantom interest, as well as at the end of each reporting period, until settled. All settlements of phantom interests are to be paid in cash.

The carrying amount of the liability relating to outstanding phantom interests at December 31, 2020, 2019, and 2018 was \$1,117,261, \$529,372, and \$159,309, respectively. The amount of compensation expense that has been charged against income during the years ended December 31, 2020, 2019, and 2018 was \$756,016, \$370,063, and \$159,309, respectively. This liability is presented on the consolidated balance sheet as deferred compensation. The balance making up the remaining portion of long-term deferred compensation relates to postemployment benefits provided to a former member of the Company. The long-term portion of these postemployment benefits totaled \$12,505, \$18,505, and \$30,883 at December 31, 2020, 2019, and 2018, respectively.

An employee who owned phantom interest awards was terminated during 2020. The phantom interest award owned by this employee was settled for \$168,127, which will be paid over 10 years. The total liability outstanding at December 31, 2020 was \$108,760, \$11,865 of which will be paid during 2021 and is included in the current portion of postemployment benefits on the consolidated balance sheet. The remainder is included in deferred compensation. No phantom interest awards were settled during the years ended December 31, 2019 or 2018.
